Dear Rebecca,

I just had a long chat with J (Jeanie) Landis at Flathead police. Explained that John M Young very concerned about you because of the psychic attacks. Explained the nature of the attacks she did not seem phased at all. Did say she needed physical evidence to file for assault OR evidence of clear intent to cause physical harm.

Now you may be able to get her on the latter. If you me and Pat Cole all sing the same song about the psychic attacks then we could bring a case that she, the cult lady, was definately using that 'energy' to intimidate and cause harm?

I gave her your phone number and suggested she call you. Hopefully you will share what you are going thru and Pat Cole the same!

John says you have 'cult members' calling on you to try and intimidate you. Jeanie says that is in violation and you could make a case about that.

I hope you have some fight left in you to take the battle to the cult lady's door!

Blessings, John W
