

The Rishi AKA Con Artist Devra Patton West.

We shine a spotlight on accomplice Geoffrey Reynolds CPA. Guilty of fraud, extortion, false pleadings to court, complicit in attempted murder and ongoing violent crimes.

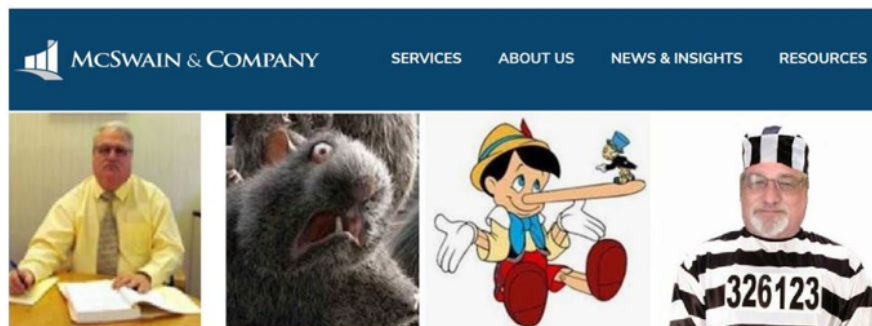

Above from left to right: Cult gang member Geoffrey Reynolds CPA announced the whistleblower's murder a week before Patton West made a failed attempt on his life. Patton West guilty of racketeering and murder in three western states. Dr. Julio E Williams MD a 21 year disciple of Patton West's unaccredited school for occult studies. He wants to be just like her!

Patton West was chased out of New Mexico in 1995 by one victim at the point of a gun. Was forced to leave Montana in 2010 after multiple appearances in court as the defendant in fraud related lawsuits, two arrest warrants and a conviction for assault. She was also forced to sell all her assets at a Sheriff's Sale to pay past victims of crime \$2,000,000 in court fines and interest. After fraud victim John Watson turned whistleblower, put up a website about Patton West's crimes in 2006 and successfully sued Patton West for fraud she conspired with Williams & Reynolds to murder the whistleblower. Reynolds actually announced Watson's impending murder to the local press a week before Patton West's failed attempt on Watson's life. After the 2007 murder plot failed Patton West, Reynolds and Williams put Plan 'B' into effect. This involved outspending Watson in court by issuing multiple frivolous (without merit) lawsuits against Watson whose main objective was to obtain an injunction to force down Watson's website. Reynolds' role in Plan 'B' was to make totally false statements to the court about Watson which earned him a default (undefended) summary judgment in the amount of \$5,000,000 which he immediately signed over to his cult / gang leader Patton West.

After removing the truth of Patton West's criminal activities from the internet, Patton West was able to relocate to Arizona where she is currently masquerading as the 'Sanctified Regent of the New Americas' and the 'Revered Executor of the Divine Plan.' Apparently, Patton West has been planning to lead humanity for thousands of years!

Geoffrey Reynolds CPA and his contribution to Patton West's cult / criminal racketeering gang between 2006 & 2014. Reynolds remains complicit in ongoing crimes against the whistleblower and his family. Crimes he announced would occur when he was an active member of Patton West's cult / criminal racketeering gang.

Above: Geoffrey Reynolds CPA a pathological liar, guilty of racketeering and complicity to commit murder while a member of Patton West's cult / criminal gang. Because the campaign of intimidation Reynolds announced in 2007, against the whistleblower, his wife and children, is ongoing the only way to stop it is to send Reynolds and his accomplices to trial.

Prior to joining McSwain & Co. accountants in Olympia WA, Geoffrey Reynolds CPA was a member of Patton West's cult / criminal racketeering gang between 2006 & 2014. Between those dates, Reynolds was directly involved in multiple counts of fraud, extortion and failure to report serious crimes occurring around him. Reynolds was also complicit in the attempted murder of a victim of fraud, John Watson by Patton West, who had turned whistleblower by a) putting up a website about Patton West's crimes in Montana and b) caused three newspaper articles to be published in Montana about Patton West's crimes in that State. Follow this link to review a lengthy list (the tip of the iceberg) of those crimes.

In 2003, John Watson launched a fraud lawsuit against Patton West in 2003, which he won in 2008. However, in 2007, Patton West and the cult made a concerted effort to derail Watson's lawsuit. In January 2007 cult member Williams sent Watson an expletive laden email, whose objective was to intimidate Watson into dropping his lawsuit against Patton West. Follow the link to view Williams' email in which he pledged \$2,000,000 for Patton West's legal defense fund.

When Williams' threat failed, cult / gang member Geoffrey Reynolds got involved. One of the articles Watson caused, was published by Bigfork Eagle newspaper. On August 9 2007, while being interviewed on behalf of his gang leader Patton West, Geoffrey Reynolds announced in what he thought was an 'off the record' conversation, that Watson would be dead within 12 months.

What Reynolds actually said was that Watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him and his wife and children. The campaign of intimidation launched by Patton West against Watson and his family continues to this day. A fact Reynolds is well aware of as he has received 500 emails from the victim about the ongoing campaign of intimidation. Reynolds was alluding to Patton West's use of occult knowledge to intimidate and murder those who oppose her, go to the police, go to court or go public.

The first link below is to an illustration of what Reynolds told the reporter (the reporter told a federal agent who passed the threat on to Watson. The second link takes the reader to a webpage explaining what the weapon is and how it has been used by Patton West for 31 years to commit serious crimes. The same weapon is used to intimidate victims and witnesses of those crimes into not going to the police or courts under threat of being murdered.

Clearly, Reynolds was well aware of the weapon and its intended use against Watson and his family. How else could Reynolds announce Watson's impending murder only a week before Patton West made a failed attempt on Watson's life? Perhaps Reynolds knew about Patton West's murder of Lisa Swidler, which may be the reason Reynolds was so confident that Patton West would deliver the murder and get away with it?

Above left: the narcissist occult thief / suspected serial killer thanking Satan for her ability to murder with impunity. Center: Lisa's grave stone. Right Lisa Swidler one of Devra West's senior 'teachers' unaware that she too was just as disposable as the Kleenex West referred to when she met with the whistleblower in March 2003.

When the murder plot failed, Reynolds doubled down on his treachery by making totally false statements to a Montana court that netted him a \$5,000,000 default undefended summary judgment in the amount of \$5,000,000, which Reynolds immediately signed over to his cult / gang leader. What Reynolds did was submit a carbon copy of Patton West's pleadings to court which alleged that Reynolds had been defamed by Watson between 2002 & 2006. This was impossible because Reynolds did not travel from California to take up his 'employment' with Patton West's cult / gang until September 2006. To view a copy of Reynolds' false pleadings to court and a copy of Reynolds' resume as published on his own website showing he did not join Patton West's employ until September 2006, follow this link.

The information at the above link also describes Reynolds' attempts to cover up another serious crime by Patton West. On this occasion, it was a vicious assault by Patton West against her business partner, Dr. Pat Cole MD. Reynolds posted four statements of denial on Patton West's website even though the crime occurred several months before he joined her employ.

While pathological liar Geoffrey Reynolds was publicly denying that Patton West had assaulted Dr. Cole MD, privately he was desperately trying to force a copy of Patton West's April 17 2006 written admission that she HAD assaulted Cole off Watson's website. The first link below is an email Reynolds wrote to Watson's website service provider claiming copyright over Patton West's admission of guilt. The missive was entitled 'The Law of Severity on the Path to Purification.'

<https://tinyurl.com/cjdbtuea>

'The Law of Severity on the Path to Purification' should be enough to send Patton West to a mental institution or jail for life and send Reynolds to jail as a willing accomplice in racketeering. After Patton West's vicious assault on Cole she sought to justify the assault to the other members of her cult.

The Law of Severity on the Path of Purification
Response to the Call of Master Surya Devi for Review

April 17, 2006 From Master El Morya of the Shamballa Counsels

The missive asserts that Patton West, as an Ascended Master herself, convened the 'Shamballa Councils' to review her assault on Dr. Cole MD which Patton West admits was severe. Because the 'Shamballa Councils' consists of a group of fictitious long dead Ascended Masters led by one 'El Morya' Patton West was assured to get the result she wanted. Long story short, the voices in her head concluded that the beating Patton West gave Dr. Cole was justified and long overdue because, according to the voices in Patton West's head, Cole was a Nazi in the WWII death camps – in another lifetime. Follow the link to read what Reynolds was desperately trying to remove from public view.

Long story short, Reynolds played a key part in the failed plot to murder Watson and, when that failed, Plan 'B' the conspiracy to bankrupt Watson by launching multiple lawsuits against Watson that the cult knew he could not afford to defend. This resulted in Patton West being awarded a \$5,000,000 summary judgement against Watson for telling the truth about her crimes in Montana. Because Reynolds had submitted a carbon copy of Patton West's pleadings, he too was awarded a \$5,000,000 summary judgment for his lies, which he immediately signed over to Patton West. More importantly, Patton West was awarded the injunction she desperately needed to stop Watson posting the truth on-line about her crimes in Montana and New Mexico.

Currently, Patton West is totally misrepresenting the injunction issued against Watson that was 'bought' by unlimited funds provided by cult member Julio Williams. Firstly, she states falsely that the injunction was awarded to her by a judge as part of a cyber-fraud scam mounted against her! Secondly, she never says the injunction was awarded to her against Watson. She just states that she has won a 'permanent injunction.' The impression she is trying to give, falsely, is that the injunction was awarded to her and applies to everyone on the planet. In other words, NO ONE is allowed to tell the truth about her or contradict her version of reality. However, the false claims posted online by Patton West that allege she was the subject of a cyber-fraud scam are now unraveling (see link below). Claims Reynolds helped put in place.

Scum bag and pathological liar, Geoffrey Reynolds, announced Watson's impending murder to the press in August 2007. He believed Watson's death was a 'done deal' as clearly Patton West had murdered before with impunity. At the same time Reynolds announced Watson's murder, he also announced a campaign of violence against Watson, his wife and children. This campaign of intimidation is ongoing as Reynolds is well aware because Watson has sent some 500 emails to Reynolds about it.

The only way to stop the intimidation is to force a criminal investigation into the crimes committed by Patton West and her accomplices Geoffrey Reynolds & Julio Williams. Reynolds' contribution in making false statements to the court in Montana, was a key part of the conspiracy against Watson that made it possible for Patton West to relocate her cult / criminal racketeering business model to Arizona. Patton West is currently targeting spiritual seekers in Sedona, masquerading as the 'Sanctified Regent of the New Americas' and the 'Revered Executor of the Divine Plan.' Before leaving the cult in 2014, Reynolds posted the following statement on social media. His contribution to aiding and abetting the massive fraud Patton West is perpetrating against the spiritual community in Sedona AZ.

Apparently, Reynolds wants everyone to know how honored he was to be a very active part of a criminal racketeering gang that involved him in fraud, extortion, false statements to court and complicity to commit murder. Since the violent campaign of intimidation he announced in August 2007, of which he is well aware, he is complicit in those crimes too. Finally, Reynolds states above that “Rishi Devra has been guiding his life for many years.” That much is true and going forward his association with her will guide him to criminal court and then a decade in jail.

In 2003 fraud victim turned whistleblower **challenged** Patton West’s criminal business model by demonstrating that her claims of being a ‘World Server’ was a front for organized crime. He sued her for fraud and put up a website about her criminal activities in Montana. In response to having her lies and propoganda **challenged** she tried to murder him and when that failed conspired to bankrupt into silence. In both endeavors she was joined by cult / gang members Dr. Julio E Williams & Geoffrey Reynolds CPA. Our aim is to have all three tried for attempted murder and multiple counts of racketeering.
