

RISHI DEVRA AKA PATTON WEST: THE HUGE DECEPTION NEEDED TO MORPH CON ARTIST PATTON WEST INTO 'DIVINE MOTHER' UPON ARRIVAL IN ARIZONA IN 2010. AFTER BEING FORCED OUT OF MONTANA IN 2010 (AND NEW MEXICO BEFORE THAT IN 1995).

No one was going to believe the bullshit, lies and propaganda about Patton West being 'Divine Mother' as long as the truth about her criminal past in Montana & New Mexico was available to the public on-line.

LIES, DECEIT, PROPAGANDA. ALL PART OF A MULTI-MILLION DOLLAR A YEAR FRAUD / EXTORTION SCAM.

Above: Patton West a criminally insane narcissist with millions of dollars to spend on living out her fantasy that she is a 'world server.' In reality she robs, defrauds and mentally and physically abuses victims while emptying their banks accounts into hers.

Below is one example of 'Divine Mother's' criminality in Montana. Having duped local female physician, Dr. Pat Cole MD into joining her latest greatest 'save the world' project, Patton West initiated a campaign of violence against Dr. Cole designed to culminate in the extortion of Cole's entire net worth estimated at \$1.3 million. Patton West succeeded in doing this, at the cost to her of a [\\$500 fine and a 6 month suspended prison sentence](#). Who says crime does not pay? Below is a statement the victim made to the [Whitefish Pilot](#) newspaper when the story went public in July of 2007.

"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement.

Cole claims West threw a lamp at her and hit her with a briefcase, cell phone and her hand. "She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself."

Photos taken after the alleged beating were submitted to the sheriff's office.

Dr. Pat Cole MD was lucky to get away with her life but was left on the verge of bankruptcy after being forced to hand over \$436,000 in cash and after being forced to sign over her home valued at \$750,000 to Patton West. This is spelt out in the [Bigfork Eagle](#) newspaper article published in August 2007, and in a harrowing email from Rebecca West entitled '[Help Me.](#)' Carlida Finch overheard Patton West planning Cole's murder. In Carlida's [statement to the authorities](#), she explains what a dangerous work environment it was and how she and other employees were given an ultimatum. Join Patton West's cult as low paid or no paid slaves or be fired.

<u>REALITY</u>	<u>PROBLEM</u>	<u>SOLUTION</u>	<u>ILLUSION</u>
	<p>TRUTH POSTED ON-LINE SHOWING PATTON WEST TO BE A PATHOLOGICAL LIAR, A THIEF, A MURDERER & SUSPECTED SERIAL KILLER.</p>	<p>ATTEMPTED MURDER, CRIMINAL CONSPIRACY AND AN ON-GOING CAMPAIGN OF VIOLENT INTIMIDATION AGAINST WATSON & FAMILY.</p>	

When John Watson, another victim of fraud at Patton West's hands, put up a website publicizing her many crimes in Montana, Patton West knew that her multi-million dollar a year criminal racketeering business model was in jeopardy! And that the move from Montana to Arizona could not proceed until the truth was hidden from public view. So Patton West conspired with two senior members of her cult to permanently silence John Watson. Plan 'A' was to murder him, and when that failed, Plan 'B' was to bankrupt him into silence.

Meet scum bags Dr. Julio E Williams MD & Geoffrey Reynolds CPA, both senior members of Patton West's cult / criminal gang. Both willing accomplices in attempted murder, criminal conspiracy and an ongoing campaign of violent intimidation directed at Watson and his family. Both these scum bags are aware of what is going on and both have received 500 emails from Watson. Neither have shared these emails with the police of FBI.

MEET DR. JULIO E WILLIAMS MD

MEET GEOFFREY REYNOLDS CPA

Above left: Williams is a 20 year member of Patton West's cult / criminal racketeering gang involved in organized crime for 15 years. Reynolds was a key member of Patton West's cult / criminal racketeering gang between 2006 & 2104. Reynolds announced the whistleblower's impending murder to the press days before Patton West made a failed attempt on his life. When murder failed Williams funded a conspiracy to bankrupt the whistleblower into silence with Reynolds making false statements to a Montana court.

This campaign will continue until Patton West is indicted for murder, attempted murder and 30 years of racketeering in three western states. This campaign will continue until Dr. Julio E Williams MD is indicted for complicity to commit murder, funding organized crime and complicity in an ongoing campaign of violent intimidation about which he is in possession of 500 emails. This campaign will continue until Geoffrey Reynolds CPA is indicted for complicity to commit murder, money laundering, fraud, making false statements to court, and his complicity in the ongoing campaign of violent intimidation about which he has received 500 emails.

Is it any wonder that after fraud victim John Watson put up a website about Patton West's crimes, she conspired with others to murder him? When that failed, she conspired with others to bankrupt him into silence by launching multiple frivolous lawsuits against him.

More serious crimes like murder, were never investigated because the victims who survived and the witnesses were too afraid to go to the police.

Above left to right. Occult thief / suspected serial killer Patton West. Ex-student Lisa Swidler murdered to keep her quiet. Fraud victim turned whistleblower John Watson targeted because he went public. An employee overheard Patton West planning Dr. Pat Cole's murder. Ex-student Marion Cantwell a victim of extortion was told she would be killed if she went to the police.

Before she was chased out of New Mexico at the point of a gun in 1995, Patton West was calling herself the Ascended Master Devra Ji. In Montana, she was calling herself the Ascended Master Surya Ma. Student Lisa Swidler negotiated a \$30,000 loan with ex-student [Dave Kushner](#), which Patton West refused to repay even though she had signed a formal loan agreement. John Watson was defrauded and, after launching a lawsuit against Patton West, he became the victim of threats, dirty tricks, false witnesses, he and his family were subject to a campaign of [occult 'under the radar'](#) violent intimidation (ongoing), he was the subject of a failed murder plot in 2007 and then in 2010, [a conspiracy](#) to bankrupt him into silence. Dr. Pat Cole MD, a student of Patton West's and her 'business' partner, was [viciously assaulted](#) by Patton West as part of conspiracy to extort \$1.3 million from Cole, which Patton West succeeded in doing at a cost to her of a 6 month suspended prison sentence and a \$500 fine. Who says crime does not pay? Shortly after selling her home, ex-student [Marion Cantwell](#) was kidnapped, held captive, beaten and only released after agreeing to donate tens of thousands of dollars to Patton West.

None of these crimes were investigated. You can view a lengthy analysis of the crimes committed by Patton West against Dr. Pat Cole MD by going [here](#) to the previous bulletin.

This is what Patton West has had to say about herself since arriving in Arizona in 2010...

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health 32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

This is what the Montana Newspapers wrote about the crimes that were committed by Patton West in Montana...

Above from left to right: The July 2007 Whitefish Pilot, the August 2007 Bigfork Eagle and October 2008 Ravalli Republic and the April 2008 Whitefish Pilot news article announcing Patton West's conviction for assaulting Dr. Pat Cole MD.

The [Whitefish Pilot](#) newspaper leads with Patton West's assault on Dr. Pat Cole MD and lists several other crimes being committed by Patton West and her accomplices in Montana. [The Bigfork Eagle](#) newspaper also leads with the assault on Dr. Pat Cole MD and delves into a number of Patton West's corporations, many of the involuntarily dissolved or revoked! An in depth analysis of both newspaper articles can be found [here](#). The [Ravalli Republic](#) newspaper focused on the judgment the courts granted John Watson after being defrauded by Patton West. Finally in April 2008, Patton West was found guilty of assaulting Dr. Pat Cole MD – no mention of the \$1.3 million Patton West successfully extorted from Cole, details of which can be reviewed in these documents. (1) (2) (3) (4) (5) (6). Patton West's response at being found guilty of assaulting Dr. Pat Cole MD and defrauding John Watson was to issue two statements on her website denying both crimes. Below are some of the many lies that Patton West spouted in Montana...

1. [She was called to 'serve' the world at age 7.](#) Fact. Prior to declaring herself an Ascended Master in 1991, Patton West was, according to witnesses, a pot grower, drug dealer, con artist and ex-bankrupt. Read what victims [Jeremy Samuelson](#) and [Satya](#) had to say about Patton West's "service." Patton West is a 'service to self-entirety' as any review of her actions clearly shows.

2. [She has been prepared for thousands of years to guide humanity.](#) Fact. As indicated above, Patton West is either criminally insane, or so sure no one is going to challenge her lies, that she goes for broke. Any study of the following web pages makes clear that most every life she has touched, has been 'guided' to ruin. [The Lies](#). [The Crimes](#). [The Fake Bio](#). [Evidence of Insanity](#).

3. [As the light that stands behind leaders and world servers across the globe.](#) Fact. Patton West is a pariah amongst real service to other entities. If she were involved with any 'leaders' or 'world servers' you can bet that she would shamelessly use their names and images on her website. The fact is, that like her other claims that she was "[holding open the gates of time](#)" and that "[the Christ gave her two doctorates in person](#)" it is all lies and propaganda.

4. [As a planetary regent, her auspicious presence offers the rare opportunity for private mentoring and audiences for initiates world servers and spiritual protégées.](#) Fact. This is all bullshit. In reality, these lies and the accompanying propaganda are used by Patton West to attract potential victims into the 'kill zone.' Once the wealthy amongst attendees to her 'private sessions' have been identified, they are targeted for fraud and or extortion.

Review this posting made by Patton West of [‘Sacred Sundays’](#) to be held at the home of senior cult member, Dr. Julio E Williams MD. Victims are made ill by Patton West using her [secret weapon](#) and then asked to pay six figure sums to be cured. Patton West was charging \$500,000 for this ‘service’ in 2002. Listen what Patton West’s [personal assistant](#) had to say about this.

5. [As an instrument of mercy she offers the phenomena of divine grace healing \(and dispensation of karma\).](#)

Fact. There is nothing divine or graceful about Patton West. On the contrary. Patton West is a vicious and cruel psychopath and quite possibly a serial killer. Here are four examples of Patton West’s violent assaults upon members of her cult or cult member’s children. Dr. Pat Cole MD repeatedly hit over the head with the heel of Patton West’s shoe until blood ran down the victim’s blouse. The [Whitefish Pilot](#) newspaper has details. Susannah Felder partially scalped by Patton West after Susannah questioned Patton West about an \$80,000 donation Patton West stole from the charity she later bankrupted. Read what witness / charity board member [AJ White](#) had to say. Beatrice McGuire had part of her ear ripped off after calling out one of Patton West’s lies in front of an audience of scores of attendees to one of Patton West’s gatherings. As witness [Debra Coffey](#) points out, the victim needed plastic surgery for her injuries. Then there is [Ingrid Smith’s](#) six year old son who was assaulted by Patton West.

Then there is the murder of student [Lisa Swidler](#), who was silenced to stop her going to the police about crimes she witnessed against other cult members.

6. [The Rishi Collection. Fine Art, Sacred Heirlooms and Antiquities.](#) Fact. After Patton West’s charity was [struck off](#) for fraud in January 2004, and with several lawsuits against her, she defrauded the charity out of its largest single asset; a property worth \$1,250,000 (as valued in 2002). This asset’s ownership was transferred to a private trust fund she had set up for herself and her eldest son, Rob Meador. The purpose of the trust fund was to hide the asset from her creditors which did not work, as in 2008, a judge arranged for the sale of the property at a [Sheriff’s Sale](#) to force Patton West to pay for \$2,000,000 worth of court fines and interest that she owed her creditors. Also in 2004, Patton West stole \$4,000,000 in artwork and valuables owned by the charity, which like the property, were largely funded by public donations. When questioned about the artwork and valuables in court under oath in 2009, Patton West denied their existence stating that they were lost or stolen or carted away.

Read the court transcript of [her statement](#) given while being deposed by the whistleblower’s lawyer. In 2014, after the expiration of the statute of limitations on theft, the items magically appeared being offered as part of a [moving sale](#). [Many of these items](#) were featured on her website.

Above: The path taken by Dr. Pat Cole MD has been taken by scores or hundreds of victims of theft, fraud, extortion and mental and physical abuse. Before entering the 'meat grinder' Dr. Pat Cole, an alleged Whirlpool heiress, was worth \$1.5 million. After being spat out the other side she was \$50,000 in debt and allegedly filing for bankruptcy. She was lucky to escape with her life.

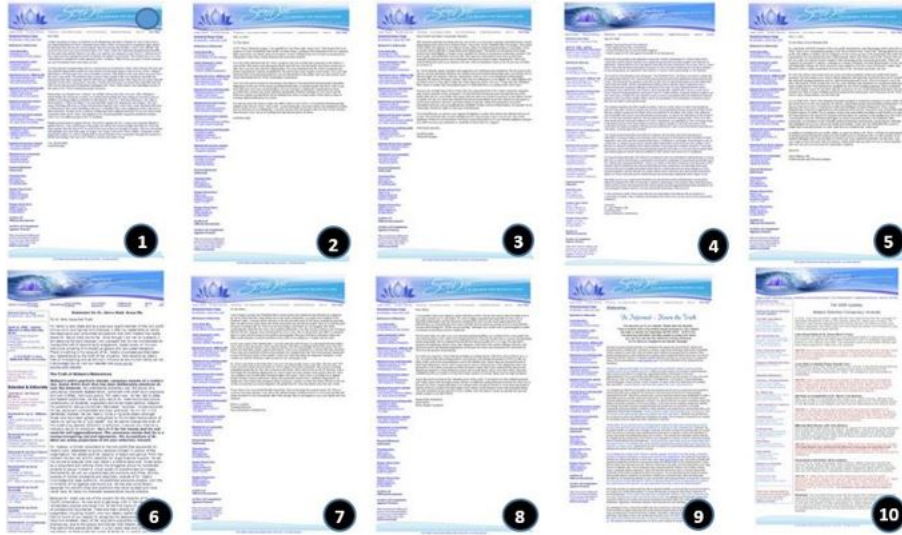

7. The vicious assault on Dr. Pat Cole MD Part 1. Within a couple of days of assaulting Dr. Pat Cole MD in early April 2017, Patton West issued a written statement to her entire mailing list entitled [‘The Law of Severity on the Path to Purification.’](#) Patton West admitted the assault and admitted it was severe, but went on to justify the assault by asserting that Cole was a Nazi in the WWII death camps in another lifetime! Have we said that Patton West is bat shit crazy and should be confined to a mental institution? No mention of the \$1.3 million that Patton West was extorting from Cole at the time. We have Patton West’s written admission of guilt, but reading Carlida Finch’s [witness testimony](#) about overhearing Patton West discussing Cole’s murder adds to the very real sense of danger faced by anyone associated with Patton West.

7	Q. Isn't it true that there is currently pending
8	against you in Flathead County a misdemeanor assault
9	charge?
10	A. That is true, however, that is associated
11	with a financial dissolution wherein the individual
12	embezzled, misappropriated funds, so he committed fraud
13	and there's a lawsuit -- a counter lawsuit for her as
14	well.
15	Q. And you assaulted that person?
16	A. Absolutely not. No way, no how -- absolutely
17	not.

By some freak coincidence, the [Whitefish Pilot](#) newspaper article about the assault on Cole was published on July 12 2007, the very same day that Patton West was attending court as a witness for her son, Chris Haywood. Go [here](#) to read the court transcript of Patton West’s testimony.

When asked in court by counsel if she had assaulted Dr. Cole MD, Patton West replied, “No way, no how— absolutely not!”

Within days of the [Whitefish Pilot](#) article being published on July 12 2007, Patton West’s website started to fill up with statements of denial. Both Patton West and members of her cult all denying that she has assaulted Dr. Pat Cole MD. Leading the charge were the usual suspects i.e. senior cult members, Geoffrey Reynolds CPA and Julio E Williams MD, who between them had sent no less than five letters to the Whitefish Pilot editor vilifying him, wait for it, for religious persecution!

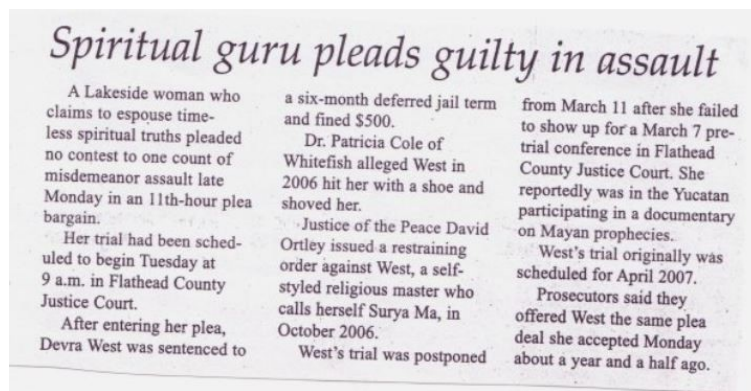

Above ten statements of denial all, as if by magic appearing on West's website on the same day. These statements in response to the two newspaper articles printed in the Whitefish Pilot & Bigfork Eagle newspapers in 2007.

You can read these statements in full by following the links below. These statements may well have been written by Devra West but attributed to the members of her cult. They all seem to have one author. No one would have the nerve to complain lest they too become targets.

- 2. [Geoffrey Reynolds 2](#)
- 3. [Geoffrey Reynolds 3](#)

8. The vicious assault on Dr. Pat Cole MD Part 2. Patton West was convicted of the assaulting Dr. Pat Cole MD in April 2008. A scanned copy of the court documents can be reviewed by going [here](#).

Patton West's response to news of her conviction for assault appearing in a local newspaper was to post a statement on her website denying the conviction. She even states that the court dismissed the 'bogus assault case' which is a total lie.

Court Rules to Dismiss Bogus Assault Case:

All allegations have been expunged from court records. Irregularities perpetrated by Cole to court officials, more than indicated Cole's direct involvement in the conspiracy to entrap and discredit Dr. West. The allegations were dismissed as implausible.

TRUTH: Cole's misguided attempt to entrap Dr. West was a ploy motivated by Cole's need to cover-up her own in-depth financial fraud, as well as to hide her medical malpractice issues that had been divulged to Dr. West. Cole, a medical doctor, resented Dr. West's refusal to allow her to attend a healing training program, due to Cole's lack of morality and professional integrity.

9. Patton West characterized her business interests as multi-billion dollar enterprises. While being questioned in court, Patton West lied by characterizing her business interests as multi-billion dollar enterprises. Go [here](#) to read the court transcript of Patton West's testimony.

```
15 |           Q.  Okay.  On the last page of this exhibit --
16 | first of all let me ask you some questions.  Is it fair
17 | to characterize your company as a multi-billion dollar
18 | enterprise?
19 |           A.  Correct.
```

Like the rest of Patton West's testimony, her answer to the court was a lie. As the [Whitefish Pilot](#) newspaper article published that very day, makes clear Patton West was in debt. The following is a quote from the that news article.

Here in the Flathead, West ran into problems over several properties where she lived. On June 1, she was evicted from a \$2 million Lakeside waterfront home when she failed to pay a second \$50,000 down payment. She then moved into another Lakeside with her son and daughter-in-law. "All she got out of the house was her cat," said Larry Phillips, a Realtor with Land Rush Realty. When asked about the eviction, West said a few weeks away from home were worth the trouble. She claims to be negotiating a better deal on the property due to a water rights dispute. According to court documents, West is behind in payments on the second home.

A month later, a second newspaper article was published by the [Bigfork Eagle](#) newspaper. Which categorically showed that Patton West was not a billionaire, not a millionaire and not even solvent. The following is a quote from that article.

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millennium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute. Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a \$2,287 lien against her for failing to pay unemployment taxes for her Montana employees.

An in depth analysis of both newspaper articles can be found [here](#). In 2008 Patton West was the subject of a Sheriff's Sale to force her to pay past creditors \$2,000,000 in court fines and interest. In 2009 Patton West, while being deposed by John Watson's lawyer (the whistleblower), admitted that she was \$2,000,000 in debt. Go [here](#) to review her statement and scroll down to page 24 of the transcript.

10. John Watson's fraud lawsuit against Patton West. In spite of written intimidation from cult member Dr. Julio E Williams MD in January 2007, in spite of false witnesses brought against him, in spite of a plot to murder him announced to the press by cult member Geoffrey Reynolds on August 9 2007, John Watson won his fraud lawsuit against Patton West. In October 2008, John Watson received [judgment](#) against Patton West for defrauding him and shortly afterwards, was [awarded](#) \$736,000 by the Montana court. In response to the [Ravalli Republic](#) newspaper announcing Watson's win in court against Patton West, Patton West posted the following statement on her website.

Millennia Mind Dispute with John Watson:

Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam.** Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

Patton West refers to Watson's win in court as a 'technical' error. She states that there were no business contacts between her and John Watson and that his legal dispute was fabricated as part of an extortion scam by Watson! The following evidence shows beyond all doubt, that there was a business relationship between Patton West and Watson.

1. [Business cards](#) and stationery printed for Patton West and Watson.
2. [A Bank Guarantee](#) entered into by Patton West and Watson with Cactus design agency.
3. [A letter](#) from Patton West's then husband Jack West confirming to the Immigration and Naturalization Service (INS) that Watson was employed by Patton West.
4. [A letter](#) from Patton West to her lawyer asking him to dissolve the business relationship with Watson.

1. As a “regent of the spiritual hierarchy” etc. This is just bullshit like her assertion that she is [The Regent of the Masters](#) (i.e. above Jesus Christ), [The Western Regent](#) (spiritual overlord to the western hemisphere), [The Mother of Ten Thousand Suns](#), [The Mataji](#), [Divine Mother](#), she has been preparing [to lead humanity for thousands of years](#), is [holding open the gates of time](#) and who received her two doctorates [from the Christ in person](#) etc.

A PATHOLOGICAL LIAR

2. Five years from now, Patton West will be recognized as one of America’s most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson who Patton West tried to murder in 2007.

FANTASY! FANTASY! FANTASY! FANTASY!

PATHOLOGICAL LIAR & WILLING ACCOMPLICE IN RACKETEERING & MURDER

"I, Julio Williams MD have been a long time student of Surya Ma (now calling herself Rishi Devra after being forced to leave Montana in 2010) and I stake my honor and credibility on defending her personal integrity and establishing the truth."

Statement by Dr. Julio E Williams MD posted on Devra West's website on March 23 2005.

Julio Williams Om Shri Rishi Ma Addi Ma Mataji!
Forever grateful to the living Rishi of the Solar lineage. You who are the embodiment of that light May you continue to be the beacon of light for the destiny souls that are called to world service.
No words will ever describe the gratitude I feel for your selfless sacrifices to open the way to those us who would take thy hand as we learn to embrace ourselves through service to humanity.

What follows are a few examples of the vicious, cruel and spiteful character that dominates Patton West's psychopathic personality and her sordid family life.

Susannah Felder. In July of 2001, employee Susannah Felder challenged Patton West about an \$80,000 donation that she had stolen from the charity 'The Circle of Divine Unity.' Patton West's reaction was a frenzied attack upon Susannah that ripped clumps of hair from the victim's head. You can read ex-board member AJ White's [account](#) of what happened. Patton West's charity was [struck off](#) for fraud in January 2004, after the whistleblower John Watson gave evidence to the Montana Secretary of State.

DANGEROUS PSYCHOPATH PARTIALLY SCALPS EMPLOYEE

Beatrice McGuire. Beatrice was a student of Patton West's who attended a seminar held in Montreal in 2002. During the presentation, Beatrice challenged Patton West on an obvious lie in front of the audience. Patton West's response was to grab hold of Beatrice's head and shake it so violently that part of her ear became detached from her head. Student [Debra Coffey](#) who was present when it happened gave an account of the incident. As Debra explains in her statement this happens quite regularly and on occasion Patton West blames God for her actions.

DANGEROUS PSYCHOPATH TEARS STUDENTS EAR

Ingrid Smith's son. Ingrid Smith is a first-hand witness to Patton West's financial misappropriations and her mental and physical abuse of employees and students. Ingrid was also witness to the psychological techniques which she says were nothing short of a form of brainwashing. In Ingrid's [statement](#), she refers to Patton West as a charismatic leader who declares themselves above God, and rationalizes all activity for the self-aggrandizement of self, including all forms of abuse and manipulation. Ingrid also says she has knowledge of Devra's psychological profile. She never got over her severe childhood abuse and hence, became the abuser and controller in her life. She is psychologically unstable. If you research child abuse and the ramifications of the behaviors, she falls right in line with the behaviors and is a classic case of the abused child. Ingrid's assessment mirrors Satya's assessment, who in an [email to John Watson](#) described Patton West as a brilliant, powerful, manipulative, delusional psycho/socio path. A sociopath that defrauded Satya out of \$6,000.

DANGEROUS PSYCHOPATH ASSAULTS 6 YEAR OLD BOY

Dr. Pat Cole MD. Cole was repeatedly hit over the head with Patton West's shoe, as part of a campaign of violence to literally beat \$1.3 million out of Cole. [The Whitefish Pilot](#) newspaper gives an account of the assault. Another employee, Carlida Finch, overheard Patton West planning Cole's murder; go [here](#) to read her statement to the authorities. Cole got a reprieve after handing over every penny she had, including another \$50,000 she was forced to [borrow from her aunt](#). Another employee gave an account of the crimes being committed against Cole (and others) by Patton West. Go here to read her harrowing email entitled '[Help Me.](#)' As another [email from this witness](#) makes clear, scumbag Geoffrey Reynolds witnessed all of these crimes in progress but refused to help the victims or go to the police. Instead, he focused on saving his CPA license and his marriage. Both these are about to vanish.

DANGEROUS PSYCHOPATH ASSAULTS FEMALE PHYSICIAN WITH REPEATED HITS TO THE VICTIM'S HEAD WITH HER SHOE

Patton West & her son Chris Haywood This would be the porn loving, wife beating son with a police record for forgery, substance abuse and motor vehicle convictions. This would be the son who, while seeking custody of an infant female child from his first marriage to Kendal Haywood, got his 17 year old girlfriend pregnant and forced her to have an abortion, because it would not look good at the child custody court hearing. This was the son who broke the nose of his pregnant girlfriend because he thought she was 'hitting' on other men. This was the son who, according to his ex-wife Jamie Haywood, would 'jerk' himself off in front of the TV while watching porn while children and her girlfriends were in the house. This was the son who while in a physical altercation with his mother (the self-appointed planetary regent Patton West) grabbed her by the neck and held her up against a wall. Patton West's response was to [lick her son's face from top to bottom!](#) The apple as they say does not fall far from the tree!

All of this information comes from the testimony of Jamie Haywood, who had the misfortune to marry into the family from hell. To read Jamie Haywood's statement to the court, go [here](#) to the second part of the court transcript and scroll down to page 85.

DANGEROUS PSYCHOPATH WHILE BEING HELD BY THE THROAT AGAINST A WALL BY HER VIOLENT SON LICKS HIS FACE FROM TOP TO BOTTOM!

Patton West's daughter-in-laws Kendal Haywood & Jamie Haywood. Put simply, the same [secret weapon](#) that is used to force students and employees to empty their bank accounts into Patton West's, was used against these two women to force them to give up their infant daughters to Patton West's porn loving, wife beating son, Chris Haywood. Jamie Haywood mentions the occult attacks Patton West launched against her in her court statement and in an [email](#) she sent the whistleblower, John Watson, the day before the court hearing.

This same secret weapon is NOW being used to target wealthy potential victims in Sedona AZ. The scam works like this. Patton West identifies a wealthy attendee to her 'private intensives' or 'private audiences', she then tells them they have a developing cancer or brain tumor which she can cure for a King's ransom. If the target does not believe what they are being told, she uses her secret weapon to induce migraine headaches, heart palpitations, partial paralysis and hey! Presto!, they become believers and make a 6 figure donation to her via her website 'pay portal.' Dr. Julio E Williams MD is often on hand to add credibility to her lies and propaganda – see below. This is the same weapon used against the whistleblower and his family, and anyone else who goes public about her criminality. Threats, a campaign of covert violent assaults and if that does not work murder.

We have an extensive [bulletin](#) dedicated to how Patton West uses of her secret weapon to subvert court cases. In this case, the two child custody court cases involving her son and two ex-daughters-in-laws.

DANGEROUS PSYCHOPATH TARGETS SON'S EX-WIVES WITH CAMPAIGN OF VIOLENT INTIMIDATION INTENDED TO SUBVERT TWO CHILD CUSTODY COURT CASES. SHE SUCCEEDS WITH ONE.

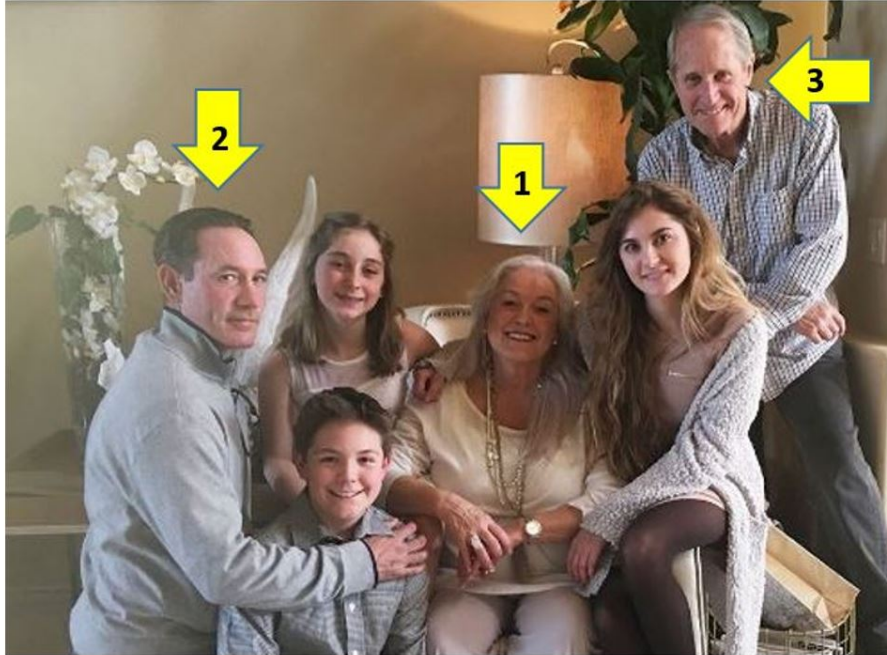

Upon arrival in Arizona Patton West wants everyone there to believe that 'Rishi's life expression is a living legacy of enlightened householding.'

<p>MODERN ENLIGHTENMENT</p> <p><i>The Mother and Grandmother</i></p> <p>Mataji Rishi's life expression is a living legacy of enlightened householding. Integrated and engaged, yet free of ego and attachment, the Rishi has pioneered not only feminine enlightenment in the West but also enlightened family life. Her mastery of the Supreme Raja of Divine Logic brings her illumination to all life circumstances. Guiding children and grandchildren alike, the Mataji is an integral part of the family and a guiding light for bringing enlightenment out of the cave and monastery into the heart of modern enlightenment.</p>

Can you believe this bullshit! Enlightened householding! Free of ego and attachment! The 'Western Regent,' the 'Mother of Ten Thousand Suns,' the 'Teacher' and 'Divine Mother' but NO EGO! The bitch is bat shit crazy!

Below is a photo of her 'family' which is posted on her website [here](#). This, like all the other lies are part of the propaganda used to lull the public into thinking this vile creature is a guru. Since Patton West has posted this photo on her website and in doing so made it public, we have no qualms in breaking down the illusion that this photo represents the truth.

Above: (1) Patton West, the criminally insane narcissist who wants us to believe she has been preparing to lead humanity for thousands of years. (2) Her son, Chris Haywood (see two paragraphs dedicated to him above). (3) Jack West, a pathological liar who has been a central part of Patton West's criminal racketeering business model for over four decades.

FANTASY! FANTASY! FANTASY! FANTASY!

The Patton West family is a crime family just like the TV series the Sopranos.

Patton West's business model involves theft, fraud, extortion and murder. However, Patton West has a huge advantage over Tony Soprano in that the weapon she uses to facilitate theft, fraud, extortion, intimidation and murder is not recognized as a weapon by legal statute. This explains why Patton West is still at large after 30 years or organized crime. As with the Mafia, 'if you mess with the dough you gotta go.' Which is why when fraud victim John Watson went public with information like you are reading now, she conspired with Geoffrey Reynolds and Julio Williams to murder Watson. Patton West was so certain that the murder of Watson would succeed, and that she would not be held accountable, she instructed Reynolds to announce Watson's impending murder to a local newspaper a week before she made her failed attempt on Watson's life.

To understand Jack West's role in Patton West's criminal racketeering business model, I would suggest the reader review the following four documents; all of which show Jack West to be a pathological liar.

1. After discovering John Watson's website in 2007, Jeremy Samuelson wrote to Watson via [email](#). In the email, Samuelson referred to Jack West as his land partner, a timid man with little experience. He goes on to say that she overwhelmed him and was soon running him. Though now divorced, Patton West is still very much 'running' Jack West. Samuelson loaned Devra and Jack West \$10,000 and was never repaid. Samuelson knew them back in the 1970's & 1980's. They have been robbing, defrauding and extorting money ever since that time.

2. [AJ White's](#) statement about the 2001 assault on Susannah Felder (featured above) shows how Jack West lied about what actually happened and in so doing, suggested that the victim, who was partially scalped, was to blame for the assault. All the victim did was ask Patton West why she was stealing \$80,000 to pay for Chris Haywood's (see (2) above) legal fees, which had nothing to do with the charity.

3. When giving evidence at the fraud trial in 2007, involving his then wife, Patton West and John Watson, Jack West told the court that Watson forced him to write [the letter](#) to the Immigration and Naturalization Service (INS) proving Watson was employed by Patton West. Watson's lawyer stood up and asked Jack West if he realized that to falsify a statement to the INS could result in 10 year jail sentence. Jack West withdrew his lie.

4. Jack West was totally aware and directly involved in theft, fraud and extortion. He was totally aware of the overt and covert violence administered to countless victims in New Mexico and in Montana, to force them to 'donate' their wealth to fund Patton West's luxurious lifestyle. As the photo above shows, he is still involved in the crimes being committed in Arizona. After Patton West was found guilty of assaulting Dr. Pat Cole MD and, after Patton West was found guilty of defrauding John Watson (who had turned whistleblower and put up a website dedicated to Patton West's crimes) three newspaper articles were published about these lawsuits. In response to the stories published by the [Whitefish Pilot](#), [Bigfork Eagle](#) and the [Ravalli Republic](#) newspapers, Jack West posted a lengthy statement on behalf of his then wife. You can read his entire statement by going [here](#). Below is the first paragraph or so of that statement.

Statement for Dr. Devra West, Surya Ma

To All Who Value the Truth,

My name is Jack West and as a previous board member of the non-profit Divine Unity and Sacred Arts Institute, I offer my statements to refute the despicable and unfounded accusations that John Watson has made about Dr. Devra West-Surya Ma. Even though I am her ex-husband, I am stepping forward because I am outraged that he has orchestrated an implausible raft of tabloid-style allegations, based solely on his own malicious scripting of trumped-up gossip and calculated deception. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be. I encourage you to visit our rebuttal site www.surya-source.com/rebuttal.

The Truth of Watson's Malevolence

Watson's entire psychotic slander campaign smacks of a modern day, Salem Witch Hunt that has been deliberately plastered all over the Internet.

We would ask the reader to review this bulletin. Start with the [crimes listed](#) above that occurred in Montana, then read the [lies listed](#) above about what happened in Montana. Then review the acts of [violence listed](#) above. Then ask yourself if you agree with the statement that pathological liar Jack West made about his wife:-

"She remains utterly free of wrongdoing and as ethically virtuous as any human being can be."

Above: Run out of New Mexico at the point of a gun in 1995. Forced to leave Montana in 2010 after two arrest warrants, a conviction for assault and after several visits to court as the defendant in fraud related lawsuits.

FANTASY! FANTASY! FANTASY! FANTASY!

Thanks to pathological liars like Jack West, Julio Williams and Geoffrey Reynolds, Patton West has been getting away with murder literally for 30 years! Whether civil court cases or employment tribunals, victims stand little chance of getting justice, as all Patton West has to do is to flood the proceedings with false witnesses who will all swear her innocence. If anyone still doubts that Devra Patton West is a hardened criminal / suspected serial killer, then listen to what she had to say to fraud victim, John Watson, when he announced he was going to sue her for fraud. The following are two excerpts which were taken from a [44 minute audio recording](#) of their meeting in March 2003.

1. [West says that the truth does not actually matter.](#) *

**If she can persuade the public via her website and social media postings that her lies are their truth. HELLO! IT'S A CRIMINAL RACKETEERING BUSINESS MODEL!*

**If she can persuade a judge and jury (with the help of 'liars for hire' Jack West, Geoffrey Reynolds CPA and Dr. Julio E Williams MD) that her lies are truth. So murdering whistleblower John Watson was essential to hiding the truth from Arizona public. HELLO! IT'S A CRIMINAL RACKETEERING BUSINESS MODEL!*

2. [West says she feels stabbed in the back and f*cked up the arse by Watson's insistence that West pay her the \\$50,000 she owes him.](#)*

**Patton West says (shrieks) that if Watson sues her she will get so f*cking down and dirty, huge expenses coming out of his pocket and not hers. Not hers because members of her cult / criminal gang will pay her legal expenses. In January 2007 senior cult member Dr. Julio E Williams MD sent a threatening email to Watson in an attempt to intimidate Watson into dropping his lawsuits against Patton West.*

In his threatening email, senior cult member Dr. Julio E Williams stated that he had set aside \$2,000,000 for Patton West's legal fees. In March 2007, John Watson received a [harrowing email](#) from one of Patton West's employees, also the subject of violent intimidation, which stated that Dr. Julio E Williams had just 'donated' \$100,000 to Patton West. Clearly, this was a 'down payment' on Patton West's legal expenses as in 2010 Patton West (and cult / gang member Geoffrey Reynolds) launched [multiple frivolous](#) (without merit) lawsuits against Watson two years after he won his [fraud lawsuit](#) against Patton West in 2008. The purpose of the lawsuits was to bankrupt Watson into silence where the 2007 murder plot had failed.

Why would Dr. Julio E Williams MD, a total stranger to Watson, put up hundreds of thousands of dollars to fund Patton West's legal costs? Why would Geoffrey Reynolds, a total stranger to Watson, announce Watson's impending murder in 2007 and then in 2010 make [totally false statements](#) to a Montana court as instructed by Patton West?

HELLO! IT'S A CRIMINAL RACKETEERING BUSINESS MODEL!

If they cannot intimidate you, or murder you they 'buy' the law they want by 'outspending' you in court which is exactly what Patton West said would happen during her meeting with Watson in March 2003 if he sued her.

What we need is a criminal investigation that will look into her behavior over the past 30 years. Anyone doing so will see a pattern of crime that ranges from wire and mail fraud to theft, fraud, extortion to multiple murders.

Above: Patton West a criminally insane narcissist who believes that she is a god on a mission to lead humanity. Her only credentials for this belief is the fact that for the past 29 plus years she has robbed, defrauded and extorted money from scores of victims recruited into her cult with almost zero consequences for herself. She treats the police and law courts with utter contempt knowing that she can secretly intimidate victims and hostile witnesses and field false witnesses from her cult.

Far from remaining free of wrongdoing, Patton West's acquisition of occult (hidden) knowledge between 1990 & 1991 while attending the [Robert Jaffe School for Energy Mastery](#) (itself a cult) leveraged her criminal tendencies. In possession of a secret weapon, Patton West formed a cult around herself and forced the sheeple to fundraise for 'save the world projects' which never came to fruition, as all the money went into her pocket. In addition to fleecing the rank and file members of her cult, Patton West sought to land bigger fish like Dr. Pat Cole MD, from whom she extorted Cole's entire net worth estimated at \$1.3 million. Her [secret weapon](#) was used to keep a strict code of secrecy and was used to persuade members of the cult to give false witness against any victim who went public or went to the police.

Patton West is not shy about declaring to those trapped inside her cult what their role is, (see below) even to the point of telling them in writing that their 'financial withhold' must be corrected.

Here are the links to documents that Patton West sent to the members of her cult, basically telling them to empty the contents of their bank accounts into hers or else! [“It will be your privilege to seed my financial transition.”](#) & [“The withhold of personal resources must be corrected.”](#)

One may ask why those in her cult remain captive? Why don't they escape? There are many answers; what follows are two.

1. They have been subject to classic CIA brainwashing and conditioning which involved breaking the target's will and then rebuilding them as obedient droids, who submit to the will of the guru. Ex- cult member, Debra Coffey, explained how this worked in a [statement](#) she gave to the whistleblower John Watson.
2. Most cult members have given up all their friends and outside interests and much of their capital, so have nowhere else to go.

Victims like the whistleblower John Watson, who refuse to go away empty handed after being defrauded, become the target of threats and intimidation. Those who do not succumb to intimidation are targeted for murder. Unfortunately for Patton West, ex-marines are hardy folk and somewhat difficult to take out.

Above left to right. Occult thief / suspected serial killer Patton West. Ex-student Lisa Swidler murdered to keep her quiet. Fraud victim turned whistleblower John Watson targeted because he went public. An employee overheard Patton West planning Dr. Pat Cole's murder. Ex-student Marion Cantwell a victim of extortion was told she would be killed if she went to the police.

Lisa Swidler was murdered to keep her quiet after she witnessed Patton West defrauding student [Dave Kushner](#) out of \$30,000. She also witnessed Patton West kidnapping, holding captive and beating student [Marion Cantwell](#), who had just sold her house. Cantwell was only released after making a large 'donation' to Patton West and upon release, she was told that if she went to the police she would be murdered. On the subject of murder as stated earlier, employee [Carlida Finch](#) overheard Patton West planning the murder of Dr. Pat Cole MD, who got a reprieve after emptying her entire net worth into Patton West's bank account.

What we are saying loud and clear, is that **Patton West is a murderer and quite possibly a serial killer. Jack West told John Watson in 2002, that those who crossed his then wife, had a habit of dying suddenly. Everything we have observed since confirms he was telling the truth!**

In addition to senior cult member and 'liar for hire' in-chief Jack West, two other senior members of Patton West's cult / criminal gang played a key role in Patton West's conspiracy to murder John Watson and when that failed, conspired with her to bankrupt him into silence. They are ass-licker in-chief [Dr. Julio E Williams MD](#) seen on bended knee below, and scum bag [Geoffrey Reynolds CPA](#).

I, Geoffrey Reynolds CPA, am honored that Rishi Devra (AKA Patton West) allows me to help her global awakening move forward.

Quote from Geoffrey Reynolds posting on social media 2014.

I Julio E Williams MD (on bended knee) have been a long term student of Patton West's and I stake my honor and credibility on her personal integrity and establishing the truth.

Quote from Dr. Julio E Williams MD 2005.

Above: Geoffrey Reynolds CPA & Dr. Julio E Williams MD both pathological liars, both directly involved in the attempted cover up of Patton West's violent assault on Dr. Pat Cole MD and the extortion of \$1.3 million from Cole by Patton West. Both involved in Patton West's 2007 conspiracy to murder whistleblower John Watson and when that failed both directly involved in the 2010 conspiracy to bankrupt Watson into silence. All this effort to stop the public accessing truth about Patton West's criminality.

Williams is a 20 year student of Patton West's unaccredited school for occult studies, a major contributor to organized crime, who has been directly involved in racketeering and complicity to commit murder since 2005. Geoffrey Reynolds CPA joined Patton West's 'employ' in September 2006 and only found out that her corporation was a front for organized crime after loaning her \$300,000. As this fellow employee [points out](#), Reynolds had no choice but to dance to whatever tune Patton West sung. Not only did he turn a blind eye to the crimes being committed right under his nose by Patton West, he willingly became complicit in the plot to murder John Watson. Reynolds was so sure Watson would be murdered, that [he announced it](#) to the press, days before Patton West made her failed attempt on Watson's life. When the murder plot failed, Reynolds doubled down on his treachery by making totally [false pleadings to a Montana court](#) as part of a \$10,000,000 extortion scam orchestrated by Patton West. Go [here](#) for details.

Both Williams & Reynolds knew that Patton West had defrauded Watson, not least because there was an audio recording on Watson's website of Patton West admitting the fraud.

Below are a selection of excerpts from a lengthy recording of a conversation Watson had with Patton West in March 2003, days after Watson announced he was suing Patton West for defrauding him. Patton West did not realize that Watson was recording the conversation.

**WARNING FOUL LANGUAGE FROM CRIMINALLY

2. [West agrees she has defrauded John Watson but does not see herself paying him!](#)
3. [West says that the truth does not actually matter if she can convince the public that her lies are their truth.](#)
4. [West acknowledges that she is a control freak and admits to disposing of people like used Kleenex.](#)
5. [West goes berserk and in an expletive laden tirade accuses the whistleblower of exploiting her vulnerability!](#)
6. [West says she feels stabbed in the back and f*cked up the arse by Watson's insistence that West pay her the \\$50,000 she owes him. West has an emotional melt down and leaves in hysterics!](#)

Both Williams and Reynolds were complicit in Patton West's attempt to murder Watson. When the murder plot failed, both Williams & Reynolds conspired with Patton West to bankrupt Watson into silence.

Williams funded the legal costs of mounting multiple frivolous (without merit) lawsuits against Watson, knowing he could not afford to travel to the US to defend their lies. For his part, scumbag Reynolds went before a Montana court and submitted totally false pleadings as part of a \$10,000, 000 extortion scam designed to bankrupt Watson for telling the truth!

Motive? To remove all the information you are reading here from the internet, so upon arrival in Arizona her lies and propaganda would not be contradicted by the truth.

1. Julio I wish I had never told the news reporter about John Watson's impending murder!

2. I wish I had never told the reporter that Devra West would launch a campaign of occult violence against Watson and his family that 16 years later is ongoing!
It makes me look guilty as hell!

3. I know Geoff, John Watson has sent me nearly 400 emails complaining about the 'under the radar' violence directed at him and his family. If the FBI search my email account we are all going to jail for decades.
We have no choice but to keep 'marketing' Devra West to the public as a guru even though we know she maybe a serial killer.

4. Yes let's stick to the lines she gave us and hope that she can murder John Watson before the FBI investigates us all.

5. Yes I'll ignore his emails maybe after 16 years he'll go away or die suddenly

 "Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."
Geoffrey Reynolds CPA 2014

 "There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."
Julio Williams MD 2017

Below are the parts Williams & Reynolds played in Patton West's plot to murder Watson and when that failed, conspired with her to bankrupt him into silence.

1. Though Watson was a total stranger to Dr. Williams he, no doubt at Patton West's behest, defamed Watson in 2005, and then in 2007 sent Watson a threatening expletive laden email promising to make available \$2,000,000 of his own money for Patton West's legal fees.

2. Williams receives his copy of 'The Law of Severity on the Path to Purification' (Patton West's written admission of that she had assaulted Dr. Cole MD) 15 months earlier in April 2006.

3. In a March 2007 [harrowing email](#) from Patton West's office manager Rebecca West (no relation to Patton West) it is confirmed that the only person giving Patton West money is Dr. Julio E Williams MD, who had just given Patton West \$100,000. Was this a down payment on the \$2,000,000 he promised Patton West so she could fight John Watson's fraud lawsuit?

4. As explained above, when the Whitefish Pilot newspaper article was published Williams posted two statements of denial, even though he had received his copy of her written admission of guilt sent to him 15 months earlier on 17 April 2006.

"I, Julio Williams MD have been a long time student of Surya Ma (now calling herself Rishi Devra after being forced to leave Montana in 2010) and I stake my honor and credibility on defending her personal integrity and establishing the truth."

Statement by Dr. Julio E Williams MD posted on Devra West's website on March 23 2005.

5. On August 9 2007, senior cult member Geoffrey Reynolds announced Watson's murder and also announced a campaign of occult 'under the radar' violent intimidation against Watson, his wife and children. Dr. Julio E Williams MD has received over 500 emails from Watson (with copies going to Reynolds) complaining about the ongoing campaign of attempted intimidation. Williams has so far refused to pass them on to the police, hoping that Patton West may yet still be able to 'silence' Watson.

6. Dr. Julio E Williams MD continues to supply Patton West with an endless supply of dishonest '[testimonials](#)' whose only purpose is to entice and entrap more victims.

7. Dr. Julio E Williams has shown himself to be directly involved with Patton West's fraud scam which involves her selling fake cures for cancer. Williams, a 20 year student of Patton West's unaccredited school for occult studies, knows that the same occult weapon being used by Patton West to silence dissent is also used by her to make wealthy targets ill who are then charged enormous sums of money to be 'cured.' Williams has even provided [his own home](#) as a venue for these crimes to take place.

It is clear, like the character 'Chancellor Palpatine' in the Star Wars trilogy, that Patton West is not what she appears to be. Indeed, the FACTS show that she is the very opposite of what the propaganda on her website seeks to portray to the public. The illusion presented on her website and Facebook pages can be quickly dispelled by reviewing the FACTS about her sordid private life. On her website, she has a propaganda piece entitled 'Rishi's Enlightened Householding.' Like the rest of her website, it is a pack of lies, a total fantasy. Start [here](#) to review the truth about her home / family life compiled from newspaper articles, court records and from victim and witness statements.

Above from left to right: The evil occultist and mass killer Darth Sidious would masquerade in the daytime as the respectable Chancellor Palpatine. Patton West, a vicious and violent criminal and suspected serial killer, masquerades in front of the public as a 'divine being.' This criminally insane narcissist has been prepared to murder to quash dissent and preserve her delusions.

We will leave it up to law enforcement and the psychiatrists to decide whether Patton West is just a hard-nosed vicious criminal or is criminally insane. However, we suggest that she is interviewed / arrested ASAP and held without bail while victims and witnesses are interviewed. If she were at large while this process was being carried out, she would simply target potential hostile witnesses with her secret weapon. We know she has subverted many civil court cases in this way, including the child custody case involving her daughter-in-law Kendall Haywood. This state of affairs has been going on for decades with the result that no successful criminal prosecution has been brought against her.

The Current Fraud / Extortion Scam.

The latest money making fraud scam by Patton West and her accomplice Dr. Julio E Williams MD, involves selling miracle cures to the public in Sedona. Evidence that this is occurring now in Sedona is very compelling. Back in 2005, she had persuaded or manipulated three physicians into joining her cure the cancer scam. Apart from helping to bankroll her criminal business model, the doctors were being used to add credibility to her claims. The three physicians were Dr. Cornell, Dr. Cole and Dr. Williams. Cornell came to her senses and left, Cole as shown above was viciously assaulted on a number of occasions and had her entire net worth extorted from her estimated at \$1.3 million. Williams really took the brainwashing and conditioning to the point where he has thrown away his career and will probably go to jail for his part in her attempt to murder and bankrupt Watson.

We would provide four pieces of compelling evidence that serious crimes are being committed by Patton West and Dr. Julio E Williams MD in Sedona right now.

1. Below is an excerpt from a statement Patton West gave to the [Whitefish Pilot](#) newspaper on 12 July 2007, while she was still operating her criminal business model in Montana. The only physician left working with Patton West was Dr. Julio E Williams MD.

West claims to have been trained in shamanic visioning and healing by Native American elders and to have been both a Cheyenne medicine woman and General George Patton in past lives.

She also claims her "gifts" can heal people with various illnesses, including leukemia, and she plans to teach what she knows to cardiologists and other physicians when her plan for healing spas unfolds.

"If you ever saw me heal, you'd be down on your knees crying like a friggin' baby," West said.

2. Patton West 'advertises' miracle cure on her Facebook pages. She cannot call them 'miracle cures' so instead, she markets her miracle cures as 'divine grace healings.'

This has a nice ring about it and might be a protected phrase under religious freedom laws. Below is an excerpt from a recent posting made on her Facebook pages. You can view the full posting by going [here](#) and scrolling two thirds of the way down the page.

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers across the globe
 As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....
 ...and the karmic resolution of divine dispensation.

In spite of the scores of victims of theft, fraud, extortion and mental and physical abuse Patton West, a card carrying psychotic, insists that she is a blessing to all souls and an instrument of mercy. Apparently lies and propaganda are all allowed under religious freedom laws even if the obvious motive is mail and wire fraud, racketeering and murder.

3. Dr. Julio E Williams MD has provided his own home as a venue for prospective buyers of fake cures to come and meet his “virtual well spring of living divinity.” Dr. Julio E Williams MD remains a willing participant in fraud and extortion.

~ Our June 12th ~
Sacred Sunday with Rishi
 will be hosted at the home of Dr. Julio Williams
 7390 East Stagecoach Pass Carefree, Arizona 85377
 ~ 10 am to 12 pm ~

Above: Probably nothing to worry about that Dr. Julio E Williams MD, himself a pathological liar, is hosting a 'Sacred Sunday with Rishi' AKA Patton West. Though Williams has been a student and disciple of this con artist for 20 years surely he would not provide a venue for her and endorse her ability to deliver miracle cures for a large fee? Would he?

4. Why would Patton West need a ‘Pay Portal’ on her website capable of receiving single ‘donations’ of up to \$500,000 which coincidentally, was the price she was charging in 2002 for ‘divine grace healings’ according to [two of her employees](#) who overheard her on the phone.

Above left: Is the above ‘Pay Portal’ for donations? If so donations based on the lies and propaganda on her website amount to mail and wire fraud. We suspect, based on her activities in New Mexico & Montana the pay portal is set up to receive huge payments from victims of extortion. Above right: Photo from one of two arrest warrants issued in Montana.

Surely, she is not expecting \$100,000s of dollars to be donated to her based on the lies and propaganda on her website? That would be mail and wire fraud - would it not? But this is much more serious than mail and wire fraud. The very same [secret weapon](#) she uses to intimidate victims and witnesses into not going to the police, the very same weapon she uses to murder or try to murder those who oppose her, is used to target the wealthy. Her flashy website is like a magnet to the spiritually confused who think they need a teacher. After attending her special audiences or private sessions, those identified as wealthy are made ill and then offered a cure for a six figure sum. Look at her record with Dr. Cole MD and John Watson and others. Does this vile, despicable creature look like she cares about other people's health? If you think otherwise, go here to read [written](#) statements and [here](#) to listen to audio statements from some of her victims in Montana.

IT REMAINS TO BE SEEN WHETHER ARIZONA PROSECUTES 'WHITE COLLAR' CRIME. IT REMAINS TO BE SEEN IF THE FBI PROSECUTES 30 YEARS OF RACKETEERING AND SEVERAL SUSPECTED MURDERS.

Above: Thirty years of racketeering in three western states. Scores of victims of theft, fraud, extortion with several suspected murders and one well documented failed attempt on the life of a whistleblower who remains ready to work with the authorities. More than enough evidence to convict Patton West of racketeering and maybe enough for crimes against humanity.

In view of the above, we ask again. Should Devra Patton West be committed to a Mental Asylum or tried and executed for Crimes Against Humanity?

As for anyone thinking of attending a 'private intensive' or 'private audience' with this criminally insane narcissist, we would say this:-
