

October 26, 2003

Dear John:

Here are the questions.

1. Tanmayo gave Devra \$60,000.0 for PPI last October in Israel and several other donations amounting to hundreds of thousands of dollars, according to Cheryl over different periods of time. What happened to that money? How come she could not afford my salary and had no funds for PPI when she had all that money?
2. Devra laid off Anne and myself and had Barbara on a part time basis because the CDUF (Circle of Divine Unity Foundation) was in a financial crunch, according to Cheryl and Devra. Then how come she hired 4 more people right away in May and June, i.e. Diane, Cindy, Kathleen, and Esther Michaels? Where did the money for their salaries materialize from? Why was Devra always telling Barbara "don't worry, we have plenty of money in the house?"
3. Why did Devra not pay Barbara for 6 weeks after employing her, telling her that it is the company's policy that 'disciples' do 'seva' when Barbara was not a disciple and was not told beforehand of this dirty trick? Why did Cheryl and Jack give Barbara the run around and pretended they knew nothing about Devra's decision? (They tried the seva trick on John Watson too)
4. Is it true that Cheryl told Barbara and Anandra that 'we tell that to all' when asked why we never got the promised insurance benefits?
5. Does Cheryl remember that at one time Anne Stout warned her about her dangerous role in the CDUF's finances and that she might have to face serious consequences, perhaps even having to testify in court, and Cheryl replied "don't worry, I have already taken care of everything, and if necessary I will say 'I forgot what happened'?"
6. When was the PPI (Peace Promise Initiative) approved as a non-profit? In September 2002, Cheryl had told me that it was going to have non-profit status in a few weeks. In April 2003, Geoffrey Gee discovered that she had not even filed yet - and by May 2003 when I left, the PPI still did not enjoy non-profit status, nor was an application in the process. Can she confirm whether the PPI has non profit status with actual dates from the State Dept? I believe that at least one donor has given money to the PPI in the belief that it was a 'non profit' and not a 'for profit!'

7. Does Cheryl know that the disciples who give her money complain that they do not know what she does with it because she does not give them any information or acknowledgments? One of these generous donors works at the CDUF as a volunteer on a daily basis. She came to ask me many times about what is happening to her money and each time I tell her 'go and ask Cheryl". Does she know that these volunteers are also suspicious of Jack's involvement in finances? Why does Cheryl keep everything secret and never publishes P&L or Balance Statements, etc...? What is she and Jack hiding?

8. The Israel jabbing in my thigh. I'm sure you covered this already.

That is all I can think of right now, John. I had to use this account because I cannot access yahoo.

Well, good luck, John, and thank you for giving me this opportunity. BTW, have you tried Diane, Kathleen, and Cindy? I'm sure they may have some interesting questions for D or C.

God bless John, and our love to Lisa and the kids.

Love,
Joseph
