

**MEET 'RISHI DEVRA' AKA CON ARTIST PATTON WEST  
DOMESTIC TERRORIST, MURDERER AND SUSPECTED SERIAL KILLER IN MONTANA.  
WHO UPON ARRIVAL IN SEDONA, ARIZONA BECOMES 'DIVINE MOTHER.'**

*Above: The images above are evidence that Patton West is mentally ill and or criminally insane. Patton West's behavior clearly indicates a narcissistic personality disorder and gives us all an insight into the delusional fantasy world she exists within.*

After fraud victim, turned whistleblower, John Watson issued [legal proceedings](#) against Patton West and put up a website to warn others about her criminal racketeering business model, Patton West decided to murder Watson. A week before she made a failed attempt on Watson's life, she had senior cult member [Geoffrey Reynolds CPA announce Watson's impending murder](#) to the local press. After the murder plot failed, Patton West put Plan 'B' into effect which involved senior cult member [Dr. Julio E Williams](#) putting up \$2,000,000 of his own money to fund multiple frivolous (without merit) lawsuits against Watson that the cult knew he could not afford to defend. Reynolds' part in Plan 'B' was to make [totally false statements to a Montana](#) court that netted him a \$5,000,000 default undefended judgment, which he immediately signed over to Patton West. This is what criminal gangs do if they cannot intimidate or murder you, they outspend you in court.

*Above from left to right: Criminally insane narcissist Patton West who believes she has been preparing to lead humanity for thousands of years. Dr. Julio E Williams MD a 21 year 'disciple' and senior member of Patton West's cult / terrorist gang. Geoffrey Reynolds CPA agreed to be complicit in murder, fraud, extortion and much more for a \$300K 'fee.'*

**THE MOTIVE FOR MURDERING THE WHISTLEBLOWER?  
MILLION OF DOLLARS A YEAR LOST FROM THE PROCEEDS OF FRAUD & EXTORTION**

Watson's website made it clear that Patton West was not a guru, not a 'world server' but a vicious spiteful criminal, a DOMESTIC TERRORIST, a murderer and a suspected serial killer. The publicity forced Patton West and the cult to move from Montana to Arizona in 2010 (just as they had been forced to move from New Mexico to Montana in 1995). However before Patton West, Williams & Reynolds could launch their criminal racketeering business model in Arizona, they needed to 'silence' Watson and force down his website. Victims tend not to walk into a trap if they know it is there.

Go [here](#) to view all the lies and propaganda on Patton West's current website. All part of a massive fraud / extortion scam. I defy anyone to find details of her criminal activity in her fake life story / bio.

Go [here](#) to view some of the truth about Patton West's criminal activities in Montana. Criminal activity that they tried to murder Watson to hide from the public in Arizona.

## EVIDENCE OF DOMESTIC TERRORISM

Finally, below is a harrowing email entitled '[Help Me](#)' which was sent by one of Patton West's victims in Montana to the whistleblower, John Watson. This victim happened to be one of her employees, Rebecca West (no relation to Patton West). Rebecca West's email below, contains a wealth of evidence that Patton West was (and still is) running a criminal racketeering business model which is entirely predicated on her ability to TERRORIZE victims using an occult weapon. The document Rebecca West referred to, '[Pat's Records](#)', seems to confirm the same criminal activity was being used in New Mexico.

I have highlighted the points of interest for discussion with detectives that prove that Patton West is a vicious criminal / domestic terrorist / murderer and suspected serial killer. The comments in square brackets are mine. I have also highlighted the involvement of **Dr. Julio E Williams MD** and **Geoffrey Reynolds CPA**, both willing accomplices in racketeering and both complicit in the attempted murder of Watson. Both Williams & Reynolds are also complicit in the ONGOING attempts by Patton West to TERRORIZE Watson and his family.

Here is Rebecca west's email...

Subject: RE: Help me w/ Devra Patton West

Dear John,

After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. *[Revolving policy to employees – join the cult or be fired before 90 days comes around]* Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. *[Non payments of wages, overtime and bonuses was standard practice – this is fraud]* She sent her intimidating demand of me through her finance controller last evening, and I have until 5 p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).

*[This is the behavior of a tyrant not an employer but in truth having employees was just a way to recruit fresh blood to the cult]*

I have written her a letter that I have been hesitant on sending her, as I know it will create a wave of violent behavior *[Terror tactics]* and I have little to protect myself. My only safety net per law enforcement is to write a "Letter of No Contact" and mail it. If she stalks me, and I have this letter in hand, law enforcement will respond and then maybe the Judge will order a "no stalking order" against her! I have been hiding in my home for many days now, afraid to go anywhere *[Rebecca was clearly being terrorized]*. This whole situation has been a horrible drain on my relationship with my partner, as he is having a very difficult time trying to understand what I am going through. In fact most "men" think it is no big deal, "if she comes after you "you can kick her ass!", what are you so afraid of?" This attitude is pervasive and includes her current finance controller *[Geoffrey Reynolds]*, whom she has extorted from him over \$300,000 since Sept 06'. He is very afraid of losing his money, wife, and children yet does not understand why I cannot come back to work and just let it roll off my back while she relentlessly screams at me and publicly humiliates me *[Terrorizes]* before, during and after work, and advises if she comes after me, I should just kick her ass!

I will not return and subject myself to her violent and abusive behavior! *[Terror tactics]* I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom *[Patton West using her occult weapon to terrorize victims]*, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her *shamanic witchcraft*. Can you tell me more?

I have handed over many of the statements made by former employees of which are mostly already posted on your website to Dr. Cole in an effort to assist her. Dr. Cole was severely beaten on several occasions *[Terror tactics from Divine Mother??]* and proof is available. Again the crux is finding a law firm willing to take the case without a hourly payment of services. With all my heart, I hope and pray, the law firm that is currently reviewing her documents will help Dr. Cole recover her losses and/or dignity, as she has no money left after Devra extorted more than \$700,000 from her. *[Terror tactics used to successfully extort this money]*

I am aware that the only person still financially supporting Devra (the finance controller is out of money), is Dr. Julio Williams and he gave her \$100,000 last week. *[Williams guilty of funding organized crime / terrorism. Williams had already pledged \$2,000,000 to 'silence you']*. Devra spends money so fast that this funding will not last long.

I know she has hoarded all her expensive jewels, artwork and artifacts and in addition I contemplate how much money/jewels she has stashed in order to bail herself out in the event you are able to take her down completely, or if the funding does not come through. *[The proceeds of domestic terrorism converted into precious jewels of precious metals or stashed offshore]*

Tanmayo's (Coca-Cola heiress) son contacted the finance controller yesterday demanding the monies his mother contributed be returned. This phone call is the straw that broke the camel's back for the finance controller *[Geoffrey Reynolds]* who has finally realized that he can no longer ignore the very bad situation he has gotten himself into by loaning Devra \$300,000. *[Reynolds decides to become an accomplice in murder and other serious crimes in the hope of getting his money back]*

You can see that I, Dr. Cole and many others have much to lose and confidentiality between us is very important. I tried to talk to Dr. Cole about you and she feels you took your case too far...I will not pass judgment until you show me otherwise and beg of you to realize the vulnerable position I am in by living only 5 miles from her! *[Clearly terrorized by Patton West]* I am more than willing to talk to your Attorney to support the situation, all I ask is for your assistance in attempting to get my hard earned monies owed me through the MT ST Wage and Labor Board. *[Like Joseph Costantino and many others the Labor Board is a dead end as Patton West swamps the labor board with fake witnesses from her cult. The victims stand no chance of getting justice.]* I am aware there are several other former employees that filed claims with the MT ST Wage and Labor Board and any documentation or advice to support me in this endeavor would be greatly appreciated. *[A waste of time for reasons given above]*

I know that unless the \$30M comes in this week *[a fraudulent application for \$30M in government grants which Reynolds was directly involved with]*, the Naka Shela Retreat Center is lost to foreclosure along with the house that Dr. Cole bought in Lakeside, which is where Devra lives (in the basement) with her son Che, his wife Jamie, and their newborn and 7-year daughters living upstairs. Dr. Cole was forced *[Terrorized]* to sign a "Quit Claim Deed" by Devra and will be yet another assault to her credit rating. My credit rating has taken a huge blow due to lack of timely paychecks, missing wages, bounced checks and caused me to be unable to refinance my home last month. *[Rebecca West and many other employees before and since are terrorized into funding Patton West's life style]*

I just spoke with the finance controller *[Geoffrey Reynolds]* this morning, and he is telling me that unless I talk to Devra today, I can forget about the monies owed me. *[This is clearly illegal but Patton West terrorizes her employees into accepting her crimes]* I reminded him that a missing paycheck and overtime are due me even if she calls it a "Bonus" and that several other people have taken her to the labor board and I would be no different. I have asked him to lay me off and to explain to her the repercussions of not paying me before I am forced to file a claim. I also told him I had no intentions of talking to her as I had already sent her a letter requesting the monies owed me, before I would be willing to talk to her. She responded a couple days ago by sending an e-mail to my private address where she stated she would not read my letter. It is obvious that she is afraid of me or she would have fired me already! I know too much, am a local resident, and have worked extensively with local law enforcement as a former Administrator of Emergency Services.

Dr. Cole and I are very afraid *[TERORIZED]*, but this does not preclude me from standing up for what is right even if I lose my life over it! *[TERRORIZED]* Until last week Dr. Cole thought she was all alone and was happy just to have a normal life again. Upon contacting her for the first time last week, (since the court hearing last November), she realizes and accepts the fact that there are many other victims *[SCORES OR HUNDREDS]*, including myself and it is unfair for her not to come forward in an effort to stop Devra from continuing her deceit and corruption of innocent people. Unfortunately, it always comes back to a money issue and the fact that she has hidden her assets in her home which is about to be foreclosed on. (This very much alarms me as this may be the only way to get some of the money back to those she has robbed).

I have followed the \$30M CPEA funding issue closely *[A MASSIVE FRAUD perpetrated by Patton West and Geoffrey Reynolds]* and although the monies are earmarked for a 3-Tier Business Plan to develop Spas is the very way to pay off her debt to all of us. If she thought for a moment that she could buy her way out would do so in a heartbeat even though she vindicates herself through the Masters *[The voices in Patton West's head]* as needing to prove she has done nothing wrong. According to the Masters *[The voices in her head]*, Dr. Cole and all the others got their due punishment and their reputations need to be destroyed in the interest of saving ourselves from their evil.

I know that I can never be in the same room with her again, due to her ability to read my mind. I am not sure how she does this and would greatly appreciate any light you can shed on her abilities. I must continue filling out a job application, so I will end for now. You can trust me and I pray you will do the same for us by keeping this information confidential. We are awaiting an answer from the Attorneys as to whether they will take this case without monies being paid up front. If not, would Jennifer Lint be willing to take our cases based on the additional 30+ people who have suffered? *[30 more victims at least]* She must have a wealth of knowledge due to the many years of her involvement. It is too bad she quit working for you, and if it would help for me to talk to her, I would be willing to do so, but at this point only if the local attorneys are unable to do so, (we will know tomorrow).

If you align with Hendrickson's Attorney instead, would he be willing to help us? I have the ability to bring to you 30+ former employees and with your 40 former students/employees statements maybe we can stop her! *[Scores of victims maybe hundreds]* Devra checks your website daily so be careful for our sake. In addition, she has her computer technician check your site daily and at this point he has turned coat, although he has been my friend for 25 years! This only goes to show everyone how powerful her web of influence has on people!

**THIS IS ONE STATEMENT FROM ONE VICTIM. THERE ARE SCORES OR HUNDREDS OF VICTIMS**

This is the psychopath currently masquerading as 'Divine Mother' while targeting spiritual seekers in Sedona AZ. When you understand the [secret weapon](#) Patton West uses to terrorize employees like Rebecca West above, you'll understand how she is able to commit multiple murders with plausible deniability. The two idiots below (Williams & Reynolds) know all about her use of murder as a weapon. They both agreed to be complicit in the attempted murder of the whistleblower and when that failed, joining Patton West in a conspiracy to bankrupt the whistleblower into silence. Williams' funding the conspiracy with Reynolds supplying false statements to the court that netted him a \$5,000,000 undefended civil judgment.
