

RISHI DEVRA – RACKETEERING & MURDER

Several Suspected Murders in New Mexico & Montana.

Attempted murder of a fraud victim turned whistleblower.

Two Arrest Warrants in Montana & a Conviction for Assault.

Forced to sell all assets at a Sheriff's Sale to pay past victims of crime \$2,000,000 in court fines and interest.

Multiple visits to court as the defendant in fraud related lawsuits.

Con artist, pot grower, drug dealer and bankrupt Patton West was chased out of New Mexico, at the point of a gun by one of her victim in 1995. Upon arrival in Montana in 1995, Patton West changed her name to the Ascended Master Devra Ji. After having her charity [struck off](#) for fraud in 2004, Patton West changed her name to the Ascended Master Surya Ma. After three newspaper articles ([Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#)) highlighted her criminal activities in Montana (see some listed below) she was forced to leave Montana in 2010.

Upon arrival in Arizona in 2010, Patton West changed her name yet again to the Ascended Master Rishi Devra. If you are very wealthy and very stupid, you could book a 'Private Session' for \$10,000 or a Full Day 'Private Intensive' for \$50,000 with ~~Patton West~~ sorry, the Ascended Master Rishi Devra. See yellow arrows. Full Price List below.

MINDFUL MONETIZATION

Above red arrow. In a posting on her website entitled 'MINFUL MONETIZATION' that can be found [here](#) The Rishi, AKA con artist Patton West, explains that her 'private' work is monetized to bring [the greatest overall benefit to humanity](#).

THIRTY YEARS OF THEFT, FRAUD AND EXTORTION ALL FOR THE GREATEST BENEFIT TO HUMANITY

In reality, none of the estimated \$30 to \$50 million that Patton West has stolen, defrauded or extorted sorry monetized from countless victims over the past 30 plus years has benefitted humanity. Patton West's 'private' work has always been monetized for her benefit. It was when she was selling drugs in New Mexico. It was when she was defrauding individuals like [Satya](#) and [Jeremy Samuelson](#) out of several thousand dollars apiece. In fact, since she declared herself to be an Ascended Master in 1991, it is estimated that scores if not hundreds, have been the victim of theft, fraud and extortion. According to [one witness](#), most of the millions she acquires through organized crime (including persuading people to [mortgage their homes](#)) it is converted into easy to hide jewels, precious metals and or moved offshore.

MINDFUL VIOLENCE

Above from left to right. Employee [Susannah Felder](#) viciously assaulted and partially scalped as depicted above. Her sin was to challenge Patton West about \$80,000 Patton West had stolen from her charity to pay for her porn loving, wife beating son's legal fees (the apple does not fall far from the tree). [Beatrice McGuire](#) called out Patton West in an obvious lie in front of a large audience. Beatrice was viciously attacked and needed plastic surgery to repair her ear. Surgery that Patton West paid for. [Dr. Pat Cole MD](#) was Patton West's business partner and had promised to 'donate' 66% of her net worth to Patton West. Patton West got tired of waiting, so in a frenzied attack in front of several witnesses, Patton West beat Cole over the head with the heel of her shoe until blood ran down the victims face onto her blouse. Employee [Carlida Finch](#) overheard Patton West planning Cole's murder. Cole was allowed to live after 'donating' an estimated \$1.3 million which included signing over her home worth \$750,000 (mindful monetization in action). Far right: Fraud victim turned whistleblower John Watson was the subject of a failed murder plot by Patton West in 2007. She even got senior cult member Geoffrey Reynolds to announce Watson's impending murder to the local press a week before she made her failed attempt to murder him. The intimidation by Patton West toward Watson and his family continue to this day.

VIOLENT ASSAULTS AND SEVERAL SUSPECTED MURDERS ALL FOR THE GREATEST BENEFIT TO HUMANITY

Lisa Swidler was a senior student at Patton West's unaccredited school for occult studies. Lisa witnessed Patton West defraud another student [Dave Kushner](#) out of \$30,000. Lisa was also aware of what Patton West did to another student, [Marion Cantwell](#). Apparently, Patton West kidnapped Marion, held her captive, beat her and only released her after Marion agreed to make a sizeable donation to Patton West's good causes (mindful monetization in action). After witnessing these and a plethora of other crimes, Lisa tried to leave the cult. Shortly after leaving, she died of internal bleeding. Many thought that Patton West had murdered her to keep her quiet. Business consultant John Watson was defrauded by Patton West out of wages and shares in 2002. He launched a fraud lawsuit against Patton West in 2003. In 2006, Watson put up a website giving detailed information about Patton West's criminal past in Montana and New Mexico. In 2007, Patton West tried unsuccessfully to [murder Watson](#). She even got senior cult member [Geoffrey Reynolds](#) to announce Watson's murder to the local press a week before she made her failed attempt on his life.

A MESSAGE TO THE FBI, POLICE & ARIZONA AG'S OFFICE.

NO NEED TO INVESTIGATE 30 YEARS OF THEFT, FRAUD, EXTORTION, VIOLENT ASSAULTS AND SEVERAL SUSPECTED MURDERS. IT IS ALL BEING DONE FOR THE GREATEST BENEFIT TO HUMANITY

We give a few examples below of a instances in Montana where her 'private' work of 'monetizing' other peoples finances (for the greatest benefit to humanity) involved visits to court.

This is what Patton West calls 'World Service.' We call it Organized Crime!

In 2010 and upon arrival in Arizona, Patton West changed her name from the Ascended Master Surya Ma to the Ascended Master Rishi Devra. She launched a series of websites, the current one being therishi.com. Each website showcases a fake [life story / bio](#) which fails to mention any of her crimes in Montana or New Mexico. In addition to her new identity upon arrival in Arizona, she awarded herself several new titles and accolades. Below is a snapshot of her many current (but totally fictitious) personas.

Above: The images above are evidence that Patton West is mentally ill and or criminally insane. Patton West's behavior clearly indicates a narcissistic personality disorder and gives us all an insight into the delusional fantasy world she exists within.

Below are a few of the many titles and accolades she has awarded herself since arriving in Arizona in 2010. Her [website](#) is full of this bullshit but no mention of her 'criminal' past. That is because it is all part of a massive fraud / extortion scam occasioned with violence and, according to her ex-husband, several murders.

[As a Planetary Regent her auspicious presence offers the rare opportunity for private audiences etc...](#)

[As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.](#)

Below, a message from the 'REGENT OF THE MASTERS' AKA criminally insane narcissist Patton West. No mention of her 'criminal' past or the violence and mental and physical abuse meted out to countless members of her cult over 30 years in three western states.

SPIRITUAL NAME

Mataji Rishi

Devra Surya Sai Adi Maa Durga Devi

REGENT OF THE MASTERS

The Unity of Souls & Nations

After many years of quietude and seclusion, the Rishi has stepped forward to accept sincere applicants into her auspices in the spiritual mecca of Sedona. She welcomes those who are compelled by the inner imperative to serve as awakened instruments of the divine. She is sanctified to embody the role of Regent of the New Americas, foretelling a time when North, South, and Central America will be unified in the common welfare of all souls. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity through an extraordinary time of global upheaval and profound transformation that charts a new course for a thriving, peaceable fellowship amongst souls, peoples and nations.

The following are two obvious examples of outright lies (see above). All apparently allowed under religious freedom laws. Even though the obvious motive is fraud.

1. She is 'sanctified' to embody the role of the 'Regent of the New Americas.' This, in spite of being chased out of New Mexico in 1995 at the point of a gun. This, in spite of being forced to leave Montana in 2010 after two arrest warrants, a conviction for assault and being forced to pay \$2,000,000 in court fines and interest to past victims of crime. This is either a miracle or total bullshit.

2. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity etc. Do you think the Divine Plan and "Great Work" involves countless acts of theft, fraud, extortion, mental and physical abuse, one murder, a well-documented attempted murder (of a whistleblower) and several suspected murders? She is either telling the truth or this is more bullshit and part of a well-oiled criminal plan. Or she is mentally ill!

Let's call the above "Alternate Facts." All part of a massive wire and mail fraud scam. All apparently allowed under Religious Freedom Laws.

HERE ARE SOME MORE ALTERNATIVE FACTS!

After thirty years of racketeering in three western states leaving behind countless victims of mental and physical abuse, theft, fraud, extortion and several suspected murders, Patton West believes she is a "regent of the spiritual hierarchy" who is going to leave behind a "legacy." This would be a very amusing if Patton West were not such a danger to the public.

THE LEGACY

1.

The Sedona Gateway for Enlightenment

After thousands of years of waiting for the appointed time, an auspicious gateway for spiritual advancement has opened, that bestows the tangible experience of the Immortal Masters. The Path of Enlightenment is held in Sedona, Arizona to amplify sustained access to your master self. As a regent of the Spiritual Hierarchy, the Rishi emanates the dynamic transmittal of planetary prophecy and vistas of sacred knowledge being unveiled for the first time in our planets history. One hundred years from now, the the Rishi's Path of Enlightenment will be remembered as a ground breaking mile marker for modern mastery. Convening the supra genius of the enlightened state of embodied mastery, she leads a new era for world service, that sets a new standard for prospering all spectrums of world betterment.

2.

What was once, but a shimmer of hope and aspiration, is now divine destiny becoming manifest.

1. As a "regent of the spiritual hierarchy" etc. This is just bullshit like her assertion that she is [The Regent of the Masters](#) (i.e. above Jesus Christ), [The Western Regent](#) (spiritual overlord to the western hemisphere), [The Mother of Ten Thousand Suns](#), [The Mataji](#), [Divine Mother](#), she has been preparing [to lead humanity for thousands of years](#), is [holding open the gates of time](#) and who received her two doctorates [from the Christ in person](#) etc.

2. Five years from now, Patton West will be recognized as one of America's most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then, there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson who Patton West tried to murder in 2007.

WE SAY....

A MASSIVE FRAUD NETTING MILLIONS OF DOLLARS A YEAR PREDICATED ON LIES AND PERPETUATED WITH THREATS OF VIOLENCE AND MURDER. ALL UNDER THE AUTHORITIES NOSES!

When giving testimony under oath in October 2009, Patton West stated that she was \$2,000,000 in debt. You can read her testimony by [going here](#). She arrives in Arizona in 2010 with a new name, new fake life story bio and checks into a mansion. Who says that crime does not pay?

Above: With Millions of dollars from organized crime over three decades Patton West can afford to live in luxury at the expense of those she has robbed, defrauded and extorted money from. Her life story is a lie; her fake delusional persona is created out of the mind of a deeply disturbed psychopath. The outfits, fake diplomas and all the other trappings of her fantasy reality look like a Hollywood film set. Your role, should you choose to take it, is to play the role of supine serf to the self proclaimed Regent of the New Americas. However don't tell the Empress she has no clothes. Women have been beaten and mutilated for less.

In March 2003, a business consultant and fraud victim at Patton West's hands was asked to attend a 'private' meeting with Patton West. The meeting was asked for by Patton West shortly after John Watson announced he was going to sue Patton West for defrauding him. During the meeting, Patton West [admitted defrauding Watson](#) but said she did not see herself writing out a check for what she owed him. When Watson asked about their agreement, Patton West stated that [her agreements were worthless](#) and, as for the truth, Patton West told John Watson that, and I quote, "[It doesn't matter what is actually true.](#)" What she meant was that the truth does not matter if she can persuade the public that HER LIES ARE THEIR TRUTH. Patton West admitted to [disposing of people like Kleenex](#). When Watson said he was not going to back down, the creature currently posing as 'Divine Mother' had the following to say. You can hear her say this in her own voice because Watson recorded the conversation.

 **WARNING FOUL MOUTHED 'DIVINE MOTHER' AHEAD**

1. [You are f*cking over a Spiritual Teacher for Christ's sake.](#)
2. [If you sue me I'll get so f*cking down and dirty; huge expenses coming out of your pocket but not mine \(because cult / gang members would pay her legal expenses\).](#)

In 2006, fraud victim John Watson turned whistleblower put up a website to counter the lies, propaganda and [defamations of Watson](#) that Patton West and members of her cult were posting on her website. Watson's website included details of the many crimes that Patton West had committed in New Mexico and Montana, or was in the process of committing in Montana (see long list above).

Above from left to right: In July 2007 the Whitefish Pilot leads on Patton West's assault on her business partner Dr. Cole MD. The Bigfork Eagle follows with a similar story in August 2007. In April 2008 Patton West is found guilty of assaulting Cole. In October 2008 Patton West is found guilty of defrauding John Watson. Patton West denies all wrongdoing.

After Watson contacted a local newspaper and shared his information in 2007, the [Whitefish Pilot](#) newspaper published a detailed list of some of the crimes being committed in Montana by Patton West at that time. The article led with Patton West's vicious assault on her business partner Dr. Pat Cole MD. This was followed a month later by a similar news article published by the [Bigfork Eagle](#) newspaper which showed Patton West to be a pathological liar. A pathological liar masquerading as a billionaire, while having a \$2,360 lien against her for unpaid employment insurance and while being evicted from two rental properties in quick succession. This in turn was followed in 2008 by an article published by the [Ravalli Republic](#) newspaper, which focused mainly on Watson winning his fraud lawsuit against Patton West.

Above: Psychopath, narcissist and pathological liar Patton West photographed lounging around her mansion wearing an Indian Swami outfit. Like her many self awarded titles and accolades it is all part of the propaganda intended to support the illusion that she is something she is not. She has come a long way from the '80's & '90's a pot growing, drug dealing, con artist and bankrupt. No matter how much lipstick you apply to this pig it is still an evil vicious criminal and a suspected serial killer.

Watson's website and all the negative publicity from the three newspaper articles, rendered her criminal racketeering business model dead in the water in Montana. Patton West's criminal business model relies on the public swallowing the lies and propaganda about her being a 'divine' being. Once the community in which Patton West is embedded within understands that all her titles and accolades are fake, her two doctorates (PhD & D.D.) are fake and that her life story is a fantasy, they are less likely to walk into the trap. With no one in Montana believing the 'divine being' propaganda used to underpin Patton West's fake identity, she and her cult had no option but to move to a third western state where they either do understand 'white collar' crime or do not have the resources to prosecute it. However, before Patton West could relocate her criminal racketeering business model to Arizona and reincarnate herself with another fake identity, she had to force down John Watson's website and permanently 'silence' him.

In mid-August 2007, Patton West made a failed attempt to murder John Watson. A murder plot that cult / gang member Geoffrey Reynolds shared with a news paper reporter a week earlier in what he thought was an 'off the record' conversation.

The only thing that separates Patton West from other gangsters and serial killers is her choice of weapon. Al Capone wore expensive Italian suits and masqueraded as a businessman. Al Capone used a gun or a knife which could be traced back to him. Patton West being a criminally insane narcissist, wears King sized bedsheets and masquerades as a 'divine' being. The advantage Patton West has is that she uses an occult (hidden) weapon that cannot be traced back to her. So, the preferred method to 'silence' Watson was to use the [shamanic weapon](#) to murder Watson. Because Shamanism and the occult is not recognized as a weapon under legal statute, she could not be prosecuted, even though her accomplice Geoffrey Reynolds announced Watson's murder a week before it was supposed to happen!

Patton West's ability to murder at will with zero downside is the reason she claims to be both enlightened and to be a minor deity!

However, her frequent use of the occult against those who oppose her, including her employees and family members is very real. In March 2007, then employee Rebecca West (no relation to Patton West) wrote to John Watson asking for help with Patton West's "shamanic witchcraft." Go here to read her harrowing email entitled '[Help Me.](#)' Go to paragraph three but on the way, read about the crimes being committed against her employees who were given the choice to join her cult as low paid or no paid slaves or be fired. Go [here](#) to read about one employee, Carlida Finch, who was given that choice. Carlida also overheard Patton West planning to murder her business partner Dr. Pat Cole. MD. According to Patton West's ex-husband Jack West, several individuals who have opposed his wife have 'died suddenly.' These extra judicial killings cannot, in the ordinary course of events be linked to her, especially as the victims she targets could be hundreds or thousands of miles away.

Above: Center: Patton West a narcissist occult killer who has embedded herself within spiritual communities in New Mexico, Montana and now Arizona. Patton West on-line persons is a total fantasy but she is confident that she can intimidate, make ill, injure or murder anyone who challenges her version of reality with the truth.

After 30 years of using her secret 'weapon' the psychopath has left behind a trail of evidence (and victims). Three decades of racketeering (theft, fraud, extortion, violent assaults and murder) with little or no downside to Patton West. The sheer volume of victims, and their reluctance to go to the police or to civil courts for restitution, can only make sense if one accepts that the victims and witnesses are afraid to go to the police, afraid to testify against her and afraid to go public. There is compelling evidence of the use of an occult weapon against victims like Dr. Cole, Rebecca West, Jamie Haywood and many more. Victims like [Mike Hendrickson](#) defrauded out of \$200K, [Dave Kushner](#) defrauded out of \$30K. Victims like [Marion Cantwell](#), kidnapped, beaten, held captive and forced to make a donation of tens of thousands of dollars. These victims will shed light on other victims. I bet there are scores or hundreds. The occult weapon is also used to [subvert civil and criminal court cases](#). The Kendal Haywood and Jamie Haywood child custody cases are two that come to mind. Patton West's home life is sordid beyond belief, as is spelt out in another expose' of one of her web pages entitled '[Enlightened Householding](#).'

Clearly, the murders occur on a regular basis, as within 10 months of joining Patton West's cult / criminal gang in September 2006, new kid on the block Geoffrey Reynolds announced Watson's impending murder to the local press.

When her attempt to murder Watson failed, Patton West mobilized two senior members of her cult / criminal racketeering gang Dr. Julio E Williams MD & Geoffrey Reynolds CPA. Though neither knew Watson, they both agreed to join Patton West's conspiracy to 'silence' Watson. The conspiracy was funded by cult / gang member Dr. Julio Williams MD who pledged \$2,000,000 of his own money for Patton West's legal fees. Reynolds' contribution was to make totally false statements to a Montana court in what was a \$10,000,000 extortion scam mounted by the cult / gang against Watson. This all happened shortly after Watson [won his fraud lawsuit](#) against Patton West in 2008. Their role in Patton West's conspiracy is spelt out in detail [this previous bulletin](#).

Above: Williams & Reynolds were total strangers to Watson but both totally under the control of Patton West. On her orders both agreed to be complicit in Watson's murder and when that failed both conspired to bankrupt Watson into silence. Motive? Millions of dollars a year that Patton West would lose if the public in Arizona had access to the truth about her past.

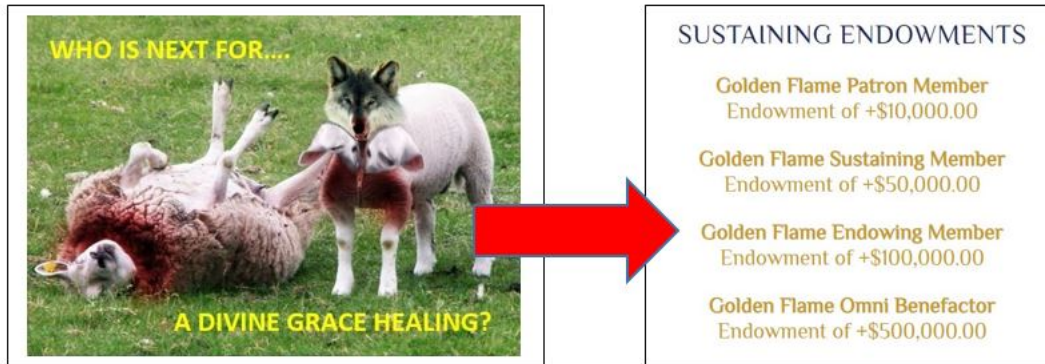

Because Watson had moved abroad in 2005, he could not afford to travel backwards and forwards to defend Patton West's and Reynolds' lies. As a consequence, Watson's website was forced down and Patton West and the cult got to relocate to Arizona with no information up on the web to counter Patton West's obvious lies and propaganda. Clearly, everything on Patton West's website is designed to suck in victims of fraud and extortion. The other advantage Patton West has over most criminals is that her lies and propaganda appear to be protected under 'religious freedom' laws. Even though the obvious motive is fraud. At the very least, based on the information we have revealed in this bulletin Patton West is guilty of mail and wire fraud.

Here is how the current con works....

Those attending 'private sessions' or 'private audiences' if deemed to be wealthy, are made ill using the same occult knowledge Patton West uses to murder those who oppose her. She then offers the target, she has made ill, the cure for hundreds of thousands of dollars. They pay. The illness goes away. Patton West gets richer and awards herself more titles and accolades!

Dr. Julio Williams MD is directly involved in this fraud / extortion scam and has provided his own home as a venue for the sale of 'miracle cures.' Listen to [two of Patton West's employees talk](#) about how Patton West got paid \$500K for this extortion scam in 2002! I suspect with inflation prices may have gone up!

Go to her website and look at her 'Pay Portal.' Who is going to donate \$500,000 to an obvious con artist like Patton West?

Well the obvious answer is NO ONE! However, if you are told by her that you have cancer or a brain tumor that she can cure you might consider paying for a cure. You may seriously consider paying if her own tame physician Dr. Julio Williams is on hand to assure you that she can deliver a miracle if the price is right! You really begin to take it all seriously when, asked for time to consider, you start getting serious head aches in the case of a suspected brain tumor, or chest pains in the case of suspected heart issues. What the target does not know is that Patton West is causing those conditions to appear in the targeted individual. Most quickly become believers and pay up.

Payment is made as a 'donation' to aid her 'World Service.'

Of course Patton West cannot describe her 'miracle cures' as miracle cures. That would be to invite prosecution from the authorities. Instead, she plays it close to the line and calls the fraud / extortion 'divine grace healings! Yes, according to her recent [Facebook Pages](#) she is capable of delivering the phenomena of 'divine grace healings' and dispensation of karma. And much, much more for a price!

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers across the globe

As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....

...and the karmic resolution of divine dispensation.

In spite of the scores of victims of theft, fraud, extortion and mental and physical abuse Patton West, a card carrying psychotic, insists that she is a blessing to all souls and an instrument of mercy. Apparently lies and propaganda are all allowed under religious freedom laws even if the obvious motive is mail and wire fraud, racketeering and murder.

This would never work without Dr. Julio E Williams being a key player in the fraud / extortion scam. Patton West has been grooming him for a decade or more. Back in 2007 while being interviewed by the [Whitefish Pilot](#) newspaper, she stated that she was going to train physicians how to cure cancer. Well, the only physician she had in her cult / criminal racketeering gang then and now is Dr. Julio E Williams MD. So it is not a coincidence that in 2018, Dr. Williams made his home available for Patton West to sell her wares to unsuspecting victims. They billed the meeting as 'Sacred Sundays with Rishi.' That would be the pathological liar, fraudster, extortionist, murderer and suspected serial killer Rishi.

~ Our June 12th ~
Sacred Sunday with Rishi
 will be hosted at the home of Dr. Julio Williams
 7390 East Stagecoach Pass Carefree, Arizona 85377
 ~ 10 am to 12 pm ~

Above: Probably nothing to worry about that Dr. Julio E Williams MD, himself a pathological liar, is hosting a 'Sacred Sunday with Rishi' AKA Patton West. Though Williams has been a student and disciple of this con artist for 20 years surely he would not provide a venue for her and endorse her ability to deliver miracle cures for a large fee? Would he?

CULT / GANG MEMBER DR. JULIO E WILLIAMS MD

A senior member of Patton West's cult for 21 years. Directly involved in organized crime for 16 years i.e. racketeering (funding organized crime, fraud, extortion, complicity to commit murder etc.). In 2005, shortly after Watson issued legal proceedings against Patton West, senior cult member Dr. Julio E Williams joined the fray by posting a defamatory statement against Watson on Patton West's website. A strange thing to do when you realize that Williams & Watson were total strangers. Not so strange when you realize that Patton West 'forces' the members of her cult to prove their loyalty to her by putting themselves in harms way for her. This, Williams went on to do on many occasion.

I, Julio Williams MD have been a long time student of Surya Ma (now calling herself the Ascended Master Rishi Devra) and I stake my honor and credibility on defending her personal integrity and establishing the truth.

Statement by Dr. Julio Williams posted on Devra West's website March 23 2005.

In [the statement](#) Dr. Williams posted on Patton West's website he, and I quote, **"stakes his honor and credibility on defending her personal integrity and establishing the truth."** Sixteen years later, two arrest warrants later and a conviction for assault later, Dr. Williams is still a senior member of her cult / criminal racketeering gang. In 2008, Patton West was forced to sell her assets at a Sheriff's Sale to pay past victims of crime \$2,000,000 in court fines and interest. Dr. Williams is still a senior member of her cult / criminal racketeering gang. After multiple visits to court in Montana as the defendant in fraud related lawsuits, all of which found her guilty, Dr. Williams in 2021 is still there and still issuing moronic testimonials like the one below.

Dr. Julio E Williams joined Patton West's cult in the year 2000, which makes him a 21 year member of Patton West's criminal racketeering gang. After cutting his teeth on defamation in 2005, Dr. Williams became directly involved in the 2007 attempted murder of a whistleblower who went public about the cult's criminal activities in Montana. The negative publicity forced the cult to relocate to Arizona but before they could relocate, they had to silence Watson as victims tend not to fall into a trap if they know it is there. When the murder plot failed, Dr. Williams funded Plan 'B' by pledging \$2,000,000 of his own money to Patton West so that she could remove all mention of her crimes in Montana & New Mexico from the internet.

I have personally allocated two million dollars for Dr. West's defense fund and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You Fuck with me and you will meet your match.

Julio E Williams MD.

Patton West is currently targeting wealthy spiritual seekers in Sedona. Since the move to Arizona in 2010, Dr. Williams, in addition to providing a series of dishonest testimonials, has provided his own home as a venue for the sale of fake miracle cures for cancer. Dr. Williams is totally aware of the ongoing campaign of VIOLENT INTIMIDATION being directed at the source of this information (as the 500 plus emails he has received on this subject prove). However, Dr. Williams is content to do nothing in the hope that Patton West will MURDER the source before the FBI / Police etc. get involved. Check out the evidence against Dr. Julio E Williams MD below.

1. His threats against a whistleblower in 2007 and the \$2,000,000 he pledged to bury his cult leader's criminal past.

Patton West is not a guru. Gurus do not use lies, propaganda, violence and murder. Con artists and violent criminals do.

After 21 years as student / disciple at her unaccredited school for occult studies, how could Williams not know that Patton West is a con artist, violent criminal a murderer and suspected serial killer? Williams knew all of this and after Patton West's attempt to murder Watson failed, Dr. Williams stepped in and funded Plan 'B' that made it possible for Patton West (and Williams) to relocate her criminal racketeering business model to Arizona. How could Dr. Williams not know about all of the crimes that occurred on his watch? See the following for details:-

To ascertain the scope of Patton West's criminal racketeering business model, visit her website therishi.com and then compare the lies, deceit and propaganda you will find there with the contents of these two websites omniawakening.net and therishi.info which are dedicated to seeing her tried for 30 years of racketeering in three western states and attempted murder.

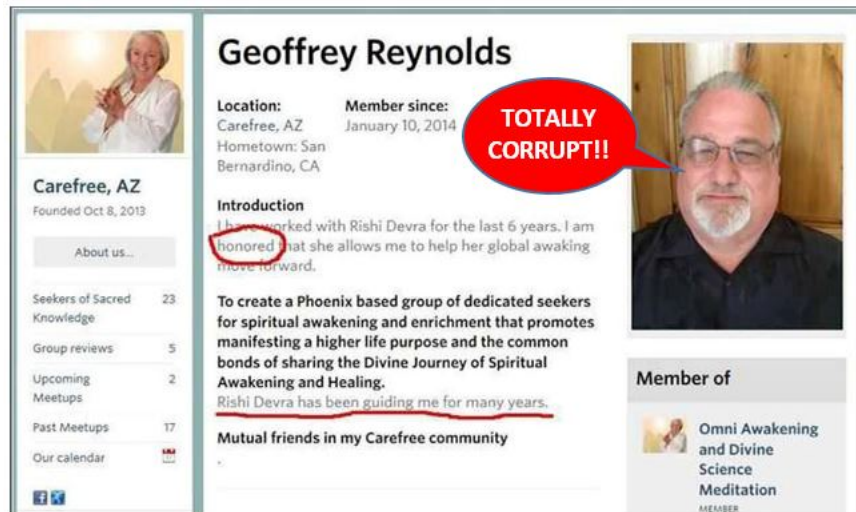

CULT / GANG MEMBER GEOFFREY REYNOLDS CPA.

Between 2006 & 2014, Geoffrey Reynolds was a member of a dangerous cult / criminal racketeering gang whose leader, Devra Patton West, is suspected of several murders. Reynolds may have been blackmailed by Patton West into joining her criminal activities as shortly after joining her company in September 2006, he was duped into loaning her his life savings. Evidence shows Reynolds turned a blind eye to serious crimes occurring right under his nose. Reynolds money laundered \$436,000 through the business as normal receipts that Patton West extorted from her business partner Dr. Pat Cole MD. Reynolds fraudulently applied for **\$30,000,000 in government grants** and was complicit in the conspiracy by Patton West to murder John Watson.

Reynolds' crimes include complicity in the failed 2007 attempt by Patton West to murder a whistleblower who went public about the cult's criminal activities. Reynolds actually shared news of the impending murder with a news reporter in what he thought was an 'off the record' conversation (see first link). Reynolds went on, doubtless under pressure from Patton West, to make totally false statements to a Montana court in 2010 as part of a \$10,000,000 extortion scam.

Now that details of Reynolds' criminal past have come back to bite him, Reynolds is complicit in Patton West's ongoing attempts to murder the whistleblower. Patton West blames the whistleblower for publicising details of her criminal past in Montana and New Mexico. The possible loss of millions of dollars a year in fraud and extortion is a strong motive for murder. It was good enough as a motive to murder Watson in 2007. As stated, Reynolds' crimes include fraud, extortion and money laundering (see second and third links). Below is to statement Reynolds issued in 2014, saying how proud he was to be associated with the suspected serial killer who he says has been GUIDING HIS LIFE FOR MANY YEARS.

We know that Geoffrey Reynolds is complicit in the ongoing attempts by Patton West to intimidate or MURDER the whistleblower. We know this because Reynolds is in receipt of some 500 emails that link him to these ongoing events. In spite of all this 'paper trail' linking him to violent intimidation and repeated attempts at murder, Reynolds sits on his hands in the hope that Patton West may get the job done before the authorities get involved.

Gurus do not use lies, propaganda, violence and murder. Con artists, violent criminals and murderers do.

Maybe Reynolds was blackmailed by Patton West (after he was duped into loaning her \$300,000) into becoming an accomplice in racketeering and murder. These following two emails entitled '[Help Me](#)' and '[What is your status](#)' seem to indicate that this might have been the case. However, until Reynolds says otherwise, we must assume that he was a willing accomplice in attempted murder and other serious crimes.

THREE DECADES OF NON-STOP THEFT, FRAUD, EXTORTION THAT PATTON WEST CALLS ‘MINDFUL MONETIZATION.’ OCCASIONED WITH VIOLENCE AND SEVERAL SUSPECTED MURDERS .

The Ascended Masters endearingly refer to her as...

“MOTHER OF TEN THOUSAND SUNS.”

IS IT ANY WONDER THIS CRIMINALLY INSANE NARCISSIST BELIEVES SHE IS A MINOR DEITY? TENS OF MILLIONS A YEAR FROM ORGANIZED CRIME AND MULTIPLE MURDERS?

AND NONE OF IT INVESTIGATED!

Above: Patton West's use of occult (hidden) knowledge has facilitated 30 years of theft, fraud, extortion and several suspected murders. The 'weapon' she uses to dispatch those who go public or oppose her is not regarded as a weapon under legal statute. Therefore the murders, which appear as deaths resulting from 'natural causes,' are not investigated.

THE PURPOSE OF THESE MESSAGES IS THREE FOLD....

1. To warn the public in Sedona AZ of the very real dangers of associating with Patton West - a resourceful, spiteful, dangerous criminal, a murderer and suspected serial killer.
2. To 'force' a criminal investigation into Patton West's criminal racketeering gang which has operated in three western states over three decades.
3. To 'force' a criminal investigation into Williams' & Reynolds' role in Patton West's conspiracy to 'silence' fraud victim turned whistleblower, John Watson. Williams' & Reynolds' role in Patton West's conspiracy to murder Watson, and when that failed, outspend him in court to bankrupt him into silence is well documented. Williams' & Reynolds' complicity in Patton West's ongoing attempts to intimidate Watson and his family is also well documented. Our advice to Williams & Reynolds is to go to the FBI and turn state's evidence against Patton West, with a view to getting a reduced jail sentence. Failure to do this may mean they are tried as accomplices in many of the other crimes committed by Patton West which may include murder, multiple counts of assault, multiple counts of theft, fraud and extortion.
