

RISHI DEVRA: WHY WOULD BRAZILIAN COCA COLA HEIRESS CORINNE COFFIN AKA 'TANMAYO' FUND ORGANIZED CRIME IN THE USA?

WANTED

JUSTICE FOR VICTIMS OF HER CULT

Up until that point,
I had never heard a gunshot.

CORINNE COFFIN AKA 'TANMAYO'

For two or three decades, Ms. Coffin has been a senior member of a US based cult / criminal racketeering gang headed by self-appointed 'Planetary Regent' Devra Patton West. During her tenure Ms. Coffin has financed the cult / gang's criminal activities to the tune of millions of US dollars. Ms. Coffin is a Brazilian citizen and yet during capital controls meant to stem the flow of capital out of Brazil at the beginning of this century Ms. Coffin kept the flow of funds into the USA via intermediary's thus circumnavigating Brazilian capital control laws.

Between 2004 and 2009 only Patton West's charity was struck off for fraud in 2004. She was the subject of two arrest warrants one in 2008 and one in 2009. She was convicted in 2008 of assaulting her business partner Dr. Pat Cole MD. In 2008 she was also found guilty of defrauding another business partner John Watson. Also in 2008 Patton West was the subject of a Sheriff's Sale to force her to pay past victims of crime \$2,000,000 in court fines and interest. In spite of knowing about all the criminal acts committed by Patton West Ms. Coffin continued to fund Patton West's criminal acts (Racketeering & Domestic Terrorism) and remained as 'treasurer' of Patton West's 'front company' until 2021. Ms. Coffin only distanced herself from Patton West after her cult leader defrauded the US government out of \$500,000 in SBA Loans.

Corinne Coffin AKA 'Tanmayo.'

As explained above, Ms. Coffin continued to fund Patton West's activities knowing full well that Patton West was guilty of decades of racketeering and domestic terrorism. Here

is a short list of crimes committed by Patton West in Montana, during Ms. Coffin's tenure in the cult / gang. the tip of the iceberg. Below are some well documented examples of Patton West's 'World Service' that occurred in Montana between 1995 & 2010.

The idea that Ms. Coffin was unaware of Patton West's activities is ridiculous. She was directly involved in Patton West's fraud against John Watson, who was also Ms. Coffin's business partner. Coffin told Watson that she was glad that he was involved because she was concerned that Patton West might take the money Coffin planned to put into the business and use it for herself. Yet, Coffin did nothing, even though she knew that Patton West had stolen a previous \$80,000 donation, diverting it to pay for her son's legal fees. And yet Coffin did nothing. Actually, what she did do, was reward Patton West's criminal activities to the tune of \$743,000 shortly after Watson was defrauded, making her a double accomplice in that crime.

FBI & Brazilian Authorities take Note. While the whistleblower was employed as a business consultant between January 2002 and July 2002 he learned that Corinne Coffin was passing huge sums of money through an intermediary in New York. Why through an intermediary? Because at the time there were 'capital controls' in place in Brazil which forbade the movement of capital / funds abroad. In addition to breaking the law by sending cash to patton West Ms. Coffin left her credit card with Patton West so that Patton West could use the money to support her luxurious lifestyle. Apparently when Patton West emptied the card Ms. Coffin topped it back up. These monies we suspect were over and above the cash amounts sent to Patton West as listed above.

Patton West is an Occult Master who uses brainwashing and conditioning to turn her 'students' and 'employees' into brainwashed droids. Evidence that Corinne Coffin was subject to this brainwashing, which may explain why she has continued to fund Patton West's cult / criminal racketeering business model, may be found in the email featured below here. The email was sent by Patton West to Corinne Coffin after Coffin's father died and Coffin inherited his fortune.

Dearest Tanmayo,

Greetings Dear One, my thoughts and love have been with you during your time with your father and the days coming out of Los Angeles with Sargam. Soon your father's passing will close a chapter in your life and a way of life that represents the old and the non-serving, for you personally and for the entire planet. I have continued to work with you and your family, to clear and lift the distortions of the past, but more important than this, to also illumine the pure and the positive in the bloodline. By working with the bloodline directly, the purity does reveal itself. It is there. Clearing the bloodline is one of the essential elements to preparing to live a higher order of life and also to build a purer physical body. But one must live an ethical life, the whole family, including the boys. Right use of privilege is the family karma to be cleared.

Within your father's soul and being, despite his outer condition of body and mind, remains the goodness that he seldom was able to express. In the end as he slips away, he is placing value on those he loves in his inner world, rather than on his position of power and money in his outer world. Let him pass to you what he can, but be sure to contain yourself and your own past with him. Watch for numbness and hold yourself at a deeper level. It is time to heal the places where you have had to disconnect from yourself and the outer world just to survive in the past.

With time you will take your father's inherent goodness into your own being and you will benefit from the sacred that he indeed can pass to you. The family bloodline can be cleared and the karma of the past cleared and balanced. It may take several years to fully distill your childhood pain and abuse, to discern that from the true goodness that is inherent in the family line, but there are a number of divine qualities that will eventually be what he leaves you.

Eventually he will leave you the 'Gold', and I use the word gold on many levels of understanding. His past succession of lives involved both the wrong use of power, and the wrong use of wealth and gold. But he also quested for something greater. He did quest for something greater. He once died in the Amazon, not far from where we had been vowing to return to seek the city of gold, and to discover what the native peoples had said existed. Something in him was searching for not only gold but also for the healing power of ancient promise. The old stories told of cities of gold and the fountain of youth. He once quested for this. Let him pass his quest to you.

And so as you lift above the veils of the your family's miasma during the coming months, you will be gaining holy ground of your own making. A number of large decisions remain to be made. Correcting imbalance is crucial. You must make the shift from 'selfish entitlement' to right use. Money is fluid energy under the laws of right use.

Setting new requirements that ignite the process by which your boys grow beyond the old pattern of the abuse of privilege and become responsible men, will prepare the 'family spiritual house' for grandchildren.

Meanwhile, you in the coming months will be preparing to set sail on the beauty and power of your life's work and mission. Right use of the world's resources, gold and water, money and consciousness. To bring forward the pure healing power of gold and water, will open many doors automatically and at molecular levels for planetary life. The work in the Amazon coincides with the work with all the kingdoms, including the animals. We must clear and open the way all the way back to the 'Beginning' to Pass the Sacred into the present.

Don't be afraid to make radical changes. You must take charge of your own life. Your managers are there to serve your wisdom and your higher purpose, even if they cannot now understand it. As you pass the tests that are necessary, the vision that has been given to us can be set into motion. The delays have only caused further concern for your managers.

Page 2.

The problem of delays must be rooted out at the root of your own being. I ask you to review the co-creation formulas and poster board sheets and any notes that have been brought through during the fall. I think this would help you to retain connect in with your line of force during the time of your father's passing.

You have already been given much spiritual gold, through the channeling and downloads that I have witnessed you receive. Follow the goodness of it and the purity of it with faith. Put your faith and your life force on the side of good and in the hands of the Christ. From your demonstration of faith, by following directives and revelations, you will be guided to the "GOLD".

Dear One, much wealth awaits you and desires to be put into your hands. As you clear your relationship with gold and gems they will desire to serve you. But you must let go of past thinking and past relationship with privilege and wealth. **You must take that great step of courage to finally stand on God.**

Trust me as I guide you to the other side. More than anything I desire for you to appreciate yourself and what is your true capacity to make a difference in the world. Let God decide money issues. Truth Witness with your managers present. They need to accept the shift you are making. As you give your wealth to the Christ Universal for complete 're-making', not only will your family karma be healed, but your birthright of abundance will be unleashed. Your managers would indeed be very dedicated to working for the Christ.

But you must open the door and set the tone through your own example. You must take that step beyond the astral quagmire that you have been in recent months. You must desire to come clean. And so I ask that you choose a keynote to work with diligently. Return to your new creation keynote over and over through your day. This will elicit divine synthesis even as you attend to all the practical matters that will be pressing. Everything is asking to be changed. Let the hand of God be that change. Let the light of the Christ be behind every change that you make.

Outer circumstances cannot be allowed to dictate, to alter, to compromise the guidance that is received from the Christ. This is the purpose of faith, to trust that His Word will be the resolution that is needed and the truth that will free the Light of God in any and all situations. This is the test of trust in and of itself. Do you believe that the Christ would ask something of you that does not ultimately liberate you to live in your true Light?

I have waited many months to impart the following. I have waited for the time when your inner light can no longer wait to be ignited. Your inner light, Tanmayo is calling loudly to be released from the bog of past resistance, the fear of letting go of money, of truly giving it to God. Your contact with me on the inner planes via the higher self is very, very active. You have been coming to me asking for impact and release. That part of you knows that there is no time to waste in hesitation and denial. And so I must be frank with you, one part of you is saying yes, I am ready in a very big way even as an old part makes a last ditch attempt to hang on to the miasmas. You must claim your ground upon the wheel of Trusted Disciple. Regarding Millennia Mind, Sanctuary, GGI, you must be trusted to do the right thing. You are in your hour of progression!

I will be in touch with you in the days to come. I have been asked to do a channeling for you and of course there is much consulting that will be essential to plotting your course and guiding your life's 'mission ship' out of the harbor and into the wide open spaces of new creation. Use your mediation time to connect with my love and wisdom. It is very much there for you. I am on the high seas already Dear One. There is no need to save me, there is only the need to serve the Divine Plan and do the right thing for yourself, to fulfill your own destiny and highest purpose.

My personal ship is in the hands of God and I have set sail. The high sea only seeks to reflect back to us the benevolence of our own Divine Nature. That reflection has become a blazing white light that extends before my every step. The fact that you are part of the process, that we share the path and the oath and the service is something very sacred and indeed can be our joy and pleasure and delight. Let us live the liberated life. Let this be your goal. Our ashram is moving forward on the wheel.

Page 3.

Set the tone and the new example. Wield your force by directing it into active good. Go beyond the ability to contain, to the next step of cultivation and refinement of expression. Move from tension points to adeptship and claim your ground. Stand on it!

CLAIM YOUR INNER **GOLD** AND YOUR OUTER **GOLD** WILL FLOW!

Your large generator crystal can help you to clear many things and also clarify who you are as a Global Guardian at this crucial time in our planet's history. It is time to activate the relationship between the two crystals and establish the new ley lines. Our personal alignment with truth, energizes the ley lines. My mastery is quickly coming on strong. Know that I stand with you and beside you. You are not alone and you are very much loved. I will be in touch. There is more to come.

As you anchor the energetic truth of the next level, then all the practical matters of contracts, business plans, what you commit to bringing to the table of partnership, working from a managed budget etc can rapidly follow. Inner clarity will become outer clarity, outer clarity will become manifestation. The work of Sanctuary will be a work of health and well being, higher consciousness and rejuvenation and the release of the healing union of **gold** and water. It is also the gateway for returning to the Breath of God as it was in the Beginning. Let us claim our birthright and shine through this work. We are both truly privileged to serve this work of the Immortal Masters.

I know in my heart of hearts, that we all stood together as a single monadic body of being and consciousness before coming here. I know we all took the same oath as sovereign souls. I know that we all swore our allegiance to one another and to the work of serving as guardians of the kingdoms of earth. I do know what is true and what is needed in our response to the Great Work.

I truly pray and consciously formulate that a new period of creation can follow on the heels of the doors that have opened during our time in Los Angeles. There does come a point, I promise you, when the tests of growth become the proving ground of adeptship and thus fulfillment, rather than post-expansion resistance and triggering. You become a 'trusted disciple' when you no longer give your power away to the rhetoric of the ego, when you no longer negotiate, shuffle, drag heels and rationalize, but rather act with certainty from the Christ's directive. This is the making of an initiate and world server. Use your keynote with love and power and faith. Energize and magnify it with your generator crystal! I offer you much light during this time.

As One on the Path,
Devra

P.S. Thank-you dear one for my few brief moments of personal fun time while in L.A., it is indeed a gift of the heart and our femininity.

For more on Ms. Coffin we suggest you read acclaimed journalist Be Scofield's [published article](#) on Patton West which includes a section on Corinne Coffin. Additionally one can view an earlier article dealing with Corinne Coffin's kidnap and the fact that she was held hostage by the kidnapers until her family paid a large sum of money to have her freed.

[Corinne Coffin Tells Her Scary Tale In 'Captive'](#)

[BRAZIL EXECUTIVE RANSOMED FOR \\$500,000](#)

What follows is a brief excerpt from the first linked articles above...

Netflix's newest original series, *Captive* is a true-crime docuseries that dives head first into some of the most famous cases of kidnapping around the globe. The series is told from all angles of the crimes, including the offenders themselves. It gives insight into the mindset of the victim, their families, the police, and the kidnapers during the time of the captivity in question. Episode 2 will focus on what they refer to as, "The Cola Kidnap." Brazilian Coca Cola CEO, Corinne Coffin was kidnapped and her family was extorted for ransom in 1991. But, what is Corinne doing now all these years later?

WE KNOW WHAT CORINNE COFFIN HAS BEEN UP TO RECENTLY AND FOR THE PAST 25 YEARS OR MORE. SHE HAS BEEN FUNDING HER CULT / GANG LEADER TO THE TUNE OF MILLIONS OF DOLLARS.

Whether Ms. Coffin is a brainwashed droid controlled by Patton West like all the other members / victims of her cult or is a willing accomplice in Racketeering, murder and domestic terrorism remains to be seen. Our aim is to get Patton West and the members of her cult / criminal racketeering gang into a criminal trial where the evidence will speak for itself. One thing for sure is that Corinne Coffin continued her relationship right up until 2021.

As the above document proves Ms. Coffin remained as 'Treasurer' of Patton West's 'front' company 'Omni Institute for Divine Science' until 2021. You can bet Ms. Coffin's role was based on her funding Patton West's criminal activities. This in spite of knowing about all the crimes Patton West was committing some of which were covered in detail by the following Montana newspapers...

[The Whitefish Pilot](#)

[The Bigfork Eagle](#)

[Ravalli Republic](#)

In a meeting in March 2003, John Watson told Patton West that he was going to sue her for fraud. At the same meeting, and in response to the threat of being sued, Patton West made the following comments to Watson. You can listen to them being made by Patton West who was unaware she was being recorded by Watson:-

[The truth does not actually matter.](#) (If she can convince the public that her lies are their truth!)

[Yes I dispose of people like Kleenex.](#)

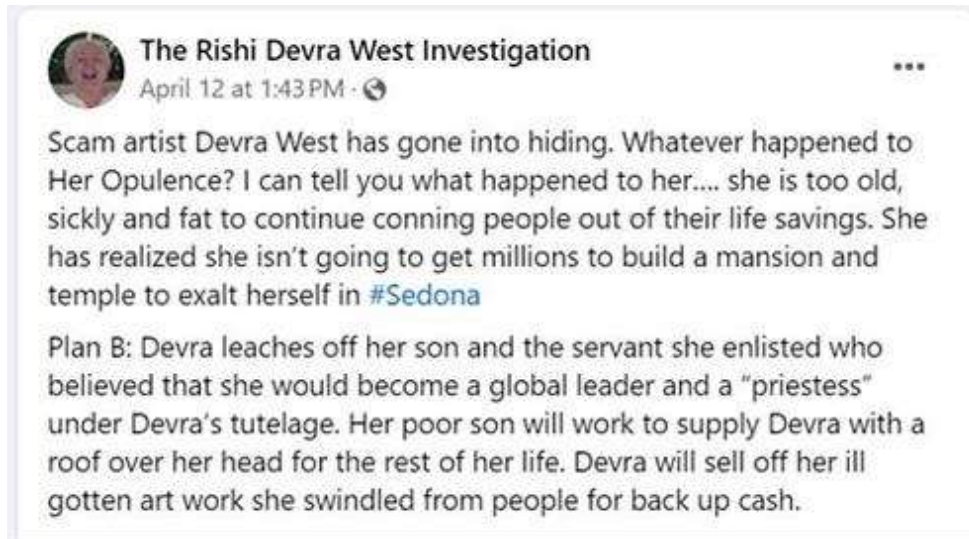

[My agreements are worthless.](#)

[Yes I defrauded you but I do not see myself writing out a check for you.](#)

[If you sue me I will get so down and f*cking dirty huge expenses coming out of your pocket not mine because cult members like Dr. Julio Williams MD will fund my legal costs.](#)

All the above information has been up on several websites and available to Ms. Coffin and the public for approximately two decades so the idea that Corinne Coffin did not know what was happening is ridiculous.

NEWS FLASH: Patton West apparently in hiding from her victims and the police...

MORE ON MULTIPLE MURDERS BY PATTON WEST...

In 2002, while the whistleblower John Watson was working as a business consultant for Patton West her then husband Jack West warned Watson that those who opposed his wife had a habit of dying suddenly. The warning came after Watson discovered the massive financial fraud being perpetrated by both Patton West and Jack West. Watson did not take his warning seriously at the time. However three years later in 2005 Lisa Swidler, a long term cult member / student / and teacher at Patton West's school for occult studies, died suddenly under mysterious circumstances.

Upon further investigation a motive, on the part of Patton West, for the murder of Lisa Swidler was discovered. In 2005 Patton West was swindled out of \$650,000 by con artists Wilson & Ross. You can review the details by following [this link to the court documents](#). Where Patton West got the \$650,000 to invest is another matter but losing those funds left Patton West scrambling for money. In the same year, 2005, Patton West decided to 'harvest' whatever wealth she could get from her cult. That year 'students' Dave Kushner was defrauded out of \$30K, Mike Hendrickson defrauded out of \$200K and Marion Cantwell kidnapped, held captive and beaten until she gave up part of the sale proceeds of her house. Marion was told that if she went to the police she would be murdered. So Patton West had MOTIVE for defrauding members of her cult. The occult [secret weapon](#) Patton West uses to intimidate and murder those who 'oppose' her is not regarded as a weapon under legal statute so not only did Patton West have MOTIVE she had OPPORTUNITY.

THINK ABOUT IT...

Patton West acquired occult (hidden) knowledge during her 18 months of study at the 'Robert Jaffe School for Energy Mastery.' Upon ending those studies in 1991 she declares herself to be an Ascended Master. In 1995 she is chased out of New Mexico at the point of a gun by one victim who realised that the police / law courts were impotent against such a

dangerous and evil psychopath. She and her cult relocate to Montana. In 2002 Jack West tells the whistleblower John Watson that those who oppose his then wife have a habit of dying suddenly. The word 'those' implies 2 or more. Let us run with just two murders / extra judicial killings between 1991 & 2002. In 2005 Lisa Swidler was murdered by Patton West. In 2007 business consultant John Watson was supposed to have died at Patton West's hands. That brings the total of murders / extra judicial killings to four. So between 1991 & 2007 = 16 years there were a minimum of 4 murders / extra judicial killings. Between 2007 & present day = 17 years. Given 4 murders in the 16 years between 1991 & 2007 it is reasonable to assume that there would have been an average of another 4 murders making 8 murders / extra judicial killings over the last 33 years. Because these deaths appear to the authorities as 'death from natural causes' none of these murders have been investigated. We suspect there are many more than 8 murders. Why would senior cult member Geoffrey Reynolds so confidently announce Watson's murder ahead of time to a local news reporter if he was a) not confident it would happen and b) confident that the murder of Watson would not be linked to Patton West.

Above: A criminally insane murdering narcissist who believes that after acquiring occult knowledge she became a minor deity (note the dress code) with the power of life and death over those she comes into contact with.

Multiple murders are going to be hard to prosecute however there are tens or scores of victims who were not murdered but were made ill or injured by Patton West's occult weapon. Two that come to mind are Tanya Hurley. Who just days after posting these two emails ([1](#)) ([2](#)) on the whistleblower's website ended up in hospital with damage to her internal organs. The victim that comes to mind is Diane Stoner who upon leaving the cult in 2003 downloaded a scores of files from Patton West's computer and gave those files on a thumb drive to the whistleblower. Within days of the files being uploaded on to the whistleblower's web site Diane ended up in hospital with a serious injury. John Watson has 17 years of such attacks and is ready to share what he knows with the FBI and Police forces of Montana and Arizona. Dr. Pat Cole MD, Patton West's supposed business partner, was told by Patton West that she, Patton West, had the spiritual authority to "take her out." Read Cole's statement to the [Whitefish Pilot](#) newspaper. We suspect there are scores or more victims of occult (hidden) violent attacks against those who have opposed the psychopath. Being insane Patton West does not need 'motive' for the violence or murders. We aim to make it clear that she has 'opportunity.'

Above from left to right: The rats are leaving the sinking ship. Geoffrey Reynolds CPA 2006 to 2014. Dr. Julio E Williams MD 2000 to 2021. Jack West (Patton West's ex-husband) 1970's to Present Day. And last but not least Corinne Coffin a Brazilian millinaress 1995 to 2021. All willing accomplices in decades of racketeering and domestic terrorism.

Above left to right: Senior cult members Julio Williams (2000 to 2021), Geoffrey Reynolds (2006 to 2014), Corinne Coffin (1995 to 2021) and last but not least Jack West (1970's to present day). None of the aforementioned rats were bothered about the murders or crime being committed on an industrial basis by Patton West. They worshipped Patton West's ability to murder with impunity.

NONE OF THIS WAS INVESTIGATED. APPARENTLY MONTANA WAS / IS STILL THE 'WILD WEST' AND IT IS THEREFORE DIFFICULT TO PROSECUTE ORGANIZED CRIME. HAD PATTON WEST OPERATED IN NEW YORK SHE WOULD HAVE BEEN JAILED DECADES AGO!

There are now **SEVEN** websites dedicated to warning the public about Patton West and her cult, / criminal racketeering gang.
