Dear FBI and local law enforcement,

I have a couple of questions for you. If someone sets out to murder someone and succeeds, perhaps on multiple occasions, if the ‘weapon’ they use to commit the crime is not recognized by legal statute as a weapon, is it still a crime? I mean if the person or people are dead, surely a crime has been committed? The second question is of a similar nature. If someone is using a ‘weapon’ that is not regarded as a weapon by legal statute to intimidate, harm, make ill, maim, injure and threaten murder in the course of committing financial crimes like fraud, theft and extortion, is a crime being committed?

I ask because Devra Patton West has been doing all the above for at least 25 years and during that time, has gotten away with crime on an industrial basis, including I am convinced, at least one murder and maybe many more. I am also convinced that there is more than enough evidence to convict her and her accomplices, Geoffrey Reynolds CPA, Julio Williams MD and Jack West, of ‘intent to cause harm’ while committing many of the crimes listed above. God knows there are enough victims. Put simply, Devra Patton West is a domestic terrorist that has harmed / ruined the lives of scores of victims and perhaps murdered several.

Here is this week’s installment about Devra West; a deeply disturbed psychopathic person / personality that was called to ‘world service’ at age 7 (gag)!

**World Server Rishi Devra AKA Con Artist, Occult Thief & Suspected Serial Killer Devra Patton West.**

LIVING THE DIVINE LIFE  
*Emergence of a Lotus Born*

Rishi Devra's path of awakening has moved from an enriched epic of life experience that has encircled the globe. Regarded as a Lotus Born Soul by pundits, yogis and elders, she retained her sense of divine presence from birth and even as a toddler was cognizant of incarnating into a physical body with a higher destiny to fulfill. Her link to the divine worlds was encouraged by her paternal grandmother, a devout charismatic healer and clairvoyant, who taught her to navigate the spirit world of masters and angels throughout her childhood, with past life recall and the ability to see into the future as her commonplace occurrence.

She received her first spiritual initiation at the age of seven, being spontaneously flooded with wave after wave of light, experiencing the direct presence of the Great Masters. Enveloped in divine illumination for many days thereafter, she received her 'call to serve the world' throughout adolescence. Rishi Devra continued to receive the guidance of a spiritual hierarchy of spiritual masters, who gave her an in-depth understanding of the soul's universal existence and the malleable fluidity of reality.

**She received her ‘call to serve the world.’**

**Some questions that need answering.....**

**What kind of 'world server' uses murder as a weapon to silence the truth about her past? Devra Patton West does!**

**(1).** While being interviewed by the [Bigfork Eagle](#) reporter on Aug 9 2007, senior cult member Geoffrey Reynolds CPA, speaking on behalf of Devra West, announced that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family.

Three weeks later, Devra West tried to murder the whistleblower. However, because the weapon she uses is not regarded as a 'weapon' by legal statute, she cannot be prosecuted. The whistleblower has been on the receiving end of occult attacks for the past 10 years, all designed to stop truth about Devra West's criminal past getting out into the public.

**(2).** In 2005, Devra Patton West needed funding to develop a 'high end' spa complex in Lakeside MT; so she formed a corporation called the 'Fountain Group' with another con artist by the name of Edmund Wilson, both acting as Chairman and CEO respectively. Devra West invested \$650,000 of her own money on the promise that she would get ten times that amount back within weeks, only to find that the occult con artist Devra West had herself been conned out of \$650,000. [Follow this link](#) to review the details of the law suit that the Securities & Exchange Commission brought against Edmund Wilson and the other defendants.

What I find interesting about this is that in 2005, at the time she was being defrauded out of \$650,000, Devra Patton West was herself under investigation by the IRS and ahead of that investigation she was busily shredding documents as fast as she could to hide her criminality from that investigation. Here are two excerpts from an audio statement given by Devra West's then 'Housekeeper' Kathleen Francisco and then 'Personal Secretary' Diane Stoner.

**[Devra West Shredding documents ahead of IRS investigation.](#)**  
**[Devra West 'bringing in' a donation of \\$500,000 that she keeps for herself!](#)**

In the 2005 time period, after her charity was [struck off for fraud](#), and perhaps after losing \$650,000, she stole a property worth \$1,250,000 from her charity and stole \$4,000,000 worth of artwork and valuables from the same charity – all the above paid for

by public donation. The property became the subject of a [Sheriff's Sale](#) in 2008 to force her to pay her creditors \$2,000,000 in court judgements and interest. The millions of dollars in artwork and valuables were hidden in a lock up for ten years until the statute of limitations on theft passed and reappeared at auction and [for sale from her website](#) in 2014.

In 2006, desperately short of money, Devra West launched a campaign of overt and covert violence against one of the wealthier members of her cult successfully extorting \$1.3 million from Dr. Cole MD, her student and business partner. An employee by the name of Carlida Finch, overheard Devra West planning Dr. Cole's murder; something she reported to the authorities. Follow this link to read Carlida's [statement of fact](#).

**(3).** In 2005, perhaps after she was defrauded out of \$650,000, Devra West defrauded ex-student, Dave Kushner, out of \$30,000; shortly afterwards she kidnapped, falsely imprisoned and beat ex-student, Marion Cantwell, until she agreed to give up part of the proceeds of the sale of her home to Devra West telling her upon release, that Marion would be murdered if she went to the police. A third ex-student, Lisa Swidler, a young mother of two, witnessed both crimes and as a result tried to leave the cult and shortly afterwards died suddenly and mysteriously of internal bleeding. The whistleblower believed she was murdered by Devra West to keep her quiet.

What kind of **'world server'** regularly beats the crap out of women and then seeks to raise millions for the 'Divine Feminine? Devra Patton West does!

## THE DIVINE EMBRACE

## THE EMBRACE OF A DANGEROUS PSYCHOPATH WHO BELIEVES SHE IS BEYOND THE LAW AND WILL NOT HAVE TO ANSWER FOR HER CRIMES

### Dr. Pat Cole MD

"She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes, she threatened to kill me with a gun to my head, 'blowing my brains out.'" Photos taken after the alleged beating were submitted to the sheriff's office.

Dr. Pat Cole – Former Student & Business Partner.

### Susannah Felder – Partially Scalped.

In late July 2001, while I was on a business trip to Denver, Susanna Felder, a committed assistant for over 9 years and editor of Devra's writing, called me. She called me in severe distress as she had gotten into a heated discussion with Devra on whether or not I should be put on the BOD – there was no Foundation BOD at that time. Devra became so incensed that she attacked her and ripped clumps of hair out of Susanna's head.

AJ White Former - Board Member of Devra West's 'charity' The Circle of Divine Unity.

### Beatrice McGuire – Part of her Ear Ripped Off.

I was present in Montreal in which Ms. West tore a woman's ear. The woman was kneeling in front of Ms. West and had quietly challenged her authority. Ms. West reacted physically. Evidently the woman's ear had been grabbed too hard and then torn. She underwent reconstructive surgery for the injury.

Debra Coffey – Student and Teaching Assistant.

For the background on these victims go to the [Whitefish Pilot](#) and [Bigfork Eagle](#) for Dr. Cole MD, to a statement by ex-board member [AJ White](#) for Susannah Felder, and to a statement by ex-student, [Debra Coffey](#) for Beatrice McGuire. Below, is part of a statement that senior cult member and 'liar for hire' Julio Williams made on behalf of his cult leader in 2014, aimed at the residents of Cave Creek & Carefree AZ this piece asking for donations for the 'Divine Feminine.' ## EMPOWERING FUNDING for the DIVINE FEMININE

Manifesting the New Potential for Healing & Enlightenment

**Julio Williams, MD**

Cardiovascular & Thoracic Surgeon  
Director, Golden Flame Foundation

Dear Friends and Fellow Seekers,

It is with profound purpose that I personally reach out to you to invite your support for Rishi Devra's outreach for spiritual awakening. As a master teacher of profound relevance, our fall fundraising goals assure that her service endeavors for healing and enlightenment will continue to build momentum throughout the fall and winter months. For over 14 years, I have witnessed her illumination in the thick of every day life, as well as the astounding beauty and power of her teachings. We are indeed very blessed that a master teacher of her caliber is amongst us during for this time of global upheaval, as she fulfills her mandate: *"to awaken the few, who will influence the many."*

What kind of **'world server'** markets herself to the public as 'living the divine life' when the truth about her sordid private life tells a completely different story? Devra Patton West does!

The transcript from the 2007 custody hearing reveals that Devra West lived with her youngest son, Chris Haywood at the time. The transcript also reveals that Devra West got

into physical fights with Chris Haywood who, according to evidence given, had a reputation for violence against women. Jamie Haywood, his second wife, alleged in court that Chris Haywood liked watching porn and 'jacking himself off' in front of the TV when her female friends were visiting. In an earlier custody hearing with his first wife, it was revealed that Chris Haywood had an FBI record for forgery, multiple drug busts and motor vehicle offences.

Below is a short excerpt from the transcript, within which Jamie Haywood gives us a look into the sordid life of Devra Patton West. Jaime alleges seeing Devra West strike Dr. Pat Cole MD and also said she witnessed a fight between Devra West and her son, Chris Haywood, where Haywood grabs West by the throat and holds her up against a wall while West 'licks' his face from top to bottom.

**Entirely normal behaviors for a Satanist Serial Killer but not for a 'Divine Being!'**

8                   And, yes, on several employees that were in  
9                   that office went through hell and back with that woman,  
10                  and still are going through hell right now, so -- the  
11                  whip -- the lip lashings and the physical lashings, I  
12                  have witnessed with my very own eyes.  
13                  Q.   Okay. You have seen her actually strike --  
14                  A.   Pat Cole, yes.  
15                  Q.   Um, have you ever seen her act in violence  
16                  towards Chris?  
17                  A.   Yes, they have gotten into it several  
18                  counters, um, she licked him from his chin to his  
19                  forehead and that's when he slammed her into the wall --  
20                  Q.   And when he's --  
21                  A.   -- by her throat. And our children were  
22                  there witnessing it, and running through the house  
23                  screaming and crying -- Sandra was while I had Sasha in  
24                  my arms.  
25                  Q.   Okay. So she scratched him across his face?

It seems that both the mother and son are dangerous psychopaths, and to prove that this was the case, Jamie Haywood's lawyer produced the photographs that were taken by the police of Dr. Cole's injuries after Devra West's vicious assault upon Dr. Cole MD in April 2006. Apparently, Devra West repeatedly hit Dr. Cole MD over the head with the heel of her shoe until blood ran down her face onto her blouse – review [Whitefish Pilot](#) for details. Days later, in an attempt to justify the assault, Devra west wrote to her entire mailing list alleging that the beating was sanctioned by the long dead Ascended Master El Morya who alleged that the victim was a Nazi in the WWII death camps in another lifetime!

Below here are some excerpts from the letter that the psycho bitch Devra West sent out to her mailing list of cult members; you can access the entire missive entitled, '[The Law of Severity on the Path to Purification](#)' by following the link.

### *The Law of Severity on the Path of Purification*

Response to the Call of **Master Surya Devi for Review**

April 17, 2006 From Master El Morya of the Shamballa Counsels

What must be taken into account in all matters of review on the part of the Shamballa Counsels is the surrounding circumstances and the root motivation that is at play within any given matter of cause and effect or in the case of Surya Ma's actions the matter of singular cause aligned in Divine Will. We therefore have come to the following determination:

At no time has Surya Ma's intentions been rooted in anything other than the highest of grace despite the seeming severity that was meted. And we are witness to the sacrifices that she has made on behalf of the awakening of those who are placed in her charge and on behalf of the Divine Plan itself. She has offered up very resource and body, mind and soul

Dr. Cole is long over due in the sound arighting of her soul with its Creator. Her role in the death camps of Europe during the reign of the Nazi defilement is as yet unrectified. The suffering that was administered directly from her hand was an unconscionable infliction of brutality and evil and more over was resultant in the compromise of her very soul of its inherent link with the light of God. This is a rift in time of planetary karma and many souls have been lost to this rift and remain entrapped in the astral planes of this horror of human disgrace. Her continued denial of this samsara remains a factor to be rectified and she cannot progress until she comes to terms with her compulsions of victimhood rationale, that are merely smokescreens that veil her memory of her perpetrations against her fellow human brethren.

What kind of **'world server'** would viciously attack both daughter in laws, victims of failed marriages to her porn loving wife beating son, Chris Haywood, and conspires with him to wrest two infant daughters from their mothers? The answer is Devra Patton West!

What kind of **'world server'** would defraud their stepmother out of \$30,000? The answer is Devra Patton West!

For details about these three crimes which involved Devra Patton West targeting both daughter in law's with occult 'under the radar' violence, false witnesses at the two custody hearings and the defrauding of her step mother - all family members (by marriage) follow [this link](#).

What kind of **'world server'** has two arrest warrants to her name, one for felony theft (seen below here) and one for [criminal check fraud](#)? Devra Patton West is the answer!

What kind of **'world server'** is convicted of assaulting her business partner while extorting \$1.3 million from her? Devra Patton West is the answer!

### *Spiritual guru pleads guilty in assault*

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to a six-month deferred jail term and fined \$500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortleby issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

What kind of **'world server'** asserts that she is **'single handedly holding open the gates of time?'** The answer is Devra Patton West.

What kind of **'world server'** asserts that she was **awarded her two entirely fake degrees** by the Christ in person? The answer is Devra Patton West.

What kind of **'world server'** tells her students that the more money they give to her **the closer to God they will be?** The answer is Devra Patton West.

**WARNING THIS WOMAN IS EXTREMELY DANGEROUS TO  
YOUR WEALTH AND YOUR HEALTH!**

**AVOID THIS SERPENT AT ALL COSTS!**

What kind of **vile, despicable individual** goes to the trouble of acquiring occult knowledge so that they can use it to commit serious financial crimes against their fellow human beings and use that same knowledge to maim, injure and murder those victims who go public? The answer is Devra Patton West.

What kind of **low life scum**, knowing at the very least that Devra West is guilty of using occult knowledge to commit acts theft, fraud and extortion and at the very worst that she may be a serial killer, decide to become her accomplices to recruit for her to lie for her? The answer is Geoffrey Reynolds CPA, Dr. Julio Williams MD and ex-husband, Jack West.

Geoffrey Reynolds CPA

Dr. Julio Williams MD

Jack West

It must be clear to everyone by now that Devra West is a fraud, a con artist whose knowledge of the occult enables her to commit murder which is then ruled by the authorities as death by 'natural causes.' This 'plausible deniability' has allowed her to get away with murder and other serious financial crimes for the past thirty years or so and along the way attracted low life scum like Geoffrey Reynolds CPA, Julio Williams MD and ex-husband and longtime accomplice, Jack West.

Criminal Mastermind, occult thief and suspected serial killer Devra Patton West controls senior cult members (from left to right) Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West as though they were marionettes without any choice but to do her bidding.

These three 'bottom feeders' not only market the suspected serial killer Devra West to the community within which she and the cult are embedded, but they lie and give false witness statements for her when details of her criminality leak outside the cult into the public such as was the case when the Whitefish Pilot and Bigfork Eagle newspapers published details of Devra west's assault on Dr. Cole MD.

A special mention for Geoffrey Reynolds CPA who, after being duped into loaning Devra West his life savings of \$300,000 (just after she was relieved of \$650,000 she told the IRS she did not have), Reynolds was on the hook and willing to do everything she asked no matter how immoral or how illegal. It is obvious from the following 5 points that Reynolds knew the truth about the assault:-

- (1). [The Law of Severity on the Path to Purification](#) sent out to all on April 17 2006, to all of Devra West's mailing list wherein she admitted the assault and admitted it was severe! Reynolds would have seen it!
- (2). The emails that [Rebecca West](#) sent in March of 2007, make it obvious that he, Geoffrey Reynolds CPA, was fully aware that Devra West had assaulted Dr. Cole MD.
- (3). A month later, Reynolds admits to the reporter from the [Bigfork Eagle](#) newspaper to money laundering \$470,000 of the funds extorted from Dr. Cole MD through Devra West's business. This after his predecessor resigned rather than be forced to 'manufacture' false invoices!
- (4). While being interviewed by the Bigfork Eagle newspaper Reynolds, in what he thought was an 'off the record' conversation announced that the whistle-blower would be dead within 12 months as a result of what Devra West was going to do to him and his family! Three weeks later Devra West made an unsuccessful attempt on the whistle-blower's life! How many attempts on other lives were successful?
- (5). Later in 2007 in an attempt to force Devra West's written admission that she had assaulted Dr. Cole MD from the whistle-blower's website bottom feeder Geoffrey Reynolds CPA writes to the service provider of the whistle-blower's website and [claims copyright on behalf of Devra West](#) of her missive '[The Law of Severity on the Path to Purification](#)' (West's admission of guilt). This leaves no doubt that Reynolds was a fully paid up member of the cult.

Below, are links to senior cult member Geoffrey Reynolds' public statements of denial and his attempts to vilify the press for publishing the truth about Devra West's assault on Dr. Cole MD. Reynolds is currently working for [McSwain & Co](#) based in Olympia WA who are either very forgiving or oblivious of the damage that might occur to their business when Reynolds is eventually and very publicly arrested!

And below are some statements made by Reynolds, Williams and Jack West on behalf of their suspected serial killer Occult Master in an attempt to overwhelm the truth with their lies.

Geoffrey Reynolds CPA

*"I have worked for Rishi Devra for the past 6 years; I am honored that she allows me to help her!" And, "Rishi Devra has been guiding my life for many years." End quote.*

**Geoffrey Reynolds CPA - 2014**

*The above quote from a Social Media posting designed to attract victims from his old home town of Cave Creek AZ, where he practiced as a CPA, before moving to Montana to join Devra West's cult in 2006 where he covered up the cult leader's crimes and money laundered \$470,000 extorted from Dr. Cole MD in 2006.*

Dr. Julio Williams MD

*"There are simply no words to express the profound nature of sitting with a Spiritual Master of Rishi's caliber of presence. One can imagine having a private retreat or intensive with a 'virtual wellspring of divinity' but to actually experience it leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."*

**Julio Williams MD - 2016 cardiologist and thoracic surgeon, avid seeker**

*The above gushing testimonial currently appearing on the Occult Thief's website.*

Jack West

*"To all who value the truth. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrong doing and as ethically virtuous as any human being can be." End quote.*

**Jack West - Senior Cult Member and ex-husband of Devra West's.**

*The above statement from 'liar for hire' Jack West shortly before his ex-wife and partner in crime Devra West (who is not a doctor of anything) was convicted of assaulting Dr. Cole, was the subject of two arrest warrants (one for criminal check fraud and one for felony theft) and the subject of a Sheriff's Sale to force her to pay her creditors \$2,000,000 in court fines and interest!*

**THE DIVINE EMBRACE**

*The Royal Path with Rishi Devra*

**The following examples, in reverse chronological order, occurred during Devra Patton West's incarnation as the Ascended Master 'Surya Ma' in Lakeside Montana between 2005 and 2011.**

1. Arrest Warrant for [Felony Theft](#) December 16 2009.
2. Judgement against Devra West (and son Chris Haywood) [for fraud](#); both had ignored the court proceedings brought against them by 'Top to Bottom Construction.'
3. Arrest Warrant for [Criminal Check](#) Fraud April 16 2008.
4. Conviction for Assault April 2008; Newspaper article [announcing conviction](#), Devra West's [written admission](#) of April 17 2006 that she had assaulted Dr. Cole MD, West's denial and subsequent [clarification by newspaper](#) that West was guilty.
5. [Judgment](#) handed to the whistleblower in October 2008 by a Montana court finding that Devra Patton West had defrauded him; newspaper article in [Ravalli Republic](#) announcing judgment.
6. On 20 May 2008, Devra West became the subject of a [Sheriff's Sale](#) to force her to pay \$2,000,000 in court fines and interest to her creditors arising from her earlier [world service](#) efforts as the Ascended Master Devra Ji between 1995 and 2004.
7. In 2007, Devra West's criminal activities became the subject of two newspaper articles published in the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers. While these two articles are informative, they do not truly show the scope of West's criminality, most of which is hidden inside the cult.
8. The fraudulent depiction of a multi-million dollar lakeside property on her website and in her brochures as belonging to her; this property described as 'Surya Ma's Abode' in reality, belonged to Robert & Tabby Ivy, who over a two year period repeatedly asked Devra West not to use images of their property. See July 12 2007 [Whitefish Pilot](#) news article for details.
9. Also on July 12 2007, Devra West appeared in court as a witness for her son in his attempt to get custody of his infant daughter from his estranged wife. During her appearance in court, Devra West described her businesses as [multi-billion dollar enterprises](#) even though at the time, she had a lien against her for [unpaid employment insurance](#) and was in the process of being evicted from two rental properties in quick succession.
10. While in court, she was asked by counsel about the many ex-employees that had posted statements on the whistle-blower's website, alleging that they were mentally and physically abused by her. The Master Liar's response was to say that many of those mentioned on the whistle-blower's site were [fictitious or fabricated](#). Below is a graphic which shows how her 'business model' works; the photograph contains most of the employees (and some students) that Devra West says do not exist!
11. Devra West, with the aid of senior cult member [Geoffrey Reynolds CPA](#), had fraudulently applied for \$30,000,000 in CPEA grant money; when the grants were denied Devra West, owing millions in court fines, decided to 'harvest' one of the wealthier members of her cult – Dr. Pat Cole MD.

12. Devra West is a vicious and violent criminal who uses her occult knowledge to terrorize both victims and witnesses into silence. Here is a short excerpt from a harrowing email [entitled 'Help Me'](#) that Rebecca West (no relation to Devra West) sent to the whistleblower in March of 2007 – Rebecca being a friend of Dr. Cole's and a witness to Devra West's brutality towards her.

***"I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. I need support in how to deal with her shamanic witchcraft. Can you tell me more?"***

Clearly, the con artist Devra West could not allow news of her brutality towards members of the herd trapped inside her cult to escape into the public domain it might interfere with her multi-million dollar a year ~~fraud-seam~~ ['world service'](#) efforts!

Also in 2007, the whistleblower was contacted via his website by Michelle Fetveit a Lakeside MT neighbor of Devra West's after she got into a 'water dispute' with Devra West. As with Rebecca West (and countless other victims) Michelle reported being the subject of 'occult' attacks and was also woken up at 3.00 am each morning. The whistleblower has never met either of these women and yet they both report being subject to the exact same phenomena – the common denominator being Devra West. Follow [this link](#) to hear what Michelle Fetveit had to say.

13. Around this time Devra West, already a Master in what she calls the malleable fluidity of reality (lies, deceit and propaganda) announced that she was single handedly [holding open the gates of time!](#) This in addition to an earlier statement to her students insisting that her two doctorates were [presented to her by the Christ](#) in person.

14. On or around the 14 April 2006, Devra Patton West viciously assaulted Dr. Pat Cole MD who was both a 'student' and business partner of Devra West's. The assault was part of a well-orchestrated campaign of violence aimed at extorting \$1.3 million from Dr. Cole, which Devra West succeeded in doing. This story, along with many other crimes being carried out by Devra West at the time, is covered by two news articles that were published by the [Whitefish Pilot](#) & [Bigfork Eagle](#) on July 12 2007 and August 9 2007 respectively; see point (7) above.

15. Following the assault, which shocked many of the witnesses present, Devra West issued a written statement to her entire mailing list seeking to justify the assault by saying that the victim was a Nazi in the WWII death camps in another lifetime and that though the assault was severe, it was at all times administered with grace. Here is a link to the missive she sent out after the assault it is entitled ['The Law of Severity on the Path to Purification'](#) evidence enough that Devra West is a dangerous psychopath. Devra West would later deny that she had assaulted Dr. Cole MD, fail to turn up for court hearings and was found guilty by the courts in April 2008.

**The following examples, in reverse chronological order, occurred during Devra Patton West's incarnation as the Ascended Master 'Devra Ji' in Victor Montana between 1995 and 2005.**

16. In 2005, after her Victor MT charity was struck off, desperate for funds and owing \$2,000,000 in court fines and interest to creditors Devra West, still posing as the Ascended Master Devra Ji, [wrote to her mailing list](#) in an attempt to bully the individual rank and

file cult members into giving up to 66% of their net worth to her. Within that missive she made the following statement:-

**“It will be your privilege to seed my financial transition.”**

17. In 2005, some eighteen months after issuing legal proceedings against Devra West for fraud, the whistleblower became the subject of a campaign of defamation, character assassination and dirty tricks at the hands of Devra West and her cult. This took the form of a [defamatory statement](#) posted on Devra West’s website by three of her cult members amongst them Dr. Julio Williams MD. He also received a [threatening email](#) from Julio Williams MD, stating that he was personally going to fund Surya Ma’s legal expenses to the tune of \$2,000,000 and that the whistleblower should not “fu\*k with him or else.”

The whistleblower was also advised by a friend still in the cult, that Devra West had ordered her employees to ‘manufacture’ false statements about the whistleblower or be fired for refusing! [This link](#) leads to an email from a member of the cult, who later retracted her false statement.

18. Ingrid Bayer, a teacher at Devra West’s unaccredited school, wrote to the whistleblower stating that her 6 year old son had been abused by Devra West; here is a short excerpt from Ingrid’s statement which can be read in full by following [this link](#). ***“I am a firsthand witness to the physical and emotional abuse from Devra as I experienced it myself, as well as witnessing the abuse of my 6 year old son by Devra.”***

Perhaps Ingrid’s 6 year old son represented a threat to the beast’s [‘world service’](#) efforts?

19. Lisa Swidler, student and confidant to Devra West, died suddenly and mysteriously of ‘natural causes’ after witnessing two serious crimes that were committed by Devra West against two other students to West’s unaccredited school. Lisa broke away from the cult and died shortly after, leaving behind two small children under age ten. The whistle-blower believes she was murdered by Devra West to keep her quiet.

20. Sometime in 2005, Devra Patton West without a business container to run her fraud scam from and heavily in debt, allegedly kidnapped student [Marion Cantwell](#), held her captive, beat her and only released her after Marion agreed to ‘donate’ tens of thousands of dollars from the sale of her home to Devra West. I suspect this money was not for [‘world service.’](#)

21. [Dave Kushner](#), a student of Devra West’s, was defrauded out of \$30,000 by Devra West this money supposed to be a two week bridging loan. Dave Kushner never got a penny back and Devra West refused to ever speak to him about it. Rather than become a murder victim Dave Kushner decided not to go to the police or to court for restitution even though he had a signed agreement from Devra West in respect of the loan! As Devra West made clear to the whistle-blower in 2003 [her agreements are worth nothing!](#)

22. In 2004, student Mike Hendrickson was defrauded out of \$200,000, as after signing a note at the bank to guarantee the charity’s overdraft of \$200,000, Devra West emptied the bank account and put the \$200,000 in a personal trust fund for herself and her eldest son, Rob Meador. Mike is mentioned in the [Whitefish Pilot](#) news article; he too chose to walk away rather than become a potential murder victim.

23. At around this time, the whistleblower received [an email from Judy Morris](#), an ex-student / cult member, that was part of Devra West’s European group of students informing

him that many of the European students had taken out loans and mortgages to give money to Devra West. They were told, and I quote, "The more they gave the more God would love them."

24. Around this time, according to another student, Elaine, who wrote to the whistleblower in 2009 about a conversation in 2004, Devra West bragged about her ability to attract wealth – no mention of 'world service' here is an excerpt from Elaine's email.

***While Devra is obviously a pathological liar, she unwittingly reveals herself quite frequently because she can't keep her own mouth shut and so loves to brag. This was more than five years ago -- in the course of bragging about her ability to attract wealth, she explicitly stated she doesn't have any bank accounts because she didn't need them in order to be wealthy. She then pointed out that at that very moment she was wearing \$250,000 worth of emeralds. And she implied she had a lot more than what she was wearing. She's so sure she's smarter than everyone else, I doubt the jewels are very far away and I strongly suspect she has at least a million in jewellery.***

Maybe the jewelry, precious metals and the millions in artwork and valuables stolen from the Montana charity will be combined to fund her 'world service' efforts?

25. In 2004, having had her charity, The Circle of Divine Unity, struck off for fraud in November 2003, Devra West perpetrated a massive fraud on that charity which resulted in her stealing a property from the charity paid for by public donation worth \$1,250,000 (2003 valuation) which she put into a personal trust fund for her and her son Rob Meador. Former board member of that charity [AJ White](#) describes the theft of \$80,000 from that charity by Devra West and the conversation she had with Devra West about the charity's finances during which Devra West stated that all the money belonged to her!

26. At the same time, Devra West stole \$4,000,000 (2002 valuation) of artwork and valuables and hid them in a lock-up until the statute of limitations on theft passed, at which time in 2014, these items appeared at auction in Cave Creek AZ and as for sale from her website. In a statement given under oath (she is a compulsive liar) while being [deposed in October 2009](#) Devra West stated that the art work and valuables on a list shown to her by the lawyer did not exist, were not hers and if they did exist were stolen. These are the very items that were being auctioned by her in 2014 or as for sale from her website; many of these stolen items they are still being advertised for sale as the 'Rishi Collection' from her website under the ['art gallery'](#) tab. Who says organized crime does not pay.

27. On November 23, 2003, Devra West's charity 'The Circle of Divine Unity' was struck off the Montana charity register after rampant fraud was discovered by Devra and Jack West who were found to be using public money given as donations for certain projects being used to fund their lifestyle costs including the purchase of jewelry by Devra West.

28. In March of 2003, Devra West asked for and was given an opportunity to meet with the whistleblower in private at his property in Victor MT. Notionally the meeting was to see if they could settle their differences without going to law; fearing some kind of trick or stunt by Devra West the whistleblower made an audio recording of their encounter which turned out to be nothing more than Devra West threatening him if he went to law. Here are some of the highlights; follow the links to learn exactly what kind of 'world server' Devra West really is!

**You are f\*cking over a spiritual teacher.**

**I'll get so f\*cking down and dirty, huge expenses coming out of your pocket not mine!**

**My agreements mean nothing.**

**I dispose of people like Kleenex.**

29. In 2002, while attending a function held in Montreal by Devra West, student **Beatrice McGuire** was viciously assaulted by Devra West to the extent that she needed plastic surgery to repair a torn ear. The reason for the attack was that Beatrice challenged some of the obvious lies being spouted by Devra West. Although the attack took place in front of scores of witnesses, Devra West later stated that her recollection of the incident was different to that of the victim's. None the less, Devra West had her charity pay the medical costs of repairing Beatrice's ear.

30. In 2000, employee **Susannah Felder** was viciously attacked by Devra West with the result that Susannah was partially scalped by Devra West. Apparently Susannah had challenged Devra West about an \$80,000 donation that Devra West had stolen from the charity to pay for her son's legal fees. Ex-board member, AJ White's statement deals with this, the theft of the \$80,000 and the assertion that all of the money raised publicly was for Devra West's personal use and not for the stated intentions given when the funds were raised.
