

**RISHI DEVRA – 31 YEARS OF DOMESTIC TERRORISM, MULTIPLE SUSPECTED MURDERS AND COUNTLESS ACTS OF THEFT, FRAUD & EXTORTION OCCASSIONED WITH VIOLENCE.**

**WE ASK THE QUESTION IS EXECUTION TOO GOOD FOR SELF APPOINTED PLANETARY REGENT DEVRA PATTON WEST?**

If one visits [Real Raw News](#) website, one can see that military tribunals are being held at GITMO for those accused of treason, crimes against humanity, and child trafficking. Many of those convicted are executed by hanging or given life sentences. What about vicious career criminals like Patton West? What is the appropriate penalty for a suspected serial killer, who has gotten away with domestic terrorism for three decades or more? Let us not forget the one well documented attempted murder by Patton West of a fraud victim who went public (that victim is waiting to be interviewed by the authorities). Patton West's fate is for the courts to decide, though for decades she has run rings around the court with her lies and her ability to mobilize false witnesses from her cult to testify on her behalf. Our role is to get Patton West and her accomplices into a criminal court. That said, in reality, Patton West's crimes are so serious that she should join those in GITMO and be tried by a military tribunal.

While we wait for the FBI and police to get their act together, below are some examples from Montana of what Patton West calls 'World Service.'

Above from left to right: A 2007 arrest warrant for [Felony Theft](#). God knows who she is praying for but it is certainly not her business partner, Dr. Pat Cole MD, who Patton West [viciously assaulted](#) while successfully extorting \$1.3 million from the victim. Patton West got away with a [\\$500 fine and a 6 month suspended prison sentence](#). A 2008 arrest warrant for [criminal check fraud](#). Far right: the 2008 notice of a [Sheriff's Sale](#) at which all of Patton West's known assets were sold to pay past victims of crime \$2,000,000 in court fines and interest. Most of Patton West's assets were hidden in a lock up and not declared to the court or her creditors. Patton West was chased out of New Mexico in the middle of the night in 1995 by one victim wielding a loaded gun.

In 2010, Patton West was forced to leave Montana after fraud victim and whistleblower, John Watson, (whom Patton West tried to murder) successfully sued her for fraud, put up a website and caused three newspaper articles to be published. Every time she moves she changes her identity and her fake bio / life story.

**WHILE WE WAIT FOR THE FBI & POLICE TO GET THEIR HEADS OUT OF THE SAND PLEASE READ ABOUT THE 'WELCOME MAT' PUT OUT BY ONE ARIZONA COMMUNITY.....**

**WARNING** - This woman is dangerous to your wealth and your health. After Patton West was evicted from her rented mansion after running up \$80,000 in rent arrears, she moved into a condo in a small Arizona community. Below is part of the response by that community after con artist Patton West moved into their community.....

Credit for the above photos goes to Cult Watch USA whose web site can be found by going [here](#). Check out Cult Watch USA's Facebook pages by going [here](#).

Recently Cult Watch USA met with two IRS agents to deliver a package about Patton West's criminal activities since arriving in Arizona. I am told this package majored on Patton West's most recent crimes chiefly her defrauding the government out of Covid Relief Disaster Funds and her embezzlement of the trust fund belonging to the mother of one of her followers. We are also informed that a new police report is being filed against Patton West (and her only remaining slave Lalita) for elder abuse.

Cult Watch USA know exactly where Devil West is living. Apparently Patton West is living in a 2,000' apartment which we are told is being paid for by the remainder of the 'Covid Loan.' One of CW USA's operatives placed several banners in the front yard of the apartment building where Patton West resides. The whole neighborhood has been plastered with these banners I suspect everyone in the neighborhood knows who she is and where she is living. Copies of the banners have been placed at the stores she visits, the restaurants she visits and where she gets her nails done. Additionally posters have been sent out to realtors and landlords locally giving them details of recent eviction, rent arrears and criminal activity. I am surprised that she found someone willing to rent an apartment to her. I wonder how long it will be before this pariah / parasite chooses to move on to fresh hunting grounds. Assuming she is not arrested before she has the chance to flee the country to avoid prosecution?

**WHY DID PATTON WEST MURDER ONE OF HER STUDENTS IN 2005?**

**Question:** In 2005 Patton West, then masquerading as the Ascended Master 'Devra Ji,' murdered one of her long term students, disciples, cult members Lisa Swidler. Why was it necessary to 'silence' Lisa Swidler a young mother of two small children under the age of ten?

**Answer:** Lisa was murdered to stop her going public or going to the police. Lisa witnessed Patton West defrauding student Dave Kushner out of \$30,000. Lisa was also aware that Patton West had kidnapped, held captive, beaten long term student Marion Cantwell until Marion gave up part of the sale proceeds of her home to Patton West. Upon release Marion was told that if she went to the police she would be murdered!

Victim [Dave Kushner](#) gave an audio statement to the whistleblower in which he describes how he was defrauded by Patton West. Dave Kushner also gave a lengthy statement about [Marion Cantwell's](#) ordeal. Marion's ordeal was further corroborated by another witness. Murder is common place in the cult as was made clear by Patton West's ex-husband Jack West who in 2002 told the whistleblower that those who opposed his wife had a habit of dying suddenly. Murder within the cult is also a salutary lesson to others in the cult who might be tempted to go public or go to the police. Also in 2005 long term student [Mike Hendrickson](#) was defrauded out of \$200,000 this is mentioned briefly at the very end of this email sent to Watson by one of Patton West's employees. Fearing for his own life Hendrickson chose to walk away empty handed.

**Why did the Police & FBI fail to investigate Lisa's murder?**

Because Lisa's murder (and other extra-judicial killings by Patton West) all appear to the coroner as 'deaths by natural causes.' Patton West's use of occult knowledge allows her to murder with impunity (so far). Her entire fake paradigm is built on her ability to visit pain, suffering and murder upon those who oppose her. Lisa Swidler was 'successfully' murdered but the attempt to murder John Watson in 2007 failed.

**How many others have been murdered over the past three decades or been the subject of countless domestic terror attacks?**

Meet the senior cult / gang members who have [knowingly](#) aided, abetted and funded Patton West's criminal activities for, in most cases, decades we are referring to ex-husband [Jack West](#), [Dr. Julio E Williams MD](#) and [Geoffrey Reynolds CPA](#).

**MURDER SO COMMON PLACE THAT VICTIMS NAMES ARE MADE PUBLIC TO THE LOCAL PRESS IN ADVANCE. AS WAS THE CASE WITH FRAUD VICTIM TURNED WHISTLEBLOWER JOHN WATSON.**

**Victim No. 1 - Dr. Pat Cole MD – Patton West’s business partner and long term cult member.**

Patton West viciously assaulted Dr. Pat Cole MD on a number of occasions as part of the process of extorting \$1.3M from Cole. During one of the assaults Patton West repeatedly hit Cole over the head with the heel of her shoe until blood ran down the victims' blouse.

Patton West was overheard by another employee stating that, because she was an enlightened being, she did not care about murdering Cole because she, Patton West, would be just as comfortable in a \$6M mansion as in a 6' X 6' jail cell!

Patton West was convicted of assaulting Cole in 2008.

Dr. Cole MD was one of scores of victims who joined Patton West's cult on the promise of 'enlightenment.' As Patton West's [website](#) shows this is the approach currently being used by Patton West as she targets the spiritual / metaphysical community in Sedona AZ. The [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers go into detail about the assault by Patton West on Cole. Here is a link to the press announcement of Patton West's conviction for assault. Here is a link to Carlida Finch's [statement](#) to the authorities affirming that Patton West was planning to murder Cole if Cole did not transfer her entire net worth into Patton West's bank account. Fearing for her life and being brutalized daily Cole signed over her home to Patton West (worth \$750,000) and paid \$436,000 to Patton West for an 'internship' and for 'therapy.' In a statement given to the [Bigfork Eagle](#) newspaper Geoffrey Reynolds admits money laundered the \$436K through Patton West's business as 'normal' business receipts!

*Above: Had the authorities interviewed some of the scores of victims of organized crime over the past three decades, they would have learned that Patton West's success as a career criminal, murderer and suspected serial killer, was made possible by her use of occult knowledge. After outstaying her welcome in New Mexico and Montana, Patton West is now 'working' Sedona Arizona.*

**Victim No. 2 – John Watson – Patton West’s business partner and business consultant.**

After being defrauded out of pay and shares business consultant John Watson successfully sued Patton West for fraud and won that lawsuit in 2008. Along the way Watson put up his own website and caused three newspaper articles to be published about Patton West's criminal activities in Montana. This eventually led to the cult leaving Montana.

In January 2007 Watson received an expletive laden email from senior cult member Dr. Julio E Williams MD an obvious attempt to intimidate Watson into dropping his lawsuit against Patton West. In August 2007 senior cult member Geoffrey Reynolds CPA announced Watson's impending murder to the local press. A week later Patton West made a failed attempt on Watson's life.

John Watson joined Patton West as a consultant in January 2002 leaving after being defrauded in August 2002. After Watson launched a fraud lawsuit against Patton West in 2003 he became the victim of countless [defamations](#) at the hands of Patton West and the senior members of her cult. In December 2006 Watson and his wife and children became the victims of a campaign of [occult violence](#) directed at them by Patton West. In August 2007 [Geoffrey Reynolds](#), in addition to announcing Watson's impending murder by Patton West, also announced a campaign of occult 'under the radar' violence against Watson, his wife and children which is ongoing to this day some 15 plus years later. Watson and his family are not the only victims of this form of intimidation / violence as evidenced by [the harrowing statement](#) given by Rebecca West (no relation to Devra West). In addition to affirming the use of an occult weapon by Patton West against many of her victims Rebecca also affirms that, at the time of writing, Patton West was committing multiple serious crimes against her employees.

**THERE ARE SCORES OR HUNDREDS OF VICTIMS LIKE DR. PAT COLE AND JOHN WATSON**

**WHY ARE THE FBI IGNORING WHAT COULD BE ONE OF AMERICAS MOST PROLIFIC SERIAL KILLERS?**

For the past 31 years Patton West has used her [occult weapon](#) to rob, defraud and extort an estimated \$30M to \$50M from countless victims attracted to her cult on the promise of 'enlightenment.' Zero tax paid on any of this money which is hidden in offshore bank accounts or converted to [jewels](#) and precious metals.

*Above: Imagine giving a criminally insane narcissist the codes to a nuclear bomb. This is the equivalent of what Patton West acquired between 1990 & 1991 while attending the 'Robert Jaffe School for Energy Mastery.' Being criminally insane she has used this occult (hidden) knowledge for the past 28 years to feather her own financial nest at the expense of scores of others.*

**FBI TAKE NOTE:** On your [website](#) you define 'Domestic Terrorism' thusly:-

Domestic terrorism: Violent, criminal acts committed by individuals and/or groups to further ideological goals stemming from domestic influences, such as those of a political, religious, social, racial, or environmental nature. Violent acts used to coerce others.

GO [HERE](#) FOR A FULL DESCRIPTION OF PATTON WEST'S OCCULT WEAPON AND HOW IT IS USED TO:-

1. COERCE VICTIMS INTO EMPTYING THEIR BANK ACCOUNTS INTO PATTON WEST'S BANK.
2. INTIMIDATE VICTIMS & WITNESSES INTO NOT GOING TO THE POLICE OR LAW COURTS FOR RESTITUTION.
3. MURDER THOSE LIKE WATSON WHO GO PUBLIC ABOUT PATTON WEST AND HER ACCOMPLICES.

**BOTH WILLIAMS & REYNOLDS ARE AWARE OF HUNDREDS OF DOMESTIC TERROR ATTACKS LAUNCHED BY PATTON WEST AGAINST JOHN WATSON, HIS WIFE AND CHILDREN AND COUNTLESS OTHER VICTIMS.**

*From left to right. Geoffrey Reynolds CPA liar for hire, complicit in attempted murder, fraud, extortion and domestic terrorism. Patton West a criminally insane narcissist, murderer and suspected serial killer. Dr. Julio E Williams MD complicit in attempted murder, domestic terrorism, the sale of fake cures for cancer and guilty of funding organized crime.*

**THESE ARE THE TERROR ATTACKS GEOFFREY REYNOLDS CPA ANNOUNCED TO A LOCAL MONTANA NEWS REPORTER IN AUGUST 2007 ALONG WITH NEWS OF WATSON'S IMPENDING MURDER.**

I DEFY THE FBI AND ANY OTHER LAW ENFORCEMENT AGENCY TO REVIEW THE NATURE OF THESE VIOLENT ASSAULTS AND THEN TO CHARACTERIZE THEM AS ANYING OTHER THAN TERROR ATTACKS.

**BOTH REYNOLDS & WILLIAMS HAVE RECEIVED HUNDREDS OF EMAILS FROM WATSON DETAILING THE ONGOING TERROR ATTACKS! REYNOLDS & WILLIAMS ARE THEREFORE WILLING ACCOMPLICES IN DOMESTIC TERRORISM AND MURDER!**

Over the past three decades a veritable conveyor belt of victims have been suckered into joining Patton West's cult with the promise of enlightenment, have been robbed, defrauded and become the victim of extortion. Patton West believes that after acquiring occult knowledge between 1990 & 1991 it elevated her status to that of a minor deity. She believes that being in possession of a secret occult (hidden) weapon makes her the 'apex predator' and that it is her right to prey on lesser beings. That would be you and I and everyone else she meets. Go here to review a list of well documented [crimes](#) and here to review [written](#) and [audio](#) statements from ex-employees and students.

After fraud victim John Watson went public about Patton West's crimes in Montana her criminal racketeering business model was dead in the water as no one walks into a trap if they know it is there. In order to be able to relocate to Arizona without the inconvenient truth following her Patton West, aided and abetted by Reynolds & Williams conspired to murder Watson. Motive? Millions of dollars a year lost in revenue from organized crime and domestic terrorism.

**Below some of the crimes Patton West hoped to hide from the public in Arizona by murdering Watson. This is the tip of the iceberg.**

WE CALL IT ORGANIZED CRIME.**

Whether Patton West is criminally insane or venally evil one thing we can be sure of is that she is a [pathological liar](#). During the last 31 years she has changed her name and physical location several times. She was called '[Devra Ji](#)' in New Mexico and Victor MT. In 2005, after her charity was struck off for fraud, she relocated to Lakeside MT calling herself '[Surya Ma.](#)' After multiple visits to court as the defendant in fraud related lawsuits, a conviction for assault and being the recipient of three negative newspaper articles Patton West was forced to leave Montana for Arizona. Arizona being the third western state she has targeted since declaring herself and Ascended Master in 1991. Upon arrival in Arizona in 2010 Patton West changed her name again this time to '[Rishi Devra.](#)' At each new location Patton West creates a new [fake biography](#) and portrays herself via her [website](#) and Facebook pages as a wealthy business woman.

**In reality Patton West is an ex-bankrupt and her criminal racketeering business model would have died a death decades ago but for the financial support given by her wealthy disciples / cult members. Financial support given even though the long list of crimes detailed above occurred during their association with Patton West's cult / criminal gang.**

*Above: Two of the most prominent donors (funders of organized crime and domestic terrorism) are Dr. Julio E Williams MD and Brazilian heiress Corinne Coffin AKA Tanmayo.*

Two prominent donors, **Dr. Julio E Williams MD** and **Corinne Coffin** are both disciples and long term members (two decades or more) of Patton West's cult. While we are 100% certain that Dr. Julio E Williams MD knew that Patton West was a dangerous psychopath, a murderer and suspected serial killer it is unclear whether Ms. Coffin, who resides in Brazil, knew exactly what the millions she 'donated' was being used for. Ms. Coffin certainly knew that business consultant John Watson had been defrauded in 2002 as they were both partners in Millennia Mind at the time. Ms. Coffin was certainly aware of the content of the website Watson put up in 2006 detailing many of Patton West's [crimes](#) which remained up until 2010. We are certain that Ms. Coffin was aware of Patton West's many changes of name and location over the past 20 years or so. It is uncertain, during a criminal trial for racketeering and domestic terrorism, whether a plea of ignorance will be accepted as a defense. What we do know for sure is that as far back as 2007 Ms. Coffin's son was very angry that his inheritance was being given to Patton West.

Follow [this link](#) to a harrowing email entitled 'Help Me' that (Go to Page 2, third paragraph) Watson received from one of Patton West's employees who mentioned an angry phone call from Ms. Coffin's son demanding that Patton West repay the millions she had received from Ms. Coffin. On Page 2 first paragraph the writer mentions a \$100K donation given by Williams to Patton West. This a down payment on the \$2M he pledged to give Patton West so she could outspend her victims in civil court. Victims of theft, fraud, extortion and physical assaults.

According to [documents](#) obtained from the Arizona government both Williams & Coffin remained officers of Patton West's corporation until 2021. This makes them jointly and severally liable for the many crimes that Patton West committed while they were on Patton West's board of directors. In addition to the contents of Watson's old web site taken down in 2010, both Williams and Ms. Coffin must have been aware of contents of the two websites put up about Patton West's criminal activities several years ago. Websites that remain up and which detail Patton West's multiple visits to court as the defendant in fraud related lawsuits, her two arrest warrants, her conviction for assault and the forced sale of her assets at a [Sheriff's Sale](#) in 2008. All three websites, the one taken down in 2010 and the more recent [Omni Awakening](#) and [The Rishi](#) make it very clear that for decades it has been obvious that Patton West was a career criminal and a vicious and dangerous psychopath. So why did Williams & Coffin remain part of Patton West's criminal racketeering business model until 2021? That's for the courts to decide!

**AN IMPORTANT PART OF THE MASSIVE DECADES OLD FRAUD IS PATTON WEST PRESENTING HERSELF TO THE PUBLIC AS A WEALTHY SUCCESSFUL BUSINESS WOMAN. HERE ARE THREE EXAMPLES.....**

### **ABODE OF THE DISASTERS NO. 1 (1995 to 2004)**

While operating her criminal racketeering business model in Montana, Patton West represented herself to the public as a wealthy business woman. It was all illusion and all a massive fraud. Between 1995 to 2004, Patton West operated her cult / criminal racketeering business model out of compound in Victor MT. During this time, she was calling herself the Ascended Master [Devra Ji](#). Two of her most memorable statements from this period of time were that she was [single handedly holding open the gates of time](#) and that her two (fake) doctorates were awarded to her [by the Christ](#) in person.

**Here are some images from circa 2002 when she was calling herself Devra Ji.....**

Above center: The class of 2002. Members of her cult were routinely bullied and mentally and physically abused. CIA mind control tactics were used by Patton West to 'force' students and employees to submit to Patton West's will and then after they became 'compliant' each were 'harvested' for their money and for their energy. The public thought that the cash donations were being used to pay for Na Ka' Shela (above left) the property owned by the charity. In reality most of the money was going into Patton West's pocket to fund her luxurious lifestyle. Many of the individuals featured above were the victims of theft, fraud, extortion and violent assault. One victim was kidnapped and held captive and beaten until she agreed to make a large 'donation' to Patton West out of the proceeds of her home which she had recently sold. In August 2002 Patton West made the mistake of defrauding a business consultant who reported her crimes to the authorities. As a result her charity, 'The Circle of Divine Unity' was struck off the MT charity register in January 2004 and the IRS launched a criminal investigation into Patton West's activities. Patton West, a career criminal, responded by doing the following:-

1. Ordering members of her cult to [shred](#) all the incriminating documents.
2. By an elaborate scheme of [fake loans](#) Patton West stole the charity's property (worth \$1,250,000 in 2004) and put it in a personal trust fund for her and her eldest son Rob Meador. In 2008 a judge broke the trust and ordered that the property be the subject of a [Sheriff's Sale](#) and sold at auction to pay past victims of crime \$2,000,000 in court fines and interest.
3. Patton West stole \$4,000,000 worth of artwork and valuables belonging to the charity. Put the items in a lock up and then moved them to Arizona in 2014 where some were sold at auction, [some sold from her website](#) and others used as props to give the illusion that she is a successful business woman instead of a violent and resourceful career criminal.
4. Instead of declaring that she was close to bankruptcy (for the second time) Patton West declared that she was moving her operation from Victor MT to Shamballa. Shamballa being Flathead Lake MT just 1000 miles north of Victor MT. Being cash strapped she also announced that she could only take 12 disciples to Shamballa and only those prepared to commit [66% of their net worth](#) to her. Follow the previous link and scroll down to Page 3 Paragraph 11 for that comment. Follow these three links [1](#), [2](#) & [3](#) to read about what happened to one of those disciples, Dr. Pat Cole MD.

**ABODE OF THE DISASTERS NO. 2 (2005 to 2008)**

Images from circa 2005 to 2009 when she was calling herself Surya Ma

**MASSIVE FRAUD, EVICTED TWICE,  
TWO ARREST WARRANTS & A  
CONVICTION FOR ASSAULT**

Having moved to Shamballa (Lakeside MT) Patton West, complete with a new name [Surva Ma](#) and new fake bio / life story wasted no time creating her latest 'save the planet' fraud / extortion scam. The above image (top one of the two) were posted on Patton West's website and used to illicit donations from the public. In reality, the 'Living Waters Healing Project' did not exist other than in the mind of Patton West. The multimillion dollar lakeside property being featured in the enlarged bottom image belonged to Robert & Tabby Ivy who repeatedly, over a two year period, asked Patton West not to use images of their home in her brochures and on her website. Go [here](#) to read the couple's comments as given to the Whitefish Pilot newspaper reporter. Patton West fraudulently used images of the Ivy's property to appear wealthy. The lies and the fraud did not end there as when in court in July 2007, in answer to a question, Patton West declared that her business interests were ['billion dollar'](#) concerns.

**Patton West made that statement while being evicted from two rental properties in quick succession and while having a lien against her for \$2,287 in unpaid employment insurance. The [Bigfork Eagle](#) newspaper gives details.**

*"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber. She is a virtual wellspring of living divinity."*

*Julio Williams MD 2017.*

During Patton West's tenure at 'Shamballa' Patton West racked up no less than two arrest warrants, a conviction for assault and was forced to sell all her assets, (those she had not hidden from creditors) at a Sheriff's Sale to pay past victims of crime \$2,000,000 in court fines and interest!

Then there was her multiple appearances in court as the defendant in other fraud related lawsuits (see above for a short list of some of those lawsuits). Throughout this period [Dr. Julio E Williams MD](#) had his [biography](#) posted on her website using his perceived respectability as a physician to draw in more victims. At the same time as Williams was misrepresenting Patton West as the next Messiah Williams he sent a threatening [expletive laden email](#) in an attempt to intimidate fraud victim turned whistleblower John Watson into dropping his fraud lawsuit against Patton West. These crimes are the tip of the iceberg most [crimes](#) go unreported because the victims, mainly employees and members of her cult, were too afraid to go to the police or to court.

*"Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."*

*Geoffrey Reynolds CPA 2014*

One of the lawsuits Patton West lost during this time frame was the fraud lawsuit that business consultant John Watson brought against her in 2003 and [won in 2008](#). From 2003 to 2008 Watson was the subject of countless defamatory [statements](#) authored by Patton West and posted on her website. Watson was the victim of threats, [false witness statements](#) (that Patton West pressured her employees and students to write), and was the subject of a campaign of intimidation by Patton West (which is ongoing). In August 2007 Watson was the subject of a failed murder plot by Patton West which senior cult member Geoffrey Reynolds [announced](#) a week in advance to a news reporter while being interviewed by the [Bigfork Eagle](#) newspaper. Her numerous visits to court, Watson's website and the three newspaper articles published by the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#) newspapers rendered Patton West's criminal racketeering business model dead in the water in Montana. In response Patton West and the senior members of her cult criminal gang moved to Arizona in 2010.

### **ABODE OF THE DISASTERS NO. 3 (2009 to 2009)**

By 2008 Patton West's criminal racketeering activities in Montana ('World Service') had racked up three negative newspaper articles ([Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#)), Patton West had made dozens of appearances in court as the defendant in fraud related lawsuits, was the recipient of two arrest warrants and a conviction for assault. Also in 2008 Patton West was the subject of a [Sheriff's Sale](#) at which she was forced to sell all her assets (those not hidden from her creditors) to force her to pay past victims of crime \$2,000,000 in court fines and interest. This left Patton West temporarily without a permanent address. Not wishing to speculate we have relied on a statement Patton West gave the whistleblower's lawyer while being deposed' in October 2009.

You can review the entire statement by going [here](#). According to the Master Liar's statement Patton West was, at the time the statement was taken on October 9 2009, living in a caravan in the garden at the back of Geoffrey Reynolds' home.

12 Q. Ever spend any time down in the Phoenix  
13 area?  
14 A. Occasionally.  
15 Q. Again in hotels?  
16 A. Uh-huh, friends' homes, things of that  
17 nature.  
18 Q. Do you have any ownership interest in any  
19 real property?  
20 A. None whatsoever.  
21 Q. Who owns the house at 76 Shelter Cove?  
22 A. Mr. Reynolds does.  
23 Q. And are you renting it from Mr. Reynolds?  
24 A. No. I'm living in a very nice -- what do  
25 you call it -- travel trailer on the property in the

Page 8  
1 back of the property.  
2 Q. So you don't actually reside in the house?  
3 A. No.  
4 Q. And Mr. Reynolds doesn't charge you any rent  
5 to stay on the land or anything like that?  
6 A. No.

In addition to the revelation that Patton West was living in a caravan rent free in the back of Reynolds' garden Patton West makes it very clear on multiple occasions that Geoffrey Reynolds was the 'money man.' Patton West has a long history of directing responsibility for her crimes on to her minions. The statement Patton West gave on October 9 2009 to Watson's lawyer makes it very clear that Reynolds is being set up to take the blame for controlling the finances in what is obviously a series of corporations fronting organized crime. It is clear from other documents and witnesses that Reynolds was totally aware that Patton West was a career criminal, a murderer and a suspected serial killer. Remember Reynolds had announced Watson's murder to a local newspaper one week before Patton West made a failed attempt on Watson's life just two years earlier in August 2007. Amongst all the obvious lies given during her statement Patton West does admit that she is \$2,000,000 in debt, owes the IRS money, owes credit cards money, owes banks money and owes members of her cult / gang money (Reynolds, Williams and others).

None of the above information shows up in her life story / bio which like her many titles and accolades it is all fiction. All part of a massive fraud / extortion racket.

#### **ABODE OF THE DISASTERS NO. 4 (2010 to 2014)**

In 2009 Patton West was deposed by Watson's lawyer in an attempt to find out where all the money had gone. Shortly after giving a lengthy [statement](#) in which she declared herself \$2,000,000 in debt and living in a caravan in Reynolds' back garden, Patton West moves into a \$7,000 a month mansion in Cave Creek AZ. Who says crime does not pay! During the deposition Patton West was asked about millions of dollars of artwork and valuables that were owned by the charity 'The Circle of Divine Unity' but went missing in 2004. Patton West's response to this line of questioning was that the artwork and valuables were stolen or went missing or carried off (by persons unknown).

Below here are a couple of pages from the [statement](#) she gave on October 9 2009. Her answers are a total pack of lies.

25 Q. Did you ever have numerous pieces of art?  
Page 61

1 A. At one point in time I had some art. Again,  
2 a great deal of it was stolen as well.  
3 (Exhibit I marked for Identification.)  
4 Q. If you would take a look at that, Ms. West.  
5 Have you seen that document before?  
6 A. Yes, I sure have.  
7 Q. Can you tell me what it is?  
8 A. This was created by some of the non-profit  
9 people. It was shown to me. They were trying to I  
10 believe at the time convince me to become involved in  
11 trying to -- they were trying to not lose the  
12 property down there. It was I think -- I'm thinking  
13 they were late on their payments or whatever. So  
14 this was created by a couple of people.  
15 Most of it is pretty far-fetched. I mean I  
16 can tell by looking at it that the monies -- and I  
17 told them that I thought this was ridiculous. I  
18 thought that, you know, it was pretty crazy. I mean,  
19 I really walked away from my life. I walked away  
20 from all of my possessions. All of this stuff was  
21 left at Naka Shela for over a year and a half. The  
22 property has been entirely furnished with my personal  
23 family's furniture and so on. And by the time they  
24 got around to actually transporting my items back  
25 to me, well over half of it had been carted off. Entire

Page 62

1 rooms full of furniture were missing, had been carted  
2 off, as well as a great deal of this.  
3 Anything that was really of value has been  
4 sold. I mean, I know that I sold a few things way  
5 back when years ago. Do you have any other questions  
6 about this? I didn't create the list.  
7 Q. Who did create it?  
8 A. It was not my doing. It was not something  
9 that I created or wanted to create or participated in  
10 creating it. I know that perhaps -- I really  
11 couldn't say. I know who might have been involved; I  
12 really couldn't say who actually did it. The  
13 organization was so loosely formed and  
14 scatter-brained, and they never really had specific  
15 committees other than in lip service. You know, they  
16 would come to these retreats and gather together in  
17 little circles. But once everybody went home you  
18 never knew who was doing what. It was pretty hard to  
19 tell.  
20 I think an Esther, somebody named Esther  
21 that they had had for a consultant there for a while,  
22 I recall her being the one who actually gave me this.  
23 Q. Esther Michaels?  
24 A. Maybe so, correct. I know a large gal with  
25 dark hair --

We now know that Patton West had stolen \$4,000,000 worth of artwork and valuables belonging to the charity and hid them in a lock up to hide the assets from her creditors. In 2008 Patton West was the subject of a Sheriff's Sale' to force her to pay her creditors \$2M in court fines and interest. These were the assets Watson's lawyer was trying to locate in the 2009 deposition of Patton West. The assets remained hidden until 2014 (until after the statute of limitations on theft had passed?). In 2014, before moving from the 'Abode of the Disasters No. 4' to the 'Abode of the Disasters No. 5,' Patton West announced an 'Art Moving Sale.' The sale of items she swore under oath in 2009 did not exist! Who says crime does not pay! And guess who was appointed to oversee the auction of millions of dollars of stolen property? Geoffrey Reynolds CPA who else?

## ABODE OF THE DISASTERS NO. 5 (2014 to 2021)

Images from the latest property she was evicted from

The rent for the above property was \$9,100 a month. Patton West was \$80,000 in rent arrears before she was evicted on December 15 2021. According to witnesses she managed to pay the rent arrears by defrauding the government out of hundreds of thousands of dollars in Covid Disaster Relief funds. Patton West currently residing in a local hotel. Her \$8,000 a month hotel bills are being paid out of the Covid Disaster Relief funds she fraudulently applied for saying she would use the money to secure the jobs of non-existent employees and or create new jobs. Crime has always paid well for Patton West!

Please note above the statuary she is posing in front of. Like the Greek Goddess outfits and fake diplomas it is all part of a well-choreographed illusion / deception that Hollywood would be proud of. The artwork and statuary represents a tiny fraction of the artwork and valuables she stole from the Victor MT charity and hid in a lock up to hide it from creditors from her Montana creditors. The artwork and valuables were valued at \$4,000,000 in 2002. This is the artwork and valuables that Patton West stated in court in 2009 was not hers and did not exist anymore having been stolen, left behind or carried off. Go [here](#) to read her statement and scroll down to Pages 60 & 61.

## ABODE OF THE DISASTERS NO. 6 PRESENT DAY?

We assume that when the 'Covid Disaster Relief' funds that Patton West fraudulently obtained (see below) run out the above will be her next version of the 'Abode of the Masters.' Of course her website and Facebook pages will continue to portray her to the public as a wealthy business woman because the TRUTH is bad for business when the business ifs fraud and extortion.

#### RECENT NEWS.....

- In another repeat of history witnesses allege that Patton West is in the process of being charged with stealing artwork and valuables from a victim in Sedona AZ. Review the information contained in 'Abode of the Disasters No. 1' below on this webpage. Patton West likes artwork and collectables because along with [jewelry](#) and precious metals they are easy for her to hide from the IRS and others. Much of her ill-gotten gains never goes near a bank.
- Witnesses allege Patton West is being investigated for fraudulently applying for and receiving Covid Emergency Relief Funds and using those funds to pay off her rent arrears of \$80,000. Patton West is also using the Covid Disaster Relief funds to pay for her \$8,000 a month hotel bills.
- Patton West accountants allegedly reported her criminal activities to the IRS. Patton West probably owes tens of millions of dollars in back taxes to the IRS, local taxes in AZ, NM & MT.
- Witnesses allege that Patton West is down to her last 'follower' having destroyed several marriages (divide and conquer) and bankrupted at least one family. This was achieved by persuading a brainwashed 'follower' to empty her disabled mother's bank trust fund into Patton West's account. This called embezzlement. The follower is now destitute and her mother is in a home.

#### **BEING CRIMINALLY INSANE OR VENALLY EVIL PATTON WEST PORTRAYS 31 YEARS OF THEFT, FRAUD, EXTORTION, VIOLENT ASSAULTS AND MURDER TO THE PUBLIC AS HER – LEGACY!**

In the following statement the criminally insane narcissist speaks about her 'legacy' LOL. We comment on two of her bullshit statements. Both statements are obviously lies, which becomes even more obvious when you take into account the FACTS about her criminal history in Montana & New Mexico some of which we post below in this bulletin. The following statement is just a small part of a massive fraud that has been perpetrated for over three decades. It also gives insight into the mind of someone who is obviously mentally ill.....

## THE LEGACY

1.

### *The Sedona Gateway for Enlightenment*

After thousands of years of waiting for the appointed time, an auspicious gateway for spiritual advancement has opened, that bestows the tangible experience of the Immortal Masters. The Path of Enlightenment is held in Sedona, Arizona to amplify sustained access to your master self. As a regent of the Spiritual Hierarchy, the Rishi emanates the dynamic transmittal of planetary prophecy and vistas of sacred knowledge being unveiled for the first time in our planets history. One hundred years from now, the the Rishi's Path of Enlightenment will be remembered as a ground breaking mile marker for modern mastery. Convening the supra genius of the enlightened state of embodied mastery, she leads a new era for world service, that sets a new standard for prospering all spectrums of world betterment. What was once, but a shimmer of hope and aspiration, is now divine destiny becoming manifest.

2.

**1.** As a "regent of the spiritual hierarchy" etc. This is just bullshit like her assertion that she is [The Regent of the Masters](#) (i.e. above Jesus Christ), [The Western Regent](#) (spiritual overlord to the western hemisphere), [The Mother of Ten Thousand Suns](#), [The Mataji](#), [Divine Mother](#), she has been preparing [to lead humanity for thousands of years](#), is [holding open the gates of time](#) and who received her two doctorates [from the Christ in person](#) etc.

**2.** Five years from now, Patton West will be recognized as one of America's most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then, there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson who Patton West tried to murder in 2007.

### **BACK IN THE REAL WORLD...**

- There is no legacy other than 31 years of racketeering during which her mother has lined her own pocket at the expense of everyone she met.
- The images, lies and propoganda represented on Patton West's website portray a reality that does not exist outside the mind of a criminally insane narcissist. There is no 'Abode of the Masters.' There is no 'Sedona Sanctuary.' The Royal Path, the Mataji, the Royal Raja, the Regent, the Universal Archives, Omni & Omega are just fantasy labels which Patton West has 'vomited' into reality as part of a massive fraud.
- Anna West's role, like that of everyone else coopted into her mother's cult, is to submit to the will of the psychopath or face the consequences. Defamation, violent assault or murder. Probably not that extreme for Anna West though.
- Anna West's mother is a career criminal, a vicious and violent psychopath, a murder and a suspected serial killer. The bat shit crazy Emperor has no clothes. There is no 'world service' there is no 'enlightenment' there is just graft.
- Anna West's mother probably murdered Lisa Swidler to keep her quiet. What does Anna West think about that? We know that Patton West targeted both her daughter in laws (Kendal & Jamie) in an attempt to subvert the two child custody court cases. She succeeded with Kendal but failed with Jamie. Patton West used the same occult weapon against both her daughter in laws as she has used against John Watson and his family. Is still using against them.

## REALITY CHECK...

### 1. What follows is an example of REALITY.

### 2. The following [video](#) proves Patton West is insane.

### 3. More proof that Patton West is criminally insane.

A key part of the massive fraud committed by Patton West for over three decades in three western states is the ancient crime of 'NAME STEALING.' Below are links to some of the many titles and accolades (some mentioned above) that Patton West has awarded herself since arriving in Arizona in 2010.

[The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)  
[THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)  
[The Rishi \(The Teacher\), The Mataji \(The Divine Mother\) & The Regent \(The Western Regent\).](#)  
[The Mother of Ten Thousand Suns.](#)  
[She has been preparing for thousands of years to guide humanity](#)  
[As the light that shines behind leaders and world servers from across the globe.](#)  
[As a Planetary Regent her auspicious presence offers the rare opportunity for private audiences etc...](#)  
[As an instrument of mercy she offers the phenomena of Divine Grace Healing and the karmic resolution of divine dispensation.](#)

Below are just six of the many totally fake personas Patton West has created for herself since she arrived in Arizona in 2010. Her [website](#) is full of lies and propaganda and, on the basis of these lies the public are invited to make financial donations. Clearly this is mail and wire fraud. That serious financial crimes are being committed is not in doubt because these are the same crimes she committed in New Mexico & Montana before being obliged to leave those states.

*Above: The images above are evidence that Patton West is mentally ill and or criminally insane. Patton West's behavior clearly indicates a narcissistic personality disorder and gives us all an insight into the delusional fantasy world she exists within.*

Her [website](#) is full of this bullshit but no mention of her 'criminal' past. Because the TRUTH is bad for business. For 31 years Patton West has masqueraded as a guru while using occult knowledge to leverage her criminal racketeering business model. Countless acts of theft, fraud, extortion occasioned with violence and, according to her ex-husband, several murders.

In a recent statement, Patton West announced that she was handing over the mantle of her criminal racketeering business model to her daughter Anna West.

### PASSING THE MANTLE

The Fire of the Feminine and the mantle of compassionate power must be passed to the young women of the world. This is a new calling of female leadership in its most potent human expression. Teachers and mentors of young women must be ignited with the Fire of the Feminine in their own right. As you sense the profound nature of the photo above of the Rishi with her daughter Anna Jere' West, her passing of her mantle to her daughter speaks far more than words on a page. Her daughter is an awakened woman, an initiate and a world server. The Omega Initiative passes the mantel of the sacred famine and the deep wisdom of planetary stewardship for Women of power and purpose.

**PERHAPS ANNA WEST SHOULD GET LEGAL ADVICE BEFORE ACCEPTING THE POISON CHALLENGE HER MOTHER WANTS TO PASS TO HER. ANNA IS ALREADY IN MANY OF HER MOTHER'S CRIMES HAVING BEEN AN OBSERVER FOR DECADES!**

In addition to crimes committed on an industrial scale in Montana & New Mexico, Anna West should consider the serious crimes committed by her mother since arriving in Arizona. According to witnesses on the ground Patton West is currently hiding out in a small condo in VOC Arizona. She only has a couple of 'followers' and one of those is Lalita, a woman originally from Washington, DC who has become a pariah of Sedona. After emptying her own money (and her mother's trust fund) into Patton West's bank account Lalita is now carless and homeless and working for Patton West for free. How does Patton West turn people into mindless slaves? This [video](#) (below left) depicts Patton West as a parasite goes some of the way to explaining her control over others.

The above right [video](#) put up by [Cult Watch USA](#) explains the process. Here is a copy of the footnotes of that video:-

*Devra Patton West using Dark Psychology to brainwash her victims. Devra molds and shapes cult members' behavior, alters their feelings and manipulates their thoughts.*

*Devra demands respect, admiration, and special treatment in true narcissistic fashion while treating others with utter disdain and exhibiting a flagrant disregard for their well-being. Devra is a parasite who only seeks to extract what others earn regardless of the harm it causes. Devra is also a pathological liar.*

There is also a Facebook page entitled '[The Rishi Devra West Investigation](#)' which is worth looking at.

It is this ability that is used to manipulate members in her cult to remain silent. It is this ability that is used to persuade members of her cult to act as false witnesses against victims who go to court or employment tribunals making it difficult or impossible for victims to get justice. It is this ability that Patton West uses to subvert court cases [including two child custody cases](#) where she targeted both her sons ex-wives resulting in Kendal her son's first wife, losing her daughter. This is the reason why after 31 years or more of committing crimes on an industrial basis Patton West is still at large.

*Above: Patton West a criminally insane narcissist, career criminal, a murderer and suspected serial killer. What makes Patton West different from all the other gang leaders is her use of an occult (hidden) weapon (not recognized under legal statute) which is used to intimidate victims and subvert court cases brought against her. Those that go public are slated for murder.*
