

Dear FBI & Local Law Enforcement,

*In this bulletin I provide brief details about each member of the West crime family and give further details about two accomplices, Geoffrey Reynolds CPA and Julio Williams MD who were / are senior members of Devra West's cult. On this occasion, I would direct your attention to Devra West's youngest son, who seems to be serving some sort of apprenticeship with his mother which would seem to indicate that he is the heir apparent to his mother's criminal legacy.*

*In the 2005 to 2006 time period during which his mother kidnapped, extorted and defrauded three of her students out of hundreds of thousands of dollars, tried to explain away the sudden death of another student who witnessed two of those crimes and fraudulently applied for \$30,000,000 in CPEA grant money, junior (that would be her son Chris Haywood) was cutting his teeth on lesser 'crimes.' In short, during the same time period, he allegedly defrauded two insurance companies out of \$50,000 each and with his mother's help (violent intimidation, false witnesses etc.) stacked a custody hearing against his first wife, Kendall, which led to her losing custody of her infant female child to her porn loving / wife beating husband.*

*Oh I nearly forgot, because Chris Haywood had been recently "disabled" in a motor vehicle accident, the court decided that the mother of his infant daughter should pay him several hundred dollars a month in child support payments. Long story short, Chris Haywood, also known as Che, managed to get custody of his infant daughter from its mother, even though he had an FBI record for forgery, multiple drug busts and motor vehicle offences, managed to get the mother to pay child support to him and allegedly managed to get two payments of \$50,000 from two insurance companies for his "disability" even though neighbors saw him wake boarding up and down the lake and mowing his lawn regularly.*

*Though these crimes do not match those of his mother in scale or regularity, he is still young and has plenty of time ahead of him. He's made a promising start.*

In the previous two bulletins I gave irrefutable documentary evidence via news articles and court documents that Devra Patton West was the head of a criminal gang that preys upon the community in which she, members of her family and accomplices embed themselves. I shared [30 examples](#) of her so called **'world service'** efforts while she operated in Montana between 1995 and 2011 and a [further 3 examples](#) which showed how even members of her family were not safe from this dangerous psychopath.

Today, let us review the role that each family member plays with special focus on Devra West's younger son, Chris Haywood, who seems to be apprentice to her criminal empire. Below, is a diagram that sets out the names and identities of each member of the West 'crime' family and the identity of the two most senior members of her cult / criminal conspiracy.

## THE (DEVRA PATTON) WEST ‘CRIME FAMILY’

### THE ENABLERS, ACCOMPLICES & ‘LIAR’S FOR HIRE’

Now let us review the role that each family / cult member plays in Devra West’s criminal conspiracy.

**(1). Devra Patton West.** According to witness [Jeremy Samuelson](#), both Devra West and her husband Jack West were, back in the 1970’s & 1980’s, ‘pot growers’ who were conning individual victims, one at a time, out of tens of thousands of dollars. Later on, and after her jewelry business went bankrupt, Devra West decided she would become an Ascended Master! After attending the ‘Robert Jaffe School for Energy Mastery’ between 1990 & 1991, she declared herself to be a minor deity and insisted that anyone not agreeing was ‘blocking the energies.’ [Satya](#), one of her classmates also attending the same course, was conned out of \$6,000 and described Devra West as a deeply disturbed psychopathic person / personality.

Devra West’s self elevation to the godhead was not based on her spiritual development but rather her ability to use the occult knowledge she had acquired to prey on her fellow man. Long story short, Devra Patton West went from conning one individual at a time out of tens of thousands of dollars to conning tens or hundreds of victims at a time out of *millions* of dollars. Victims would also include the IRS and state and local governments. Those victims who went public (like the whistleblower), to the police or the law courts for restitution, became the subject of violent ‘under the radar’ occult attacks designed to intimidate them into going quietly.

Those refusing to go ‘quietly’ (like the whistleblower) become the subject of murder attempts and if that fails, the victim of frivolous lawsuits, which invariably end up with Devra West outspending the victim. This brings the result that the one with the most money, ‘buys’ the law they want. In the case of the whistleblower after winning a lawsuit against West for fraud, she and senior cult member, Geoffrey Reynolds, responded by issuing frivolous lawsuits against him which he could not afford to defend having moved abroad years earlier.

The murder plot against the whistleblower failed, but he is still subject to a campaign of under the radar violence that has now continued day and night for 10 plus years – all victims are subject to this treatment, which is why most just walk away empty handed. There has been at least one sudden and inexplicable death of a witness to two serious crimes committed by Devra West; that of ex-student, Lisa Swidler, who the whistleblower believes was murdered to keep her quiet. There have been at least two other well documented threats of murder by Devra West against victims; namely against ex-student [Marion Cantwell](#) and ex-student [Dr. Pat Cole MD](#). Both were defrauded out of tens of thousands of dollars and in Dr. Cole's case, it was \$1.3 million.

So, because Devra West possesses an occult weapon, which is not even recognized as a weapon by legal statute, she has been able to commit and get away with scores of serious crimes. They include theft, fraud, extortion, violent assaults, threats of murder, attempted murder and at least one suspected murder and probably many more! On this basis, Devra West markets herself to the community in which she is embedded as a Goddess and even dresses up like one.....

Unless she is posing for an arrest warrant photo; in which case, she dons glasses and tries not to look like the Goddess she claims to be! There were two arrest warrants issued against her in Montana. The one below is for felony Theft; the other was for [Criminal Check Fraud](#).

Being a compulsive liar, like all psychopath's, Devra West has made one or two outrageous claims, which under 'religious freedom' laws she is allowed to get away with; my two favorites are:-

- A. Her claim to be [single handedly holding open the gates of time](#).
- B. Her claim that [the Christ gave her two doctorates in person!](#)

For more evidence that Devra Patton West was responsible for committing crime on an industrial basis in her previous incarnation as the Ascended Master 'Surya Ma' in Montana please check out the 2007 [Whitefish Pilot](#) and [Bigfork Eagle](#) news articles, details of the 2008 [Sheriff's Sale](#), designed to force her to pay her creditors \$2,000,000 in court fines and interest, plus visit the 6 websites listed at the bottom of this email.

**(2). Jack West.** [Jeremy Samuelson](#), a business partner of Jack West's in the 1970's described him as being a weak-minded man with little experience with woman who was overwhelmed by Devra West who was soon 'running' him. Jack West's role in the cult / criminal gang is to recruit new victims via 'meditation' groups (the way the whistleblower was recruited) or by hosting social media 'Meet Up' gatherings like the one below here which targets 'spiritual seekers.' The only person ever "enriched" by these encounters is Devra West and her bank accounts!

Jack West's other role is to tell lies for his ex-wife, give false statements and as we say in the UK seek to pervert the course of justice when evidence of his ex-wife's criminality goes public. Two examples of this are as follows:-

(1). Devra West viciously assaults an employee after the employee Susannah Felder discovers that Devra West has stolen an \$80,000 donation to the charity so that she could use the funds to pay her son, Chris Haywood's, legal fees. Chris Haywood was at the time in a custody battle for his infant daughter against his estranged first wife Kendall. Below here is an excerpt from a statement from ex-board member of that charity [A J White](#) revealing Jack West doing what Jack West does best – tell lies!

*In late July 2001, while I was on a business trip to Denver, Susanna Felder, a committed assistant for over 9 years and editor of Devra's writing, called me. She called me in severe distress as she had gotten into a heated discussion with Devra on whether or not I should be put on the BOD – there was no Foundation BOD at that time. **Devra became so incensed that she attacked her and ripped clumps of hair out of Susanna's head. This was severe abuse and ultimately led to Susanna leaving DU within the month. I returned to the office several days later and the first thing I did was to address this abuse in a staff meeting with Susanna in attendance. Jack West, who was present at the event, categorically denied it happened while Anandra accused Susanna of causing the problem.** This collaborative deception was so shocking that I resigned, effective immediately. The cover-up was endemic and serious abuse issues were lied about and swept under the rug. The lack of integrity by Devra, her impropriety around money and her physical and verbal abuse of individuals were the reasons for my leaving.*

(2). After the [Whitefish Pilot](#) & [Bigfork Eagle](#) news articles were published in July and August 2007 respectively revealing tens of crimes being committed by Devra West in the Lakeside MT Jack West issued a long statement on behalf of his ex-wife refuting all the evidence of her criminality and blamed the victims for amongst other things a 'religious' witch hunt against Dr. Devra West, Surya Ma! Here is a short excerpt from his statement which was posted on his ex-wife's website.

**Statement for Dr. Devra West, Surya Ma**

To All Who Value the Truth,

My name is Jack West and as a previous board member of the non-profit Divine Unity and Sacred Arts Institute, I offer my statements to refute the despicable and unfounded accusations that John Watson has made about Dr. Devra West-Surya Ma. Even though I am her ex-husband, I am stepping forward because I am outraged that he has orchestrated an implausible raft of tabloid-style allegations, based solely on his own malicious scripting of trumped-up gossip and calculated deception. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be. I encourage you to visit our rebuttal site [www.surya-source.com/rebuttal](http://www.surya-source.com/rebuttal).

Note the last two sentences which read as follows, **“There is nothing in his account of Dr. West’s circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be.”**

First of all Devra West is not a doctor of anything unless you count the two doctorates she insists the Christ awarded her in person, secondly Devra West was [convicted of assaulting](#) Dr. Cole MD in April 2008 as the news article in the [Whitefish Pilot](#) from that month will attest. Later that same year a Montana court awarded the whistleblower [judgment against Devra West for fraud](#). Back in March 2003 Devra West told the whistleblower that, and I quote, [“The truth does not matter.”](#) End quote. What she meant was that if she could replace someone’s truth with her lies then her lies would become their truth hence the non-stop propagandawar by ‘liars for hire’ / senior members of the cult like Jack West.

In the image above, bottom left, you will see below the heading ‘Rebuttal Home Page - Be Informed Know the Truth’ the words, **“April 26, 2008 – Update Misprint in the Whitefish Pilot News.”** What Devra West is saying is that the Whitefish Pilot newspaper, in reporting her conviction in their news article on [April 24 2007](#) stated, in error, that she had been convicted of assault. She goes on to state in the image above that they corrected their misprint, and that the case against ‘Surya Ma’ was dismissed due to lack of evidence! Of course this is a total pack of lies as we shall see from a further statement made by the editor of the Whitefish Pilot Richard Hanners. Here is his statement.

***The April 24, 2008, Whitefish Pilot contained the following article.***

***Spiritual guru pleads guilty in assault.***

***A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain. Her trial had been scheduled to begin Tuesday***

*at 9 a.m. in Flathead County Justice Court. After entering her plea, Devra West was sentenced to a six-month deferred jail term and fined \$500. Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her. Justice of the Peace David Ortley issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.*

*West's trial was postponed from March 11 after she failed to show up for a March 7 pretrial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan Prophecies. West's trial originally was scheduled for April 2007. Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.*

*I was not working at the Pilot that week. I went to see my father in Washington. After I returned, the publisher, Tom Kurdy, asked me to run a clarification. He wrote the clarification and e-mailed it to me. This is what ran on May 1, 2008:*

*A headline in the April 24 issue of the Pilot said that Devra West had pleaded guilty in an assault case in Flathead County Justice Court. West actually entered a no-contest plea, as noted in the story. The Associated Press Stylebook says that when a defendant enters a no-contest plea, "it means that he is not admitting guilt but is stating that he will offer no defense. **The person is then subject to being judged guilty and punished as if he had pleaded guilty or had been convicted.**" Because imposition of the sentence was deferred, the charges will be dropped in six months and expunged from West's record.*

*Richard Hanners  
Editor Whitefish Pilot*

Another attempt by the cult to convince the rank and file and the public that West's lies are truth. Of course the cult has no choice but to do this because the multi-million dollar a year fraud scam relies on the public believing the bullshit and lies put out by Devra West, Jack West and their accomplices.

Jack West knew about his ex-wife's assault on Dr. Cole MD, just as he knew about her assault on Susannah Felder in late 2001 mentioned above. Jack West knew that his wife had defrauded the whistleblower in 2002, he also knew that this statement.....

**Millennia Mind Dispute with John Watson:**

Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

**TRUTH:** No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam.** Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

...posted by Devra West on her website asserting that she had never had a business relationship with the whistleblower were false. Note the comment "**TRUTH: No business contract between Dr. West and the whistleblower ever existed.**" As the letter from Jack West to the 'Immigration and Naturalization Service' (INS) shows this too was a total lie.

Dear Sirs,

This letter is to acknowledge that John Watson has been working with our organization for several months. He is in the process of setting up a number of corporate entities for us. He will be employed by one or more of those corporations for a salary that is in the process of being negotiated. It is our understanding that this salary amount will be in the neighborhood of \$75,000 - \$100,000 per year when finalized. If you have any questions or would like to speak further regarding his employment, please feel free to contact me at the number shown below.

Sincerely,

Jack West, Director  
Circle of Divine Unity

Jack West knew about his ex-wife's assault against [Beatrice McGuire](#) in 2002 that left the victim needing plastic surgery. He knew about the kidnap, false imprisonment and extortion of tens of thousands of dollars from ex-student [Marion Cantwell](#) in 2005. He knew that his ex-wife had defrauded ex-student [Dave Kushner](#) out of \$30,000. He knew that ex-student [Lisa Swidler](#) died suddenly after witnessing the two previous crimes. He knew that ex-student [Mike Hendrickson](#) was defrauded out of \$200,000. He knew that Devra West had bankrupted the charity 'The Circle of Divine Unity' and after the charity was

[struck off](#) as a result of her actions, he knew that she stole a property worth \$1,250,000 from it and artwork and valuables worth \$4,000,000 – all paid for by public donation all valued as at 2002.

He knew that the \$4,000,000 worth of artwork and valuables, which she [stated in 2009 under oath](#) did not exist, were hidden in a lock up until after the statute of limitations on theft had expired. Ten years later in 2014, these very same articles, listed as assets belonging to the charity, appeared at auction in Cave Creek AZ and for sale from her website. They are still for sale from her website and can be viewed by following [this link](#).

**Jack West is front and center and, after his ex-wife, the most senior member of this criminal murderous cabal.**

**(3). Chris Haywood AKA ‘Che.’** They say that the apple does not fall from the tree and it is clear to see Devra West’s porn loving / wife beating son Chris Haywood is her heir apparent, her apprentice if you will. It is not just his FBI record for forgery, multiple drug busts or traffic violations .....

---

Tab – Criminal Reports

FBI report on Chris Haywood 6/12/1995 – Forgery in Santa Fe, NM  
Montana – Dept. of Justice – Criminal Possession of Dangerous Drugs  
11/22/1998

Montana – Dept. of Motor Vehicle Division (issued & convicted) 98/99  
Douglas County Statement of Warrantless arrest

It is the sheer brutality he has meted out to women which include breaking the nose of his underage pregnant girlfriend, who he allegedly forced to have an abortion because it would look bad for him at the custody hearing he was about to attend, where he hoped to get custody of his female infant daughter from his first wife. His mother, Devra West, has a long well documented history of vicious assaults against other women while at the same time, fund raising for the ‘Divine Feminine.’

It is his willingness, like his mother, to engage in fraudulent / predatory lawsuits, knowing his mother Devra West, will be there to mount a campaign of ‘under the radar’ violence against the victim if the going gets too tough for her son – after all this is part of his apprenticeship. Here are two examples.

**DA - 08 – 0259 Mathew West d/b/a Top to Bottom Construction (Plaintiff) V Devra West & Chris Haywood (Defendants).**

Long story short, both Devra West and Chris Haywood engaged Mathew West (no relation) to build a deck which they both then decide they are not going to pay for. The plaintiff is forced to spend valuable money and time taking the defendants to court to get what he is owed. Neither Devra West nor Chris Haywood participate in the court proceedings choosing to ignore them. Eventually the court gives default judgement to the plaintiff at which time both mother and son suddenly engage in the process and appeal. The appeal is denied and the plaintiff was [granted judgment](#).

**DV – 05 – 31 Chris Haywood (Plaintiff) V The Travelers Indemnity Company of America, Auto Owners Insurance Company (Defendants).**

In [his submission to the court](#) Chris Haywood asserts that he sustained serious injury and that he was likely to have medical issues going forward that would incur future medical costs. The submission also states that Chris Haywood had settled with one insurer in the amount of \$50,000 and was seeking another \$50,000 in this action from the defendants. In addition, after having obtained custody of his infant daughter from his first wife Kendal after his mother Devra West had mounted a campaign of character assassination, false witnesses and violent intimidation against her, Chris Haywood was claiming \$400 a month in child support from his ex-wife on the basis that he was **disabled**.

**And yet their next door neighbor in Lakeside MT where Chris Haywood and his mother were living stated that she saw Chris Haywood ‘wake boarding’ up and down the lake shortly after the accident occurred? Please follow the link to listen to her [audio statement](#) where she asserts that he is definitely not disabled, was wakeboarding and mowing his lawn etc.**

**This constitutes three acts of fraud on the part of Chris Haywood (and his mother Devra West).**

**(1). Chris Haywood obtained custody of his infant daughter from his first wife, Kendall, as a result of the criminal conspiracy mounted against her by Devra West who stole [\\$80,000](#) from her charity to fund the lawsuit against Kendall.**

**(2) Chris Haywood commits alleged felony fraud against not one but two insurance companies! Like mother like son!**

In a [follow up email](#) after, agreeing to post her statement on-line the neighbor asks the whistleblower to amend some of the statements he had posted because she and her husband were worried about their safety. She also alleges that she was woken up each morning at 3.00 am and realized she was the victim of occult attacks after she and Devra West got into a ‘water dispute.’

Though still serving his apprenticeship with his mother and, while in no way equaling her attempted fraud of \$33,000,000 in CPEA grant money in 2007, Chris Haywood has made a respectable start to his criminal career which one can only hope the FBI will give him (and his mother) credit for.

**In fact, I am willing to bet that Chris Haywood will be so grateful that his mother's current actions are shining a huge spotlight on his past criminality that he might just go over and show his appreciation by shaking her vigorously by the throat; as he has done in the past according to ex-wife Jamie Haywood's testimony.**

**(4). Rob Meador.** Devra West's eldest son, though in no way implicated in any crimes directly, was none the less the beneficiary of crimes committed by his mother who after her charity '**The Circle of Divine Unity**' was struck off for fraud in November 2003, committed the following three crimes.

- A. Having bankrupted the charity by diverting most of the public donations to fund her lavish lifestyle, she used an elaborate fraud to claim ownership of the charity's main asset (a property worth \$1,250,000 as valued in 2003) this she put into a personal trust fund for her and her eldest son Rob Meador.
- B. Ex-student, Mike Hendrickson, had just agreed to sign a note for the charity's bank account guaranteeing a \$200,000 overdraft. Immediately after this was in place, Devra West emptied the bank account and placed the \$200,000 into the trust fund she had set up for her and her son Rob Meador.
- C. She also stole \$4,000,000 worth of art worth and valuables from the charity (as valued in 2002) and hid them in a lock up until after the statute of limitations on theft passed and then in 2014 offered them for sale at auction and from her website. A full explanation of this can be viewed on the '[Crimes Page](#)' of this website. Rob Meador was not involved, even obliquely in this crime.

In respect of items A & B above; in 2008 a judge 'broke open' the trust fund and allowed the contents to become the subject of a 'Sheriff's Sale' thereby forcing Devra West to pay her creditors \$2,000,000 in court fines and interest she owed them. It is clear that Devra West used the trust fund as a repository for the proceeds of crime and to protect the proceeds of crime from her creditors. It is unlikely that Rob Meador, the only respectable member of the immediate family, would have allowed his name to be used if he had known his mother's true motives.

**(5). Anna West.** Anna West, as far as we know, has not been directly involved in organized crime; though she certainly has been aware of her mother's many visits to court as the defendant in fraud related lawsuits, knows of her conviction for assault. It is also clear that Anna West was aware of a number of assaults against female members of her mother's cult and aware of the campaigns her mother mounted against her half-brother's ex-wives, in an attempt to demonize them so that her porn loving wife beating half-brother could retain custody of two female infant children. The comment that best sums up Anna West's relationship with her mother is this...

**As long as you keep the money flowing I'll turn a blind eye to all the alleged crimes that scores of witnesses and victims, some of whom were my friends, say that you have committed!**

Here is a short excerpt from what ex-house keeper, Tanya Hurley, had to say about Anna West's relationship with her mother in a statement she gave to the whistleblower in June of 2007. You can access the full statement by [going here](#).

*In closing, it is my opinion that Mrs. West **is mentally ill and is a danger to herself and others**. I experienced a good side of Mrs. West also. I developed a close relationship to her daughter Anna West and still hold a place in my heart for her. It was for that reason only, that I did not divulge my experience at Divine Unity. As in most children, no matter what their parents are like, good or bad, she loves her mother. I did not want to be the one that caused Anna pain by speaking out about her mother.*

Scores of other victims have spoken up about Anna West's mother, and it is clear from the evidence that her mother is a dangerous psychopath, who has repeatedly shown that she will do whatever is necessary to keep the illusion of her being an Ascended Master going – even to the extent of murdering those who challenge her view of reality. Anna West should prepare herself for the fact that her mother is at any time, likely to become the subject of a criminal trial that will see her jailed for the rest of her life.

#### **(6). Geoffrey Reynolds CPA.**

**The Urban Dictionary defines the word 'scum' thusly:-**

*(adj.) Possibly the worst word you can have your name associated with.*

*It is hard to define the word, but it is basically used to describe someone so disgraceful that they are seen as the lowest form of life. "Worthlessness", "waste of skin", "dirt". "Nothing". Far worse than most other insults, where the victim is often just referred to as genitalia.*

I am sure that when Geoffrey Reynolds CPA commenced his employment as 'Financial Controller' with Devra West's company 'Sacred Environments LLC', he thought like many employees and consultants before him, that he was joining a 'normal' business enterprise that would be in full compliance with state and corporate law. Unfortunately for Reynolds, he only found out about the criminal nature of

Devra West's business model after he was duped by her into loaning her his life savings amounting to \$300,000 shortly after he commenced his employment in September 2006.

What is crystal clear from several emails sent by Devra West's office manager, Rebecca West (no relation) in March 2007, is that Geoffrey Reynolds by then was totally under Devra West's control, was turning a blind eye to the many crimes being committed by Devra West against her own employees, which included ignoring Rebecca West's cries for help

Here in an excerpt from Rebecca West email to the whistleblower entitled "[Help Me](#)" this sent to him on 7 March 2007; the square brackets are mine:-

***This attitude is pervasive and includes her current finance controller [Geoffrey Reynolds], whom she has extorted from him over \$300,000 since Sept 06'. He is very afraid of losing his money, wife, and children yet does not understand why I cannot come back to work and just let it roll off my back while she relentlessly screams at me and publicly humiliates me before, during and after work, and advises if she comes after me, I should just kick her ass!***

And here an excerpt from another of her emails sent Friday 23 March 2007 to the whistleblower entitled, 'What is your status at this point?'

***The companies owe large sums of money for WC, and ST, and Fed payroll taxes and was the reason he secretly laid-off Wendy Stuart, without confirming this choice with Devra first. He [Geoffrey Reynolds] was attempting to protect his CPA license and as of last night pretends not to remember that we both saw her get hit by Devra with a large, heavy three-ring binder and fired on the spot! I also told him for the fourth time yesterday evening, that in addition to her cruel verbal abuse, I had been slugged by Devra, three times in the back. I told him that I would be going to the State Unemployment Office with the truth and asked him, as my co-worker, if he would tell the truth regarding our working conditions. He said that it is his responsibility to represent his employer and he will not tell the truth unless specifically asked for the sake of keeping his job.***

***Devra dangles the carrot and since he [Geoffrey Reynolds] has loaned her his life savings, plans to keep playing her game until it is played out or he is eventually running her property management company. He has not been paid the \$300,000+ owed him and provides excuses that although he has had only four employers in his lifetime, most rich people are eccentric and in his experience their behavior can be much worse than Devra's.***

The reason Devra West was targeting Rebecca West and certain other of her employees was because they had been witnesses to the assault on Dr. Pat Cole, and insisted on telling the truth to the police and others. As a consequence, and in addition to the overt violence doled out by Devra West, the psychopath used her occult knowledge to target unfavorable witnesses with a campaign of psychic attacks. Here is what Rebecca West had to say about that subject.

***"I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have***

*the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. **I need support in how to deal with her shamanic witchcraft. Can you tell me more?** "*

Indeed, several employees being targeted in this way by the psychopath, phoned the police to complain about it. Follow [this link](#) to read an email communication about this.

What is clear, absolutely clear from these communications, is that Geoffrey Reynolds CPA was well aware that Devra Patton West had assaulted Dr. Cole back in April 2006. Indeed, it is likely that he had read West's written admission, '[The Law of Severity on the Path to Purification.](#)' As can be seen from the excerpts of [Rebecca West's](#) correspondence shown above, Geoffrey Reynolds was well aware of the attempts by his employer, Devra Patton West, to intimidate unfavorable witnesses into either withdrawing their statements or lie about the circumstances of the assault.

Below, is a list of actions that Reynolds did take on behalf of his employer / cult leader / crime boss.

(1). **Perjury.** Reynolds appeared as a favorable witness in court for West's porn loving / wife beating son, Chris Haywood, who was seeking custody of his infant female child from his second wife, Jamie Haywood. Chris Haywood's mother, Reynolds' employer, was fully engaged in the process, not only to the extent of giving and providing false witness in the form of herself and Reynolds but was also targeting her daughter in law with a campaign of 'under the radar violence' intended to intimidate the Jamie Haywood into giving up her child. [Here is a link](#) to a copy of the court transcript, which from page 43 lists Reynolds's statement, part of which was to describe Chris Haywood as a good father who he would leave his own children with! After listening to the testimony of Jaime Haywood, I suspect Reynolds' wife, Leslie, would have dissented on that idea!

(2). **Lies, Deceit & Propaganda.** On 12 July 2007, the [Whitefish Pilot](#) newspaper published a story about West's vicious assault on Dr. Pat Cole MD, along with details of several other [world service](#) acts / crimes being committed in the Lakeside MT area by Devra West. The immediate response of Geoffrey Reynolds CPA (and several other members of the cult was to issue statements of denial from West's website. In Reynolds case he was working hard for the return of his \$300,000 because he authored no less than four statements; three of his own and one jointly authored by senior cult member Julio Williams MD. Below here is a copy of one of his statements the others can be viewed by following [this link](#) to a webpage dedicated to the senior members of the cult and their participation in West's crime spree.

July 15, 2007

To The Editor,

As Dr. West's financial manger, I am appalled at your front page "smut story" that frames Devra as suspect of a host of misdeeds that border on sheer lunacy, pumped with statements that are conjured, false, inaccurate, out-dated, and out of context. In fact, nothing of the sort of what you presented is taking place other than routine financial and real estate matters.

You were duly informed that Dr. West's projects were put on hold mid-swing due to her father's 2 year battle with cancer and subsequent death and only now has the family trust been sorted out to allow her to go forward with her original plans. You were informed that Dr. West's proposed real estate transactions would be completed by the end of July-early August, if not sooner. You were also informed that our proposal prospectus was not distributed to the public, and was used strictly as in-house information for Dr. West's immediate constituents.

You were also shown numerous documents that disprove the farfetched and physically impossible allegations on the part of the money grubbing desperados, to include people who don't want to pay their bills that your story sensationalizes. In every instance, a legitimate explanation has been provided that counters the mean-spirited, implausible, fictitious rantings of your source and his ludicrous website, an individual who is nothing more than a raving wacko whose claim to fame is running tabloid publications in London.

You did not print the truth or make any effort what so ever to do so. You printed attention getting tabloid trash, that Dr. West, "Surya Ma", an internationally renowned author and meditation teacher, has no intention of even dignifying. I can only assume that newspaper sales are slow in the summer time because every one is out boating and enjoying the great out doors.

(3). **Lies, Deceit & Admission of Money Laundering.** On August 9 2007, the [Whitefish Pilot](#) story was followed by another story published by the [Bigfork Eagle](#) newspaper to which Geoffrey Reynolds gave a statement on behalf of his employer. While being interviewed by the Bigfork Eagle newspaper, and totally aware that Devra was guilty of the assault, Reynolds lied to the reporter by a) asserting that Dr. Cole's injuries were caused by an earlier fall at her apartment and b) asserting that Dr. Cole MD owed Devra West \$1.3 million part of which, some \$470,000, was owed for "therapy" and an "internship."

Here are two excerpts from his statement to the Bigfork Eagle:-

*Speaking for West, **Geoff Reynolds claims the charges are untrue.** He said photos of the first alleged assault were taken on a different date, and the bloody clothing in the photos resulted from Cole falling down a stairs at her Cherry Creek condo in Lakeside, not from an assault. 'Reynolds, who is a financial adviser for West, said he has worked as an accountant in Los Angeles, where he dealt with well-known personalities. **He is helping West raise several hundred million dollars** to purchase and develop three properties around Flathead Lake for VIP spiritual-healing spas.*

*The man who took the photos, however, tells a different story about the alleged assault. He came from out-of-state and was sharing the condo with Cole while he attended sessions with West. He said he was meditating when Cole appeared wearing a bloody sweatshirt. The man said they cleaned some of the blood off Cole's scalp and then took photos so Cole, as a doctor, could see her injuries and decide how to treat the wound. Cole said West hit her on the head with a shoe, the roommate said.'*

And more lies here:-

*'Reynolds claims Cole owes West \$753,484 and that colors Cole's allegations. Cole's bills for 2004-2006 totaled \$1.3 million, including **\$250,000 for an "internship"** under West and **\$213,750 in "therapy fees"** for eleven months last year. Cole managed to pay West \$621,484, but it didn't come easy. At one point, Cole cashed out her IRA and paid West \$293,843.'*

It is crystal clear that Geoffrey Reynolds had money laundered the funds extorted from Dr. Cole MD through West's business, in an attempt to make it look like the funds were received through normal trading; he said as much during his statement to the [Bigfork Eagle](#) newspaper. Even more damning is the fact that Geoffrey Reynolds' predecessor, Betty, had resigned rather than be forced to by Devra West to 'manufacture' false invoices to make it look like the funds extorted from Dr. Cole were received as normal business.

(4). **Complicity to Commit Murder.** While being interviewed by reporter, Constance See, of the [Bigfork Eagle](#) newspaper, Geoffrey Reynolds, in what he thought was an 'off the record' conversation, stated that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family (using occult 'under the radar' violence). The statement was taken seriously by the reporter who conveyed it to federal agent John Nielson who passed it on to the whistleblower.

**Shortly after Reynolds made this statement, there was a credible attempt on the whistleblower's life which failed.**

(5). **Admission of Employer's Guilt.** In November 2007, in a move worthy of the film 'Dumber and Dumberer' Reynolds, still totally under Devra West's control, tried to get the copy of West's written admission that she had assaulted Dr. Cole MD, '[The Law of Severity on the Path to Purification,](#)' taken down from the whistleblower's website. Reynolds approach was to claim copyright of the missive on behalf of Devra West saying that the whistleblower was using the piece without the author's permission. Here is an image of the email that Geoffrey Reynolds sent to the whistleblower's web hosting company.

(6). **Felony Fraud.** Geoffrey Reynolds had been at the center of the fraudulent application of \$33,000,000 in government grants referred to in the Bigfork Eagle news article and also referred to in [emails](#) that Rebecca West sent to the whistleblower in March of 2007. Here is what Rebecca said:-

*Please be advised that the CPEA \$'s obtained with Dr. Cole's funds are due into the bank account this week. These monies were supposed to be available over a year ago and if the transaction is not a fraud then \$30M will be deposited in increments.*

And...

*I have followed the \$30M CPEA funding issue closely and although the monies are earmarked for a 3-Tier Business Plan to develop Spas is the very way to pay off her debt to all of us.*

It is unlikely that either Geoffrey Reynolds or Devra West shared the true nature of her criminal business model when applying for the grants. It is also unlikely that Geoffrey Reynolds or Devra West disclosed the fact that she was going to use at least \$2,500,000 of the grant money to pay off some of her debts which included the \$2,000,000 she owed her creditors at the time in court fines and interest!

(7). **Criminal Conspiracy.** In October 2009, a year after the whistleblower received judgment in the Montana courts against Devra West for fraud, the whistleblower's lawyers deposed Devra West to see if they could find out where Devra West had hidden all the money; you can review the full statement by going here [deposition statement](#); it is worth reading not least because throughout her statement West denies all knowledge of financial matters asserting that Reynolds was the money man. Here are a few highlights:-

A. During the statement, given under oath, Devra West asserted she was penniless and living in an RV in the back of Geoffrey Reynolds garden doubtless Reynolds agreed to be a party to this pack of lies too.

B. Devra West admits that she is \$2,000,000 in debt. Her indebtedness was the reason she beat the crap out of Dr. Cole and extorted her entire net worth estimated at \$1.3 million, had previously kidnapped Marion Cantwell and extorted money from her, and defrauded Dave Kushner out of \$30,000 and had defrauded Mike Hendrickson out of \$200,000. Then there is the \$1,250,000 property she stole from the Montana charity she bankrupted along with the \$4,000,000 in art work and valuables that went missing from the charity but which showed up ten years later!

Below, is an excerpt from two pages of the statement Devra West gave while being deposed by the whistleblower's lawyer in October 2009.

Page 24

1 A. I estimated that it was about two million in  
 2 all that I'm in debt. You know, not counting the  
 3 award with Mr. Watson, should the appeal go in his  
 4 favor.  
 5 Q. Do you have loans from anyone?  
 6 A. Pardon?  
 7 Q. Do you have any loans? Have you taken any  
 8 loans either from an institution or from an  
 9 individual?  
 10 A. Well, that's why I owe Mr. Reynolds and my  
 11 son money, yes. They originally expected to be  
 12 repaid.  
 13 Q. Other than Mr. Reynolds or your son?  
 14 A. There was a loan from Wells Fargo that was  
 15 defaulted on that is part of that amount of money  
 16 that is owed.  
 17 Q. And do you know how much you owe Wells  
 18 Fargo?  
 19 A. I think it was a couple hundred grand.  
 20 Q. Do you know what the status is? Have they  
 21 filed a claim against you?  
 22 A. Yes.  
 23 Q. Have they filed a lawsuit?  
 24 A. I don't know what the difference is, quite  
 25 frankly. But not to my knowledge. I don't know. I

Page 61

25 Q. Did you ever have numerous pieces of art?  
 1 A. At one point in time I had some art. Again,  
 2 a great deal of it was stolen as well.  
 3 (Exhibit 1 marked for identification.)  
 4 Q. If you would take a look at that, Ms. West.  
 5 Have you seen that document before?  
 6 A. Yes, I sure have.  
 7 Q. Can you tell me what it is?  
 8 A. This was created by some of the non-profit  
 9 people. It was shown to me. They were trying to I  
 10 believe at the time convince me to become involved in  
 11 trying to -- they were trying to not lose the  
 12 property down there. It was I think -- I'm thinking  
 13 they were late on their payments or whatever. So  
 14 this was created by a couple of people.  
 15 Most of it is pretty far-fetched. I mean I  
 16 can tell by looking at it that the monies -- and I  
 17 told them that I thought this was ridiculous. I  
 18 thought that, you know, it was pretty crazy. I mean,  
 19 I really walked away from my life. I walked away  
 20 from all of my possessions. All of this stuff was  
 21 left at Naka Sheila for over a year and a half. The  
 22 property has been entirely furnished with my personal  
 23 family's furniture and so on. And by the time they  
 24 got around to actually transporting my items back to  
 25 me, well over half of it had been carted off. Entire

Why does none of this show up in the Ascended Master's ['Life Journey'](#) as shown on her current website?

Some two weeks or so after that [deposition statement](#) was given by Devra West (under oath), another victim's mother (Kendall Strnad, West's son Chris Haywood's second wife) emailed the whistleblower to tell him that Devra West was now living in a \$7,000 a month gated community in Cave Creek AZ as she prepared to reincarnate herself as the Ascended Master 'Rishi Devra.' Here is a photo of the latest version of the 'Abode of the Masters' where West lives in some luxury from the ill-gotten gains of crime.

(8). **Criminal Conspiracy - Extortion.** When the plan of the murder plot against the whistleblower failed in 2007, (see point (4) above) the occult criminal Devra West came up with plan 'B' which involved using

the civil law courts in a criminal conspiracy to bankrupt the whistleblower. Remember, Devra West's guru / cult / extortion business model only works if the public are ignorant of the truth and buy into the 'divine being' routine which of course they would not do if, as is the case now, there is plenty of evidence to the contrary on the internet! To be clear both the murder plot and the subsequent conspiracy by West & Reynolds were both motivated by the desire to 'silence' the whistleblower so that he could not publish the truth about Devra West's criminal business model on-line.

Gambling that the whistleblower would not have the finances to a) fly backwards and forwards from the East coast of Canada and b) be able to afford to pay lawyers to fight another lengthy and expensive lawsuit both West and Reynolds waited for the opportunity to execute their plan. In 2010, while the whistleblower attended a court hearing in Montana to see what that court was going to award him for winning his fraud lawsuit against Devra West in 2008, both Devra West & Geoffrey Reynolds served him for defamation (for telling the truth about West's criminality and Reynolds's involvement in it). And because the whistleblower could not afford to defend the case West & Reynolds lies resulted in a default judgement against the whistleblower of \$10,000,000 (\$5,000,000 for Reynolds and the same amount for West).

To give an idea of just how corrupt Geoffrey Reynolds was / is please review below here the first part of his pleadings to the court in 2010 that led to an undefended default judgment against the whistleblower.

The obvious point to make here is this; how could Geoffrey Reynolds have been defamed by the whistleblower between 2002 & 2006 if Geoffrey Reynolds CPA was working in Carefree AZ and had never met the whistleblower nor was even aware that he existed? Remember Geoffrey Reynolds did not commence his employment with Devra West until September 2006? Here is an excerpt from a statement he gave under oath in court on July 12 2007 where he says as much....

23	Q. Okay. And who owns that company?	
24	A. Devra West does.	
25	Q. Okay. How long have you been working for	
VICTORIA WALTERS (406) 758-5664		
		44
1	that company?	
2	A. Since September of 2006.	

Clearly Geoffrey Reynolds had not been defamed by the whistleblower and clearly did not know of his existence until Devra West blackmailed him into making false statements to a Montana court on her behalf! But not only did Geoffrey Reynolds CPA agree to participate in this conspiracy by Devra West against the whistleblower her agreed to 'front' the lawsuit leaving Devra West, then calling herself the Ascended Master 'Surya Ma,' to stay out of the limelight and avoid even more publicity around what was obviously a plot to silence the whistleblower in order to hide her 'criminal' past from the public.

So for Geoffrey Reynolds participating in a 'slam dunk' criminal conspiracy though not as satisfying as murder achieved the following goals a) keeping West and Reynolds's crimes off the internet b) Devra West got revenge for the whistleblower's win in court against her for fraud and c) allowed Devra West to reincarnate in Carefree AZ as the Ascended Master 'Rishi Devra.'

In addition to the default civil judgement Devra West applied for and got an injunction forcing the whistleblower's websites down which left the coast clear for Devra West to reincarnate herself as the Ascended Master 'Rishi Devra which is exactly what she proceeded to do in Carefree Arizona. Why Carefree AZ? Well that is Geoffrey Reynolds's old home town, where he lived prior to taking up his position in West's cult in early 2006.

**Geoffrey Reynolds CPA worked hard for the return of his \$300,000, complicity to commit murder, criminal conspiracy, money laundering, and the fraudulent application of \$30,000,000 in CPEA grant money and yet none of this 'criminal' experience shows up on his resume / bio on his current employer's website.**

Here is a link to [Geoffrey Reynolds's entry](#) on McSwain & Company's website which as you can see below here has no mention of his tenure with Devra West and her cult. In an obvious lie Reynolds states that during that period of time he was an "Outsourced CFO / Independent Consultant" even though on his personal website he states that from 2006 until his departure from Devra West's cult in 2014 Reynolds was clearly only working for one employer!

**Experience**

**Outsourced CFO/Independent Consultant**  
Prior to joining McSwain & Company, PS. Geoff was independent consultant. He worked as an Outsourced CFO for many companies needing CFO services but unable to hire a CFO internally, this included Start-up Consulting, Business Plan Development, Mergers & Acquisitions and many other services.

**Intramedicine, Inc. - CFO**  
Prior to starting his consulting firm, he served as CFO for Intramedicine, Inc. a Web-based research and information company that maintains the world's leading database of scientifically validated complementary and conventional medical therapies and syndicates the database to Web sites and traditional companies in need of this kind of information.

**Infinite Axis.com. - CFO**  
Infinite Axis.com, Inc. a web development firm.

**2CAN Media, Inc. – Director of Finance**  
2CAN Media, Inc. an Internet Advertising firm. While at 2CAN he arranged interim financing, manage the cash flow and banking relationships and day to day operations. He also prepared all modeling and projections for the company. Geoff continued on as Director of Finance for AdSmart Networks after CMGI purchased 2CAN, to aid in the merger.

Whereas on his personal website below here he is not so coy at mentioning his past association with organized crime!

We do not know or care how long [McSwain & Company, PS](#) will continue to employ Geoffrey Reynolds CPA now that they know about his past association with organized crime but if they value their reputation they might want to consider returning Mr. Reynolds to his life as an “Outsourced CFO / Independent Consultant” ASAP.

Below here is a social media ‘Meet Up’ posting Reynolds made in 2014; it is not enough that this ‘bottom feeder’ moves Devra West’s cult to his old home town of Cave Creek, AZ additionally he wants to help her recruit more victims from his ex-neighbors and ex-business clients.

In closing on Geoffrey Reynolds’s association with Devra West’s guru / cult / extortion criminal business model. It is obvious that when testifying in court on July 12 2007 as a favorable witness for his employer’s son, Chris Haywood (see ‘Reynolds’ item (1) above), that Reynolds was reading from a script given to him by Devra West after all she has a long history of using false witnesses against those who oppose her. However I do believe that when Reynolds stated that he would leave his children with a violent porn loving wife beating psychopath like Chris Haywood he was telling the truth!

I believe that Reynolds would sell his wife and children if the price was right and in a sense he has done that already; I believe this for two reasons:-

1. The \$10,000,000 default judgment obtained by Reynolds lies above cannot be allowed to stand and so this campaign will continue until it is revoked.
2. Devra West’s continued use of occult ‘under the radar’ violence some ten years after Reynolds blurted out the murder plot to the [Bigfork Eagle](#) reporter.

The above two issues have resulted in this campaign which will not end until both Devra West and Geoffrey Reynolds are indicted for their crimes. Once convicted Reynolds will be the subject of a long term jail sentence plus civil lawsuits that will result in him and his family being bankrupted. Like I said earlier Reynolds has already sold his family’s future for \$300,000.

(7). **Julio Williams MD.** Unlike Geoffrey Reynolds who sold his soul for \$30,000 Julio Williams MD was / is a believer and had been so since joining the cult in 2000. Below here is an excerpt from his bio / resume as posted on Devra West's website in 2006 to 2009 time period; you can access the entire document by going [here](#).

The screenshot shows the website for 'The Global Guardianship Initiative' with the tagline 'A New Paradigm in Philanthropic Partnership'. The navigation menu includes 'Our Founder', 'Philanthropic Partnership', 'Projects', 'Events', 'About GGI', 'Contact Us', and 'Home'. The 'Biography' section for Julio Williams, MD, features a portrait of him and the following text:

**Julio Williams, MD**

It was in the fall of 2000 when I first came into contact with Dr. Devra West, whom we graciously and fondly call "Surya Ma" (a name reflecting high honors on the spiritual path) during a transformational training at her retreat center in Montana. I quickly came to recognize that she is one of her kind among the few contemporary illumine minds here in the west. She is a modern day pioneer and visionary who lives her life as an example in service for the greater good of humanity. It was as if I had been ignited to see and know and experience at all new levels of possibility, and as a physician, I felt privileged to receive the gold that her teachings have to offer. And I have been inspired to pass on to society at large, the tools that have empowered me to engage the philanthropic spirit in service to humanity and more over into my medical practice. She is a Master Healer because she is a Master Soul. Her very presence is a healing presence. Because she heals from a greatness of heart, she has opened my sight to my own greater capabilities as a human being.

I am delighted and honored to further her work in all ways possible and for the opportunity to serve as board member of the Global Guardianship Initiative and look forward to becoming a dynamic force in the implementation of the different projects on a long-term basis.

Devra West uses Williams's perceived respectability as a surgeon to 'market' her to the public in what is obviously a massive and willing deception on the part of Dr. Julio Williams MD who, according to some of his patients, is not even a very good doctor. Follow [this link](#) to review some of his patient's comments one saying that if you should see him coming run the other way!

Julio Williams MD grew up in the Dominican Republic which is / was steeped in Voodoo, black magic and the occult so for him being a disciple / student of Devra West a Satanist who uses the occult to prey on her fellow man is a natural fit for him. Over the years Williams has been totally brainwashed and conditioned to the point where he has no discretion in his actions and does exactly what he is told by the leader of his coven no matter how illegal or immoral.

**Left to right; dangerous psychopath Devra West, Julio Williams MD receiving a blessing from the leader of the cult. Williams dons a respectable look to go about his day job though some of his patients suggest that if you see him you should 'run the other way.' As the mannequin totally controlled by Devra West to the point of committing professional suicide not to mention jail when his role as 'marketing' director for the death cult is investigated**

His biography was part of a gushing testimonial that was posted on her website right next to images of a multi-million dollar property that West was alleging belonged to her when the real owners had repeatedly asked Devra West to stop using images of their property in her brochures and on her website. Review the [Whitefish Pilot](#) for their comments. While posing as a billionaire on-line and saying as much in court and under oath while giving [false testimony](#) on behalf of her son Chris Haywood Devra West was in fact penniless, had a lien against her for unpaid employment insurance and was being evicted in quick succession from two rental properties! See [Bigfork Eagle](#) newspaper article for details!

In fact, Occult Thief / Suspected Serial Killer, Devra Patton West, has changed her identity twice since Julio Williams became infatuated and brainwashed by her in 2000. Her identities changed from the Ascended Master's Devra Ji to Surya Ma and now, Rishi Devra. Her crimes during her association with her are too numerous to name here suffice to say that you can read a list of 33 of her ['world service'](#) efforts by reviewing two previous two email bulletins which can be accessed by following these links.

1. [Rishi Devra – 30 Shocking Examples of 'World Service' from the occult con Artist Devra Patton West.](#)
2. [Rishi Devra AKA Devra Patton West - Absolute Evil Masquerading as Good!](#)

That said here is a brief list of crimes that the leader of his black magic coven has committed since 2000. The vicious assault of three female cult members [Susannah Felder](#) (partially scalped), [Beatrice McGuire](#) (ear partially ripped off) and fellow physician [Dr. Pat Cole MD](#) (viciously beaten and had her entire net worth estimated at \$1.3 million extorted from her). Two arrest warrants, one for [felony theft](#) and one for [criminal check](#) fraud. A [conviction for assault](#) and several visits to court as the defendant in fraud related lawsuits including one that the whistleblower [won against Devra West](#) in 2008.

In the matter of the lawsuit brought against Devra West by the whistleblower for fraud in 2003 Julio Williams, at the request of his cult leader Devra West, jointly authored a [defamatory statement](#) designed that sought to character assassinate the whistleblower and convince the rank and file cult members that Devra West was the victim. This statement was posted on her website in 2005. When that failed to intimidate the whistleblower, Julio Williams took a more direct approach and sent a threatening email directly to the whistleblower. The following is a short excerpt from that email.

Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN".

I have personally allocated Two million dollars for Dr. West defense and legal expenses. If you want to continue with your insanity go head but just know that you will have to go through me first. If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down.

Mr Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

In July of 2007 when the Whitefish Pilot broke the story about Devra West's vicious assault on Dr. Pat Cole MD rather than stand solid with fellow physician Cole Julio Williams instead did the following:

1. Provide two false statements inferring that Dr. Cole MD was at fault and that his cult leader calling herself Dr. Devra West Surya Ma was the victim. Of course all the evidence shows that Dr. Cole was viciously assaulted not Devra West and all the evidence showed a transfer of wealth amounting to \$1.3 million from Dr. Cole to Devra West who was later convicted of the assault but not for extorting Dr. Cole's entire net worth!
2. Williams made a donation of \$100,000 to Devra West thereby becoming guilty of funding organized crime as well as acting as 'liar for hire' by providing false witness for Devra West.

The photo below here was taken from Devra West's website; it shows Julio Williams with his daughter.

I wonder if she is aware that he is a willing participant and funder of organized crime. Williams, as one of the most senior students of Occultist Devra West is well aware that she uses her occult knowledge to commit serious crimes all the way from theft to murder the whole point of Williams association with Devra West is for him to learn how to do the same! Very shortly, if not already, Devra West and her criminal business model will be investigated and when that happens Julio Williams will, along with Jack West and Geoffrey Reynolds, become a central part of that investigation.

**As stated above in the Reynolds section Devra West's vendetta against the whistleblower which includes a failed murder plot, a \$10,000,000 default undefended civil judgment for telling the truth about her, both actions designed to stop the public from learning about her criminal past, and the ongoing campaign of 'under the radar' violence against the whistleblower guarantee that Julio Williams will end up the subject of a criminal trial.**

In the meantime Julio Williams is happy to reprise his role as 'marketing' director for what is a murderous criminal conspiracy masquerading as something wholesome. Here is a recent statement from Julio Williams using what is left of his so called 'respectability' as a physician to fund raise on Devra West's behalf for the 'Divine Feminine.' Which given psychopath West's [repeated violent assaults](#) against women is somewhat ironic to say the least.

## EMPOWERING FUNDING for the DIVINE FEMININE

Manifesting the New Potential for Healing & Enlightenment

Julio Williams, MD

Cardiovascular & Thoracic Surgeon  
Director, Golden Flame Foundation

Dear Friends and Fellow Seekers,

It is with profound purpose that I personally reach out to you to invite your support for Rishi Devra's outreach for spiritual awakening. As a master teacher of profound relevance, our fall fundraising goals assure that her service endeavors for healing and enlightenment will continue to build momentum throughout the fall and winter months. For over 14 years, I have witnessed her illumination in the thick of every day life, as well as the astounding beauty and power of her teachings. We are indeed very blessed that a master teacher of her caliber is amongst us during for this time of global upheaval, as she fulfills her mandate "to awaken the few, who will influence the many."

And to show his total ~~brainwashing and conditioning~~ dedication to Devra West's **'world service'** efforts Julio Williams even rented a house down the road from the leader of his coven so that she did not have to have the 'sheeple' crawling all over her 'Abode of the Master's while attending a 'sacred Sunday with Rishi.' Note the two gushing testimonials from Williams my favorite being his assertion that the leader of his cult is, and I quote, "A virtual wellspring of living divinity." Such an a\*\*hole such dedication to the cause.

~ Our June 12th ~  
**Sacred Sunday with Rishi**  
will be hosted at the home of Dr. Julio Williams  
7390 East Stagecoach Pass Carefree, Arizona 85377  
~ 10 am to 12 pm~

### Comments from Students:

*"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -*

**Julio Williams MD, heart surgeon and devoted seeker**

*"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."*

**Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker**

And here to finish on Dr. Julio Williams here he is just like Jack West, Anna West and Geoffrey Reynolds all is if acting as one posting on social media to try and attract fresh **victim's** spiritual seekers to the cult so that the vile serpent who runs it can have a continual supply of others energy and finances to continue her **'world service'** efforts. More can be found on Julio Williams's complicity in organized crime by following this link to the **'Senior Cult Members'** page currently featured on the six websites listed below.

The above is just the tip of the iceberg I have no doubt that when the FBI / law enforcement start interviewing victims they will be led to more and more.
