

RISHI DEVRA, AKA VIOLENT CON ARTIST, DEVRA PATTON WEST IS HISTORY BEING REPEATED?

While operating her criminal racketeering business model in Montana, Patton West represented herself to the public as a wealthy business woman. It was all illusion and all a massive fraud.

Between 1995 to 2004, Patton West operated her cult / criminal racketeering business model out of compound in Victor MT. During this time, she was calling herself the Ascended Master [Devra Ji](#). Two of her most memorable statements from this period of time were that she was [single handedly holding open the gates of time](#) and that her two (fake) doctorates were awarded to her [by the Christ](#) in person.

Here are some images from circa 2002 when she was calling herself Devra Ji.....

Above center: The class of 2002. Members of her cult were routinely bullied and mentally and physically abused. CIA mind control tactics were used by Patton West to 'force' students and employees to submit to Patton West's will, and then after they became 'compliant', each were 'harvested' for their money and for their energy. The public thought that the cash donations were being used to pay for Na Ka' Shela (above left) the property owned by the charity. In reality, most of the money was going into Patton West's pocket to fund her luxurious lifestyle. Many of the individuals featured above were the victims of theft, fraud, extortion and violent assault. One victim was kidnapped and held captive and beaten until she agreed to make a large 'donation' to Patton West out of the proceeds of her home which she had recently sold. In August 2002, Patton West made the mistake of defrauding a business consultant who reported her crimes to the authorities. As a result, her charity, 'The Circle of Divine Unity' was struck off the MT charity register in January 2004 and the IRS launched a criminal investigation into Patton West's activities. Patton West, a career criminal, responded by doing the following:-

1. Ordering members of her cult to [shred](#) all the incriminating documents.
2. By an elaborate scheme of [fake loans](#), Patton West stole the charity's property (worth \$1,250,000 in 2004) and put it in a personal trust fund for her and her eldest son, Rob Meador. In 2008, a judge broke the trust and ordered that the property be the subject of a [Sheriff's Sale](#) and sold at auction to pay past victims of crime \$2,000,000 in court fines and interest.
3. Patton West stole \$4,000,000 worth of artwork and valuables belonging to the charity. Put the items in a lock up and then moved them to Arizona in 2014, where some were sold at auction, [some sold from her website](#) and others used as props to give the illusion that she is a successful business woman instead of a violent and resourceful career criminal.
4. Instead of declaring that she was close to bankruptcy (for the second time) Patton West declared that she was moving her operation from Victor MT to Shamballa. Shamballa being Flathead Lake MT, just 1000 miles north of Victor MT.

Being cash strapped, she also announced that she could only take 12 disciples to Shamballa and only those prepared to commit [66% of their net worth](#) to her. Follow the previous link and scroll down to Page 3 Paragraph 11 for that comment. Follow these three links [1](#), [2](#) & [3](#) to read about what happened to one of those disciples, Dr. Pat Cole MD.

Images from circa 2005 to 2009 when she was calling herself Surya Ma – [Is history being repeated?](#)

**MASSIVE FRAUD, EVICTED TWICE,
TWO ARREST WARRANTS & A
CONVICTION FOR ASSAULT**

Having moved to Shamballa (Lakeside MT) Patton West, complete with a new name [Surya Ma](#) and new fake bio / life story wasted no time creating her latest 'save the planet' fraud / extortion scam. The above image (top one of the two) were posted on Patton West's website and used to illicit donations from the public. In reality the 'Living Waters Healing Project' did not exist other than in the mind of Patton West. The multi-million dollar lakeside property being featured in the enlarged bottom image belonged to Robert & Tabby Ivy, who repeatedly over a two year period, asked Patton West not to use images of their home in her brochures and on her website. Go [here](#) to read the couple's comments as given to the Whitefish Pilot newspaper reporter. Patton West fraudulently used images of the Ivy's property to appear wealthy. The lies and the fraud did not end there, as when in court in July 2007, in answer to a question, Patton West declared that her business interests were ['billion dollar'](#) concerns.

Patton West made that statement while being evicted from two rental properties in quick succession, and while having a lien against her for \$2,287 in unpaid employment insurance. The [Bigfork Eagle](#) newspaper gives details.

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber. She is a virtual wellspring of living divinity."

Julio Williams MD 2017.

During Patton West's tenure at 'Shamballa', Patton West racked up no less than two arrest warrants, a conviction for assault and was forced to sell all her assets, (those she had not hidden from creditors) at a Sheriff's Sale to pay past victims of crime \$2,000,000 in court fines and interest! Then there was her multiple appearances in court, as the defendant in other fraud related lawsuits (see lower down in this bulletin). Throughout this period, Dr. Julio E Williams MD had his [biography](#) posted on her website using his perceived respectability as a physician to draw in more victims. At the same time, as he was misrepresenting Patton West as the next Messiah, Williams sent a threatening expletive laden emails in an attempt to intimidate fraud victim-turned-whistleblower, John Watson, into dropping his fraud lawsuit against Patton West. These crimes are the tip of the iceberg. Most [crimes](#) go unreported because the victims, mainly employees and members of her cult, were too afraid to go to the police or to court.

"Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."
Geoffrey Reynolds CPA 2014

One of the lawsuits Patton West lost during this time frame was the fraud lawsuit that business consultant, John Watson, brought against her in 2003 and [won in 2008](#). From 2003 to 2008, there were countless examples of defamation by Patton West that were posted on her website. Watson was the victim of threats, false witness statements (that Patton West pressured her employees and students to write), and was the subject of a campaign of intimidation by Patton West (which is ongoing). In August 2007, Watson was the subject of a failed murder plot by Patton West, which senior cult member Geoffrey Reynolds announced a week in advance to a news reporter while being interviewed by the [Bigfork Eagle](#) newspaper. Her numerous visits to court, Watson's website put up to counter Patton West's lies and the three newspaper articles published by the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#) newspapers rendered Patton West's criminal racketeering business model dead in the water in Montana. In response, Patton West and the senior members of her cult criminal gang moved to Arizona in 2010.

Images from the latest property she was evicted from – [Is history being repeated?](#)

The rent for the above property was \$9,100 a month. Patton West was \$80,000 in rent arrears before she was evicted on December 15 2021. According to witnesses, she managed to pay the rent arrears by defrauding the government out of hundreds of thousands of dollars in **Covid Disaster Relief funds**. Patton West is currently residing in a local hotel. Her \$8,000 a month hotel bills are being paid out of the **Covid Disaster Relief funds** she fraudulently applied for, saying she would use the money to secure the jobs of non-existent employees and or create new jobs. Crime has always paid well for Patton West!

Please note above, the statuary she is posing in front of. Like the Greek Goddess outfits and fake diplomas, it is all part of a well-choreographed illusion / deception that Hollywood would be proud of. The artwork and statuary represents a tiny fraction of the artwork and valuables she stole from the Victor MT charity and hid in a lock up to hide it from her Montana creditors. The artwork and valuables were valued at \$4,000,000 in 2002. This is the artwork and valuables that Patton West stated in court in 2009 was not hers and did not exist anymore having been stolen, left behind or carried off. Go [here](#) to read her statement and scroll down to Pages 60 & 61.

The FBI, IRS and creditors should trace their whereabouts ASAP before they disappear again.

LATEST NEWS.....

- In another repeat of history, witnesses allege that Patton West is in the process of being charged with stealing **artwork and valuables** from a victim in Sedona AZ. Patton West likes artwork and collectables because along with [jewelry](#) and precious metals, they are easy to hide from the authorities. Much of her ill-gotten gains never goes near a bank.
- Witnesses allege Patton West is being investigated for fraudulently applying for and receiving Covid Emergency Relief Funds and using those funds to pay off her rent arrears of \$80,000. Patton West is also using the Covid Disaster Relief funds to pay for her \$8,000 a month hotel bills. While looking for more modest accommodation. Jail soon?
- Patton West's accountants allegedly reported her criminal activities to the IRS. Patton West probably owes tens of millions of dollars in back taxes to the IRS, local taxes in AZ, NM & MT.
- Witnesses allege that Patton West is down to her last 'follower' having destroyed several marriages (divide and conquer) and bankrupted at least one family. This was achieved by persuading a brainwashed 'follower' to empty her disabled mother's bank trust fund into Patton West's account. This called embezzlement. The follower is now destitute and her mother is in a home.

THESE LATEST CRIMES OCCURRED IN ARIZONA. SURELY THIS IS ENOUGH TO HAVE HER ARRESTED. BELOW, THE EFFORTS SHE WENT TO HIDE HER CRIMINAL PAST IN MONTANA. EFFORTS THAT INCLUDED ATTEMPTED MURDER.

Above: Had the authorities interviewed some of the scores of victims of organized crime over the past three decades they would have learned that Patton West success as a career criminal, murderer and suspected serial killer was made possible by her use of occult knowledge. After outstaying her welcome in New Mexico and Montana Patton West is now 'working' Sedona Arizona.

- Countless acts of theft, fraud, extortion, multiple vicious assaults and several suspected murders. Most victims too afraid to go to the police. Why are they too afraid?
- Chased out of New Mexico in 1995 at the point of a gun by one victim, who realised the police could not help him. Why couldn't the police help him?
- Forced to leave Montana in 2010 after numerous visits to court as the defendant in fraud related lawsuits and multiple negative news articles, that made it clear she was a con artist.
- While in Montana, she was found guilty of assault and was the subject of two arrest warrants (felony theft and criminal check fraud). She was also the subject of a Sheriff's Sale to force her to pay past victims of crime \$2,000,000 in fines and interest.
- And yet, she was allowed to relocate to Arizona and run the same gigantic / fraud extortion scam there. Why?

FBI TAKE NOTE – Countless acts of theft, fraud, extortion and one well documented kidnap and false imprisonment. One well documented count of attempted murder involving Dr. Julio E Williams & Geoffrey Reynolds CPA. Both accomplices were strangers to Watson but both were under Patton West's full control. According to Patton West's ex-husband, Jack West, there may be several suspected murders.

All of this occurred over a 31 year career and committed in three western states. What are you waiting for, a signed confession?

To discredit those telling the truth about her criminal past in Montana & New Mexico, and to position herself in Arizona as a victim of fraud, Patton West has published a number of totally false postings on-line that assert that she is a victim of a non-existent cyber scam. Patton West alleges that the person who told the truth about her in Montana which forced her to leave that state (the person she defrauded, tried to murder and tried to bankrupt) has an international arrest warrant issued against him. To counter these lies, we have added a new webpage to both our websites. You can review our debunking of Patton West's assertion that she won a fictitious 'cyber scam fraud case' by following these links:-

<https://therishi.info/nonexistent.html>

This bulletin contains documents, in the form of court records and newspaper articles, which evidence several crimes committed by Patton West in Montana. This is just the tip of the iceberg.

For thirty one years, Patton West has operated her criminal racketeering business model in three western states, right under the noses of the authorities. Patton West has terrorized scores or hundreds of victims who, after being duped in to becoming her disciples, on the promise of enlightenment, became the victims of financial and violent crimes. Many of them coerced into 'donating' tens of thousands of dollars and some coerced into taking out loans and [mortgages](#) for her. Victims tempted to go public are TERRORIZED into silence.

To review statements given by scores of victims, go to the [documents page](#) and the [audio recordings](#) page on two websites put up to warn the public about the real dangers of associating with this evil, despicable creature, who masquerades as a 'world server.' For a one stop destination to get an understanding of just how evil Patton West is, read the harrowing email her ex-office manager sent to the whistleblower in 2007. The email sent by Rebecca West (no relation to Devra West) is entitled '[Help Me.](#)' If this is not TERRORISM, I do not know what is. To learn how Patton West has been able to TERRORIZE people for 31 years and get away with it (including several suspected murders) follow the link to read about her [secret weapon](#). Those who do not believe that Patton West has a secret weapon, should ask themselves how it is that she has managed to remain at large for 31 years. As Sir Arthur Conan Doyle in one of his Sherlock Holmes novels stated, "When you have eliminated the impossible, whatever remains however improbable, must be the truth."

ONE OF OUR AIMS IS TO SEND DR. JULIO E WILLIAMS MD & GEOFFREY REYNOLDS CPA TO TRIAL FOR RACKETEERING AND COMPLICITY TO COMMIT MURDER.

Both scam bags were are totally under the control of Patton West as members of her cult criminal racketeering gang. Both were strangers to Watson and yet, Reynolds announced Watson's imminent murder to the Montana press in August 2007 and the launching of a campaign of intimidation against Watson and his family, which is ongoing. When the murder plot failed, Reynolds doubled down in his treachery by making totally false statements to a Montana court in 2010, as part of a \$10,000,000 extortion scam against Watson orchestrated by Patton West. As for Dr. Julio E Williams' role in Patton West's conspiracy in January 2007, he sent Watson an expletive laden threatening email in an attempt to derail Watson's lawsuit against his cult / gang leader. When that failed, Williams pledged \$2,000,000 of his own money to fund multiple frivolous lawsuits intended to bankrupt Watson into silence, so that Patton West could relocate her shit show to Arizona. Which is exactly what happened.

Why would [Dr. Julio E Williams MD](#) & [Geoffrey Reynolds CPA](#), who had no 'dog in the fight' risk everything in [a conspiracy](#) to 'neutralize' fraud victim-turned-whistleblower John Watson, who was a perfect stranger to both of them? The answer is that both were senior members of Patton West's cult / criminal gang. There is no other explanation for their behavior. Williams & Reynolds are going to be tried and then jailed for racketeering and complicity to commit murder. Williams has already fled the US; Reynolds has nowhere to hide.

Above left to right: Cult gang leader Patton West. Dr. Julio E Williams MD 21 year 'disciple.' Sent written threats to Watson, complicit in attempted murder of Watson and put up \$2,000,000 to bury Watson in lawsuits. Reynolds announced Watson's impending murder to local press and when that failed wrote totally false pleadings to court as part of a criminal conspiracy.

After business consultant John Watson, was defrauded by Patton West out of wages and shares in 2002. He launched a fraud lawsuit against Patton West in 2003. In 2006, Watson put up a website giving detailed information about Patton West's criminal business model and listed scores of her victims. Below are some of the details that Watson shared with the public.

This is what Patton West calls 'World Service.' We call it Organized Crime!

In 2010 and upon arrival in Arizona, Patton West changed her name from the Ascended Master Surya Ma to the Ascended Master Rishi Devra. She launched a series of websites, the current one being therishi.com. Each website showcases a fake [life story / bio](#) which fails to mention any of her crimes in Montana or New Mexico. In addition to her new identity upon arrival in Arizona, she awarded herself several new titles and accolades. Below is a snapshot of one of her many current (but totally fictitious) personas.

Above: The images above are evidence that Patton West is mentally ill and or criminally insane. Patton West's behavior clearly indicates a narcissistic personality disorder and gives us all an insight into the delusional fantasy world she exists within.

Below are a few of the many titles and accolades she has awarded herself since arriving in Arizona in 2010. Her [website](#) is full of this bullshit but no mention of her 'criminal' past. That is because it is all part of a massive fraud / extortion scam occasioned with violence and, according to her ex-husband, several murders.

[As a Planetary Regent her auspicious presence offers the rare opportunity for private audiences etc...](#)
[As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.](#)

Below, a message from the 'REGENT OF THE MASTERS' AKA criminally insane narcissist Patton West. No mention of her 'criminal' past or the violence and mental and physical abuse meted out to countless members of her cult over 30 years in three western states.

SPIRITUAL NAME

Mataji Rishi

Devra Surya Sai Adi Maa Durga Devi

REGENT OF THE MASTERS

The Unity of Souls & Nations

After many years of quietude and seclusion, the Rishi has stepped forward to accept sincere applicants into her auspices in the spiritual mecca of Sedona. She welcomes those who are compelled by the inner imperative to serve as awakened instruments of the divine. She is sanctified to embody the role of Regent of the New Americas, foretelling a time when North, South, and Central America will be unified in the common welfare of all souls. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity through an extraordinary time of global upheaval and profound transformation that charts a new course for a thriving, peaceable fellowship amongst souls, peoples and nations.

The following are two obvious examples of outright lies (see above). All apparently allowed under religious freedom laws. Even though the obvious motive is fraud.

1. She is 'sanctified' to embody the role of the 'Regent of the New Americas.' This, in spite of being chased out of New Mexico in 1995 at the point of a gun. This, in spite of being forced to leave Montana in 2010 after two arrest warrants, a conviction for assault and being forced to pay \$2,000,000 in court fines and interest to past victims of crime. This is either a miracle or total bullshit.

2. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity etc. Do you think the Divine Plan and "Great Work" involves countless acts of theft, fraud, extortion, mental and physical abuse, one murder, a well-documented attempted murder (of a whistleblower) and several suspected murders? She is either telling the truth or this is more bullshit and part of a well-oiled criminal plan. Or she is mentally ill!

Let's call the above "Alternate Facts." All part of a massive wire and mail fraud scam. All apparently allowed under Religious Freedom Laws.

HERE ARE SOME MORE ALTERNATIVE FACTS!

After thirty years of racketeering in three western states leaving behind countless victims of mental and physical abuse, theft, fraud, extortion and several suspected murders, Patton West believes she is a "regent of the spiritual hierarchy" who is going to leave behind a "legacy." This would be a very amusing if Patton West were not such a danger to the public.

THE LEGACY

1.

The Sedona Gateway for Enlightenment

After thousands of years of waiting for the appointed time, an auspicious gateway for spiritual advancement has opened, that bestows the tangible experience of the Immortal Masters. The Path of Enlightenment is held in Sedona, Arizona to amplify sustained access to your master self. As a regent of the Spiritual Hierarchy, the Rishi emanates the dynamic transmittal of planetary prophecy and vistas of sacred knowledge being unveiled for the first time in our planets history. One hundred years from now, the the Rishi's Path of Enlightenment will be remembered as a ground breaking mile marker for modern mastery. Convening the supra genius of the enlightened state of embodied mastery, she leads a new era for world service, that sets a new standard for prospering all spectrums of world betterment.

2.

What was once, but a shimmer of hope and aspiration, is now divine destiny becoming manifest.

1. As a "regent of the spiritual hierarchy" etc. This is just bullshit like her assertion that she is [The Regent of the Masters](#) (i.e. above Jesus Christ), [The Western Regent](#) (spiritual overlord to the western hemisphere), [The Mother of Ten Thousand Suns](#), [The Mataji](#), [Divine Mother](#), she has been preparing [to lead humanity for thousands of years](#), is [holding open the gates of time](#) and who received her two doctorates [from the Christ in person](#) etc.

2. Five years from now, Patton West will be recognized as one of America's most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then, there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson who Patton West tried to murder in 2007.

WE SAY....

A MASSIVE FRAUD NETTING MILLIONS OF DOLLARS A YEAR PREDICATED ON LIES AND PERPETUATED WITH THREATS OF VIOLENCE AND MURDER. ALL UNDER THE AUTHORITIES NOSES!

UP UNTIL RECENTLY ONE OF THE MOST PROFITABLE 'CONS' USED BY PATTON WEST WAS THE SALE OF MIRACLE CURES FOR CANCER AS ENDORSED BY ESSENTIA HEALTH'S DR. JULIO E WILLIAMS MD.

DR. WILLIAMS RECENTLY FLED THE US FEARING ARREST FOR 16 YEARS OF RACKETEERING AND COMPLICITY TO COMMIT MURDER!

Miracle Cures for Cancer (sold as '[Divine Grace Healings](#)') are endorsed by **Dr. Julio E Williams MD** a thoracic surgeon currently employed by **Essentia Health**.

In the past Dr. Williams has even provided [his own home as a venue](#) for the ~~fraud and extortion~~ miracle cures to take place. Did **Essentia Health** know what they were getting into when they [welcomed Dr. Williams](#) to their 32nd Ave clinic, Fargo ND in 2018? Unlikely as he is a pathological liar. The fact that Dr. Julio Williams MD is a 21 year disciple of Patton West's cult, an active member of criminal racketeering gang, has provided her with numerous fake 'testimonials' and has [pledged millions of dollars](#) of his own wealth so that Patton West can outspend victims who take her to court is probably just a coincidence. Since Dr. Julio Williams has [staked his honor and credibility](#) (follow the link and scroll down the page) on defending her personal integrity in spite of the long list of crimes (see below in this bulletin) we can only assume that Dr. Williams has no integrity? That being the case why is **Essentia Health** employing him?

NOTE TO FBI. DOES NOT RACKETEERING ACROSS MULTIPLE STATES FALL UNDER YOUR PURVIEW? WHAT ABOUT KIDNAP AND FALSE IMPRISONMENT? WHAT ABOUT MURDERERS AND SUSPECTED SERIAL KILLERS?
