To The Editor,

As Dr. West's financial manger, I am appalled at your front page "smut story" that frames Devra as suspect of a host of misdeeds that border on sheer lunacy, pumped with statements that are conjured, false, inaccurate, out-dated, and out of context. In fact, nothing of the sort of what you presented is taking place other than routine financial and real estate matters.

You were duly informed that Dr. West's projects were put on hold mid-swing due to her father's 2 year battle with cancer and subsequent death and only now has the family trust been sorted out to allow her to go forward with her original plans. You were informed that Dr. West's proposed real estate transactions would be completed by the end of July-early August, if not sooner. You were also informed that our proposal prospectus was not distributed to the public, and was used strictly as in-house information for Dr. West's immediate constituents.

You were also shown numerous documents that disprove the farfetched and physically impossible allegations on the part of the money grubbing desperados, to include people who don't want to pay their bills that your story sensationalizes. In every instance, a legitimate explanation has been provided that counters the mean-spirited, implausible, fictitious rantings of your source and his ludicrous website, an individual who is nothing more than a raving wacko whose claim to fame is running tabloid publications in London.

You did not print the truth or make any effort what so ever to do so. You printed attention getting tabloid trash, that Dr. West, "Surya Ma", an internationally renowned author and meditation teacher, has no intention of even dignifying. I can only assume that newspaper sales are slow in the summer time because every one is out boating and enjoying the great out doors.

Dear Friend and Fellow Community Member,

The enclosed materials are being sent for your review, as a proactive measure stemming from a recent disparaging article about Devra Patton West, "Surya Ma" in the Whitefish Pilot Newspaper. The author of the article who appears to be without morals, ethics or professional grooming as a journalist, wrote an article which reads like a cheap Hollywood tabloid paper. The garble ran the gamut from being comical and unintelligible, to being a cruel, uncalled for attack on an innocent community member who lives a quiet, normal life like everyone else. The reporter's information came from an obviously mentally imbalanced person who is obsessed with hatred toward women, targeting Dr. West with utterly fabricated smut on an obscene web-site, with no foundation what so ever in any sort of reality as we know it.

Dr. West's friends, family members and supporters are saddened and outraged by the intrusion on her privacy and the absolutely fictitious, far-fetched and unwarranted information that was printed. Devra did not supply the reporter with any commentary what so ever, even though the article printed absurdly off-colored, off-based "quotes" that were too ridiculous to even dignify. Dr. Julio Williams who provided a letter to the editor brings the whole thing into clarity who says "I hope that the Whitefish Pilot comes to realize that it has played party to what boils down to a modern day witch-hunt."

Anyone who actually knows Devra Surya Ma, has experienced her to be a kind, courteous, energetic and creative member of the community. We also feel that having just gone through the loss of her father after his two-year battle with cancer that she deserves to grieve in privacy as her father's estate is settled. We also are more than alarmed that the personal affairs of private citizens are fair game to novice local reporters who have not been trained to operate within the parameters of normal journalistic protocol, such as qualifying the credibility of their sources of information. No member of our community should be subject to this type of harassment.

If you feel likewise, we ask for your support in helping to counter this vicious and undeserved turn of events. The rebuttals that we have included are for your perusal, to give you an over view of the legitimacy of Devra's circumstances. Feel free to pass this packet on to your friends/neighbors and give us a call if you have any questions or would like to join in Devra's support.

With Much Sincerity,

Geoff Reynolds

Dear Rick,

I think it prudent to keep you updated on the illegitimate attempt to defame Dr. Devra West-Surya Ma. Regarding Rebecca West's unemployment claim, which you featured in sympathetic light; please be informed that she lost her second appeal. She lost because she lied like a rug to state officials. She received sick-leave pay from the generosity of Dr. West, while also collecting unemployment benefits for the same time period. Rebecca was also over-paid by our company \$1,557 due to a "clerical error?" Not a bad scam for putting thousands of undeserved dollars in her pocket. The articles that you wrote which Rebecca submitted to state agencies as her "evidence" didn't do her any good. At least someone can tell a fraudulent farce when they see one.

You have played a perpetrating role in a vicious scam on an innocent victim. John Watson, Pat Cole and the suddenly disgruntled employees who joined in on the gang-bang to cash-in on Dr. West's "alleged" inheritance, will each and every one be brought to justice. Like Rebecca, Pat Cole will be proven to be a liar and a scam artist. The platform that you gave these people is flat-out unethical, especially the insinuation that their meetings with the IRS had any legitimate basis, other than the tax issues that fall squarely in Pat Cole's camp and no one else's. Stand corrected that you named the nonprofits that Pat Cole ran into the ground as businesses belonging to Dr. West, which makes your degrading account of the status of Dr. West's businesses grossly incorrect.

Bottom line, you framed your "sources" as credible when in fact they were not. After refusing to acknowledge the real issues at hand, you orchestrated nothing less than aiding an extortion scam, in addition to printing religious prejudice in ridiculing Dr. West as a "self-described guru, who talks to dead masters," which according to you automatically makes her degenerate and suspect. Gee, how many Christians talk/pray to Jesus who has been dead for 2007 years? How many Moslems talk/pray to Mohammed? How many Buddhists talk/pray to Buddha? How many indigenous tribes talk/pray to their ancestors? Would you be so bold as to disparage their religious practices? Or do you reserve that treatment solely for Dr. West, who happens to be an internationally respected meditation teacher, when over 140 million people in the U.S meditate.

Religious persecution is against the law. Extortion is against the law. Lying to government officials is against the law. I am wondering at what point you will set the record straight and offer Dr. West the huge apology that she deserves? As each of the scam artists are brought to justice, will your retractions and apologies also rate front-page coverage? Am I angry? Given Dr. West's ability to bring her much applauded wisdom, as well as considerable economic benefit to the community through her projects in health and healing, what can I say? What is wrong is just plain wrong.

Very Respectfully,
Geoff Reynolds

Surya Devi

July 17, 2007

To the Editor of the Whitefish Pilot,

As a physician and BOD member of the non-profit mentioned in your disparaging article about Devra West, I feel I owe a tremendous apology to Dr. Devra Patton West "Surya Ma." Having gifted the non-profit with millions of dollars, Devra resigned over five years ago due to the ineptitude with which the organization was run during that time. Unfortunately, there were those such as Mr. Watson who saw her as a cash-cow and perversely sought to take advantage of her enormous generosity. When she resigned, he launched a vendetta campaign as a means of illegally extorting financial gain. To her credit and admirable wisdom, Dr. West, has never once replied to over five years of Watson's stalker-like, obsessive hate e-mails, (sometimes several a day) or his obviously psychotic web-site.

Dr. Pat Cole whom I have known for six years, served as president of the non-profit board and is someone who has broken every moral, ethical, financial, and legal rule of protocol that can be counted. Her financial misappropriations and out-right fraud perpetrated on Dr. West is extensive to say the least. She sang Dr. West's praises for over six years until her past misdeeds as a medical professional came to light and Dr. West deemed her ineligible for one of her training programs. This is combined with Cole's failure to pay for the hefty bills she racked up. In view of the financial debauchery she has created, her claim of a gun wielding assault is preposterous and grossly out of character for Dr. West, who is a tiny woman barely over five feet tall.

It is no fault of Dr. West's that imbalanced people managed to attend her seminars (a rarity rather than the norm) however the vast majority are decent, respectable people and reputable professionals. I will also say that never have I witnessed so noble and intelligent a human being as Dr. West, whose philanthropic character is applauded by international circles for her renowned work of interfaith dialog in global regions of conflict. In my opinion, serious and responsible journalism would include coverage of her international work and service projects and her legacy as a pioneer in the healing arts. She truly is a remarkable soul who will bring much light, as well as economic benefit to the Flathead Valley community, as a business owner of health related enterprises and launches a promotional campaign that highlights the area as a Mecca for health and healing. I hope that the Whitefish Pilot comes to realize that it has played party to what boils down to a modern day witch-hunt.

In addition to funding the non-profit's ability to repay its debts to Dr. West, I will also be instrumental in funding and sponsoring her projects in the health arena on Flathead Lake, as will a number of my medical colleagues and I can not think of a better use of my capital investments. On this note, I am very eager to move forward with our projects, which will in time provide over two to three hundred jobs over the next several years for community residents.

Sincerely,

Julio Williams, MD

Statement for Dr. Devra West, Surya Ma

To All Who Value the Truth,

My name is Jack West and as a previous board member of the non-profit Divine Unity and Sacred Arts Institute, I offer my statements to refute the despicable and unfounded accusations that John Watson has made about Dr. Devra West-Surya Ma. Even though I am her ex-husband, I am stepping forward because I am outraged that he has orchestrated an implausible raft of tabloid-style allegations, based solely on his own malicious scripting of trumped-up gossip and calculated deception. There is nothing in his account of Dr. West's circumstances that bears any resemblance to the truth of her situation. She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be. I encourage you to visit our rebuttal site www.surya-source.com/rebuttal.

The Truth of Watson's Malevolence

Watson's entire psychotic slander campaign smacks of a modern day, Salem Witch Hunt that has been deliberately plastered all over the Internet. He understands extremely well the power of a calculating, character assassination, combined with small town prejudice and well-crafted, malicious gossip. For years now, he has lied to state and federal authorities. He has also lied to Dr. West-Surya Ma's entire constituency of students, supporters and allied organizations. Despite his scheme to line-up his entirely fabricated "sources," whose accounts he has personally orchestrated and even authored, he will fail in his demented charade. He can readily incite a vigilante attack amongst those who have been grossly prejudiced by his twisted manipulation of reality by calling her a "cult leader", but he cannot change the truth of his underlying agenda. Extortion is extortion. I assure you, that he is nobody's savior or champion. **He's in it for the money and his sick need for self-aggrandizement. The consensus stands that he is a money-mongering cad and egomaniac. His accusations of Dr. West are solely projections of his own reflection, himself.**

Mr. Watson, a former consultant to the non-profit that sponsored Dr. West's work, attempted to quickly position himself in control of the organization, her assets and her capacity of talent and genius. From the moment he saw her prolific potential for large financial support, he set his course to execute what was literally a hostile take-over. Hired solely as a consultant and nothing more, his arrogance drove his immediate scheme to assign himself a virtual swath of unauthorized privileges, entitlements, as well as unauthorized job positions and titles, entirely outside of normal procedure and absolutely outside of Dr. West's knowledge and legal authority. He scammed everyone present, until the criminality of his agenda was found out. He has also since falsely assigned his cohorts titles and positions that never existed and were never held, to make his character assassination sound credible.

Because Dr. West was out of the country for the majority of his six-month consultancy, he was able to get away with it. We regret failing to immediately expose and expel him, at the first signs of unethical, abuse of professional boundaries. There are many among Dr. West's supporters, including myself, who now deeply regret that she has taken the full brunt of our neglect to recognize his debauchery far sooner and have him arrested. Many of her long term supporters distanced themselves, due to the gossip and slander that Watson perpetrated at first behind the scenes and later in a full scale rape and plunder of her reputation. He first plants the seeds of mistrust via gossip and suspicion

reputation. He first plants the seeds of mistrust via gossip and suspicion and then fans them into the bonfire of full-scale accusations, as if his self-authored fabrications are true. If anyone is the victim of this situation, it is Dr. West. Anyone who thinks otherwise has been grossly misled and used as a pawn in his game.

The Truth of the Financial Accusations

It is Dr. West, who worked seven days a week for a pittance of a salary that was often not paid at all, solely to uplift and improve the lives of others. I will add that her meager salary and alleged "lavish life style" that Watson claims was ill-gained, came directly from her own personally generated finances and enormous generosity to the Divine Unity/Sacred Arts Institute organization in the first place. What Watson refers to as "the charity," is in fact an organization that was founded solely to advance and further her work. It was run primarily on her own money.

I was involved from the very beginning of the non-profit, when her work was first recognized internationally as being of major significance. Far from living high on the hog on the charity as Watson has claimed, her personal belongings outfitted the entire Montana retreat center from top to bottom. She gave over 80% of her self-earned livelihood from her teaching activities to the non-profit and its projects for over ten years. She was the driving force, financial backbone and sole viability of the non-profit, despite the organizations professed mission statement to finance and administrate her work. The non-profit was founded solely to advance her work. That was our sole mission statement. We were her sponsor and it was our job not hers to run the non-profit. We were not the owner of her intellectual material, nor can we take credit for the profound nature of her seminars and retreats. If anything, we did not even begin to do justice to the success and significance of her work.

Watson fails to mention that the cost of running the programs, many of which were student projects, was far more than the donations that were received. His claim that Dr. West pocketed donations earmarked for projects is a pathetic lie. The exact opposite is true. She personally took up the slack over and over again when donations were far less than project costs. Proceeds from her teaching seminars should not have been expected to cover the costs of other projects. Conversely, her teaching monies should have been earmarked by the non-profit solely for her teaching activities.

Instead of providing the active financial and administrative support that she deserved, the non-profit ended up sucking her dry and mismanaging her hard earned money, as well as its operations from A-Z. More than anyone, I regret that the high demand and rapid growth of her work, quickly outmatched our business expertise. ***She gave the organization many millions of dollars via proceeds from her teaching activities and resigned in January 2003 with a large debt being owed to her in unpaid wages and loans. She resigned absolutely empty-handed.***

The Truth of the Montana Retreat Center

Dr. West did not "steal the retreat center from the charity" as Watson so rapidly proclaims. The non-profit BOD transferred the ownership of the retreat center to her by unanimous vote, of its own free-will volition, in part to repay our enormous debts to her and in part because we were in default on our mortgage after she resigned, because we had never bothered to generate any income in order to finance and maintain the property. I assure you, she did not want or ask for the transfer. Due to our stupidity and ineptitude, the non-profit ran the property into ill-repair and substantial debt, defaulted on mortgage and loan payments after she departed, failed to pay property taxes, and neglected to maintain the land and buildings. She had already moved to her new location and had no intention of ever living at the retreat center in the future. Due to her largeness of dedication, she stepped in and was willing to shoulder the property at her own expense as a last resort. She did this altruistically, because of her desire to see the retreat center returned to its original condition and mission statement. I might also add that the center was originally purchased solely for her work and her seminars in any case.

I know for a fact that she did all that she could to steer all of us in the right direction to no avail. She advised for years that it was essential that the non-profit become financially sovereign and income producing through related enterprise. However, no one amongst us engaged adequate fiscal responsibility, including myself. She was never expected to be involved in daily operations. She was a meditation teacher, not a financial manager. I am not proud of the fact that we as individuals and as a group were simply not willing to take responsibility for creating a workable framework that made her relationship with the non-profit legitimate, balanced or beneficial to her expressed and assigned purpose. Despite our pathetic failures and short-sightedness, she since has set an example of grace and dignity through out this degrading circus act orchestrated by Watson, which he has hypocritically posed as a legitimate dispute.

The Truth of Watson's Greed Driven Scam

Although the non-profit hired Watson as a consultant, he never operated in the ethical capacity of a consultant. He took advantage of our trust, quickly becoming greed-minded and opportunistic after witnessing Dr. West's prolific success and financial capacity. He cunningly seeded dark-minded gossip far and wide to create a faction amongst us and to due our dismal lack of responsibility to our own mission statement, many fell prey to his scam. The gossip is now so over-the-top that it depicts her life as a low-life circus act, rather than the profound life and teachings of a Master Teacher, which is the prevailing and indisputable fact, where anyone to actually be a witness to the TRUTH.

He can trot out all the gossiping, hearsay, bull "sources and attackers " he wants. All of his proposals including those relating to the Millennia Mind project were flat-out declined, all of which assigned himself great wealth entitlement for investing not a cent. Not only did Dr. West decline his shady scheme, so did all of the benefactors who considered the proposal. She told me that she had no intention of signing the literally wacko documents he had drawn up, the night she reviewed them. ***He brought absolutely nothing to the table in the way of relevant expertise or seed capital. We suspected that his mental instability went far beyond his obvious obsession with self-aggrandizement within a few months.***

Now, he has made a full time job of making threats, fabricating slander and demanding money each step of the way, along with his cohorts for whom joining his attack campaign offers an easy monetary windfall. He has consistently falsified testimony to legal authorities and newspapers, by crafting a calculated attack that bears no resemblance to Dr. West's circumstances. With each attack, he sends profane e-mails demanding to be paid off. This is an extortion scam plain and simple. He has threatened Dr. West's life and threatened any one who gets in his way, from family members to employees, to personal and professional constituents. He boasts that he has the right to take justice into his own hands and met out punishment as he sees fit. His website is now his legendary legacy to manic, delusional ranting and is nothing more than his platform as an internet-stocker. He obsession with Dr. West is demented and malevolent. ***Anyone who takes the time to look beyond the headlines of his tabloid-style website pages, can see how implausible and far-fetched it is.***

Mr. Watson's greed-based mentality was the antithesis of Dr. West's altruistic focus. ***Watson saw Dr. West's genius, as only a cash cow waiting to be milked.*** Fortunately for all concerned, she immediately said a polite, "no-thank you," removing herself from all contact with him, with remarkable lady-like dignity.

Cult Accusations- No cult exists:

The statements that Mr. Watson offers here are so far fetched; I hardly know where to begin. He screams "cult leader" with glee, full well knowing the power of attention-getting, sensationalist branding. I assure you, that after one of Dr. West's conferences was over, everyone departed and took their flight back home. If a seminar or workshop ended at 5:00 PM, attendees are expected to vacate the property by 5:30 PM. There has never been any cult, absolutely no cult members or cult compound. Dr. West would never tolerate anything like that. No one

would have ever attended our programs, if it had any resemblance to being a cult. ***From the start of his sordid extortion scheme, he threatened that he would use the "cult branding" tactic to get a pay off. The cult story has no basis what so ever, moreover Watson knows he is lying.***

Assault Accusations- The Remarkable TRUTH:

Dr. West has maintained incredible focus in order to continue to move the profound significance of her life's work forward, despite the distraction of having to answer the barrage of bogus charges that have been hurled at her by Mr. Watson's vigilante, "cult-bashing" brigade. He has fraudulently framed her up time and time again. ***Dr. West has never pleaded guilty nor has she been found guilty of assault. The claim was part of the scam and it was dismissed by authorities, period.*** The absurd claims trotted-out by Dr. Pat Cole is a perfect example of one of Watson's orchestrated entrapments. We all know that Pat was trying to cover-up her host of criminal malpractice misdeeds and the hefty debts she had racked up, not to mention outright theft and misappropriations of large sums of money. Pat has made a very big mistake, by over-lording her medical license to discredit Dr. West, or that she could continue to hide her more than tarnished MD title. Even the county officials, who carefully reviewed the case, saw enough holes in her implausible story to dismiss it. Pat Cole has allot to answer for, as do the others who have sought to cover up their sordid vices. That anyone would join in on the gang-bang by giving credibility to the immoral and criminal conduct of Pat Cole is unconscionable.

The Truth will Prevail this Test of Discernment

Meanwhile, many people have increased their respect and admiration for Dr. West-Surya Ma, as a result of her resolve and strength in the face of this attack. I count myself, her ex-husband among those whose respect has only increased. ***Her light cannot be touched and her goodness will not be lessened by Watson's venomous promotion of hatred, prejudice and persecution.***

Dr. Devra West-Surya Ma has suffered enough! Yes, I'm angry. I'm angry that her many years of sacrifice is being rewarded by betrayal and ridicule. I'm angry at the waste of time, money and energy that has been expended on this farce. I am shocked at anyone who believes the sick, web of deception that Watson and Cole have perpetrated. What employer, project, enterprise or organization can function under these circumstances? Only someone of Dr. West's caliber could carry on in the midst of this outrage and still stay focused on her "service to others" above all else. She is an example to us all. This is why she will endure.

Hired solely as a consultant and nothing more, his arrogance drove his immediate scheme to assign himself a virtual swath of unauthorized privileges, entitlements, as well as unauthorized job positions and titles, entirely outside of normal procedure and absolutely outside of Dr. West's knowledge and legal authority. His claim that Dr. West pocketed donations earmarked for projects is a pathetic lie. The exact opposite is true. Dr. West is highly regarded internationally for her work in interfaith philosophies and the alternative healing field. Devra is also much appreciated for her philanthropy as a humanitarian and conservationist and her generous giving record to local charities was provided during the "off the record meeting," although your article went to great lengths to make no mention of anything normal or legitimate.

The lawsuits that you refer to in your attention getting headlines are resultant from a non-profit that once sponsored her work, which were dumped in Devra's lap only because she is a person of substantial means and profile. Devra resigned from the BOD of the non-profit over 5 yrs ago. You also fail to mention the legitimate nature of the other disputes, which deal with routine building contracts, non-disclosure issues and financial negotiations on the part of owners and contractors for real estate Dr. West is in the process of purchasing.

As Dr. West's financial manger, I am appalled at your front page "smut story" that frames Devra as suspect of a host of misdeeds that border on sheer lunacy, pumped with statements that are conjured, false, inaccurate, out-dated, and out of context. In fact, nothing of the sort of what you presented is taking place other than routine financial and real estate matters.

You were duly informed that Dr. West's projects were put on hold mid-swing due to her father's 2 year battle with cancer and subsequent death and only now has the family trust been sorted out to allow her to go forward with her original plans. You were informed that Dr. West's proposed real estate transactions would be completed by the end of July-early August, if not sooner. You were also informed that our proposal prospectus was not distributed to the public, and was used strictly as in-house information for Dr. West's immediate constituents.

You were also shown numerous documents that disprove the farfetched and physically impossible allegations on the part of the money grubbing desperados, to include people who don't want to pay their bills that your story sensationalizes. In every instance, a legitimate explanation has been provided that counters the mean-spirited, implausible, fictitious rantings of your source and his ludicrous website, an individual who is nothing more than a raving wacko whose claim to fame is running tabloid publications in London.

You did not print the truth or make any effort what so ever to do so. You printed attention getting tabloid trash, that Dr. West, "Surya Ma", an internationally renowned author and meditation teacher, has no intention of even dignifying.

To her credit and admirable wisdom, Dr. West, has never once replied to over five years of Watson's stalker-like, obsessive hate e-mails, (sometimes several a day) or his obviously psychotic web-site.

...

Her financial misappropriations and out-right fraud perpetrated on Dr. West is extensive to say the least. She sang Dr. West's praises for over six years until her past misdeeds as a medical professional came to light and Dr. West deemed her ineligible for one of her training programs. This is combined with Cole's failure to pay for the hefty bills she racked up. In view of the financial debauchery she has created, her claim of a gun wielding assault is preposterous and grossly out of character for Dr. West, who is a tiny woman barely over five feet tall.

It is no fault of Dr. West's that imbalanced people managed to attend her seminars (a rarity rather than the norm) however the vast majority are decent, respectable people and reputable professionals. I will also say that never have I witnessed so noble and intelligent a human being as Dr. West, whose philanthropic character is applauded by international circles for her renowned work of interfaith dialog in global regions of conflict. In my opinion, serious and responsible journalism would include coverage of her international work and service projects and her legacy as a pioneer in the healing arts. She truly is a remarkable soul who will bring much light, as well as economic benefit to the Flathead Valley community, as a business owner of health related enterprises and launches a promotional campaign that highlights the area as a Mecca for health and healing. I hope that the Whitefish Pilot comes to realize that it has played party to what boils down to a modern day witch-hunt.

In addition to funding the non-profit's ability to repay its debts to Dr. West, I will also be instrumental in funding and sponsoring her projects in the health arena on Flathead Lake, as will a number of my medical colleagues and I can not think of a better use of my capital investments.

Dr. West is the owner of the company that employed me.

...

Dr. West didn't find out about this until later because she had been out of state with her elderly father who had taken ill and passed away.

...

In October 2006, Dr. Cole came up with a wild story about Dr. West, claiming that Dr. West had assaulted her, abused her and so on.

...

I know this was a pile of bunk because Dr. West is tiny woman only 5'1", who was recovering from a broken leg and had spent the previous spring in a wheel chair and the summer-fall months on crutches and walkers. She also had a heart condition and is in very frail condition in general. She can't even carry her own groceries and requires help getting in and out of our office building. From my point of view and plain gut-instincts the whole story wasn't even physically possible. Also at no time did Pat Cole ever so much as even infer that she was unhappy with Dr. West. She always seemed very happy to see Dr. West

We also all knew that this was a ploy and total mind game on Dr. Cole's part to discredit Dr. West to get out of the fact that she owed Dr. West over \$750,000. It is also impossible that Dr. West abused Pat Cole at any time at the office because I was there five days a week and never saw or heard anything of the sort.

...

If anything, Dr. West was overly kind and patient with Dr. Cole as well as with the rest of us.

...

Also, we have an open concept office design and Dr. West's personal office is completely exposed to the rest of the room. There's just no way any sort of abuse or or even unpleasantly could have been going on without the rest of the staff seeing it.

...

I can attest that Dr. West has always been nice and respectful to me and to every one else and that nothing unusual has ever taken place of any sort since I came on board last May. I am very disappointed that Rebecca would pull such a stunt to someone as nice as Dr. West.

I am sorry I am even writing this, but I think it is a really low shot to go to such lengths to manipulate the already obvious. Its a dumb ploy and an even dumber story. Pat Cole did indeed have two accidents and injuries, but Dr. West had nothing to do with it.

Help stop internet stalking and preserve the internet integrity. If you have any information in support of Devra Surya Ma, [Send Us an Email.](#)

To the Editor,

I am writing to protest the Whitefish Pilot's recent article that slandered and ridiculed my employer Dr. Devra West and did a huge disservice to the entire community. As a long-term resident of the Flathead Valley, I remain utterly shocked at the absurd mish mash of off-based, prejudiced reporting that was allowed into print about one of the most generous and decent people I have ever had the good fortune of working with. Dr. West is as far from being a cult leader as I can imagine. Her client-readership list reads like the who's who of global influentials. I say this, having worked as the Technical Director for her company Surya Enterprise for over a year. She is a great boss, her office is a fantastic place to work, and her projects are positive and inspiring. She pays well above Montana wages and offers profit sharing to tenured members of her staff. As an employee, I couldn't ask for more.

As for your source of far-fetched info, I can only describe John Watson as a deranged internet stalker, who wants to line his pockets with extorted monies. The Pilot unwittingly fed into his scam. The non-profit who hired him, deeply regrets allowing Dr. West to be victimized by a nutcase like this character. I have also seen hundreds of letters from people who complain that they have been grossly misquoted to retro-fit the perversity of his website. I know for a fact that there are supposed "speakers" on his website are entirely fictitious, made up and are not real people at all.

Dr. West's only fault in all of this that I can see is having enough money to go after. She has said "NO" to his extortion tactics and she deserves 100% support from this community. His success at getting misguided people like Dr. Pat Cole to join in on his attack will be short lived. As the IT director, I have knowledge her fraudulent dipping into Dr. West's bank accounts, during a time period when Dr. West was tending to her invalid father during his fight with cancer. Cole's story is too ludicrous to dignify largely because Watson authored it, along with unmerited attacks from "suddenly disgruntled" ex-employees who Watson has promised a piece of the pie. I assure you that the crème will rise to the top on this one and that any future litigation will uphold that Dr. West has clearly been the only victim.

From where I sit, your article literally burned Dr. West at the stake for no good reason. Dr. West is owed an enormous apology. I say, leave the tabloid insanity of Hollywood in L.A. Everyone should take notice because if we as a community allow this outrage, then it can happen to you, your family and your business.

Dear Editor,

I was present when your reporter, spoke with Devra West, who for the record, does not claim to be a guru and certainly isn't a cult leader. Dr. West is highly regarded internationally for her work in interfaith philosophies and the alternative healing field. Devra is also much appreciated for her philanthropy as a humanitarian and conservationist and her generous giving record to local charities was provided during the "off the record meeting," although your article went to great lengths to make no mention of anything normal or legitimate.

The lawsuits that you refer to in your attention getting headlines are resultant from a non-profit that once sponsored her work, which were dumped in Devra's lap only because she is a person of substantial means and profile. Devra resigned from the BOD of the non-profit over 5 yrs ago. You also fail to mention the legitimate nature of the other disputes, which deal with routine building contracts, non-disclosure issues and financial negotiations on the part of owners and contractors for real estate Dr. West is in the process of purchasing.

As I told your reporter, I have had the privilege of working closely with Devra Surya Ma for over 15 yrs. It is interesting that nothing positive was printed, even though the positives of Devra's life are fairly stellar such as her humanitarian work in the Middle East, rather than the demented bunk of third hand allegations. Never, and I repeat never, have I witnessed any of the allegations that were featured in your article as having one shred of truth to them. But I have witnessed the absurd and illegitimate lengths to which delusional, greed-driven individuals will go when they think a financial windfall from Devra's family is at the end of their rainbow of corrupt claims and out right deception.

As for the source of much of the "fantastic story of the week," I can attest it is utter tabloid nonsense and I fully expect that the legal system will have no difficulty seeing financial extortion for what it is on the part of a truly warped individual. It is a shame that you did not choose to write about the positive aspects of Devra's projects but then again a story about a local business owner and successful author who sells mediation books and CD's on her website, and who plans to create an upscale day spa and health complex is not BIG NEWS.

Respectfully Submitted,

[From Surya Ma on John Watson](#)

In answer to a supporters questions about how to cleanse John Watson from their experience.

Dear One,

The Watson issue will cease when the test of discernment has been passed on the part of those who wish to uphold the teachings, as well as the vessel of the teacher from which the wisdom has continued to flow. This includes the willingness to stand and be counted as the force that upholds the sacred. I will point out that in all of Mr. Watson's profanity and defilement of decency, he has never disparaged or criticized my teachings. He has never attacked the teachings; he has only attacked me, the source and wellspring of the teachings.

He has been wise in this regard, because the teachings stand on their own. However, it also stands to reason that the clear light of the teaching could not possibly have been brought through a dirty vessel. Therefore, the illogic speaks for itself that a teaching that carries the pure ring of truth, as does the Universal Teachings of Wisdom, could also be representative of a teacher that has committed the vast array of crimes that he has assigned to me. His rationale that his attacks are justified is without merit. The thin vapor of the falsehood that he himself has created will never sustain itself, no matter how many lies he fabricates. His attacks are irrational at their core, thereby defining the very meaning of delusional. At every turn there is no logic to his rationale. His stories to defame the sacred do not hold true in part or in overall sum.

With a minimal of think-through on anyone's part, it is easy to see the tread of illogic that runs through his story line from beginning to end. It is a thread that is quite finite and therefore short lived, because it is based on unsound rationale. It is based on a version of reality wherein he is the sole author. No matter how hard he may try or how much cunning with which he connives, his negative story about me is solely his creation. Weaving a web of deception does not change this. The web is the product of a delusional mind. Those who get caught in his web are merely caught up in their own fears and mistrust and these things are born of ignorance. If his issue of a contractual dispute actually had merit, he would not need to resort to such sordid and obsessive methods, as engaging in a massive and now legendary slander campaign. This too is the product of an irrational mind. There is no wisdom in this, no purpose. The factors of his compilation do not add up. The equation does not prove true. The short clips do not equal the big picture that he presents. In short, a thousand untruths shouted in the village square, can never equal the whisper from the mountaintop of a single truth. The whisper will live forever because it is the voice the Eternal, whereas a lie is always finite, with a beginning and an end.

Once again, as you are willing to uphold the sacred, you become the force that serves the sacred and by so doing you attune to divine force in both its essence and its purpose. It is then that divine force gives itself to you and it becomes yours to wield. One does not graduate from this world until one has mastered it. Ah, what is real, what is not real? I advise you to master the tendency to push away and avoid... or grasp and pull. Both are actions of ego attachment. Only through neutrality can discernment be perfected. Our dear Mr. Watson is such an excellent test and perfect reflection of the shadow mind that perpetrates the timeless issues of mistrust and separation. When he has served his purpose, the Great Ocean of Being will take him back out to sea and swallow him, transmuting all darkness to light. Although his light has been cloaked and shadowed, the pristine nature of even the tiniest Divine Spark is nonetheless sacred unto the High Lords of Light and will be salvaged as the Divine's recognition of itself.

Love eases the way through the gateways of the tests of trust. Love yourself, love me, love the divine within all beings. If Mr. Watson only knew how much love and compassion I feel for him and how much Mother flows from my heart to his, he would surrender his pride. It is his pride that is running his obsession and prevents him from receiving. That is why I had no interest in his proposals years ago. There was no room for me to exist as I am in his agenda. His logic was just as flawed then, as it is now. He has never conceded or understood that I have a right to exist on my own terms and he cannot define me, not then and not now. The question at a much deeper level is the question of the freedom to exist. He has assigned himself as the judge and jury on whether or not I can exist. He seems to feel that I can only exist on his terms with his permission and stamp of approval. This is delusion. I do not seek or require his approval. I do not exist in the framework of his perceptions or delusions, nor am I trying to fit myself into a conventional context. I have fit myself for the work of spirit at the very highest levels. I exist as existence and I am free.

I recall quite vividly that Mr. Watson was never able to soul merge during our SAI mediation and teaching sessions. He envied those who were having "divine experiences." I was aware that he became more and more jealous, which in turn rallied his ego to proclaim himself as not needing anything from anyone, ever, no way, no how, thereby becoming an island unto himself...ultimate separation. His ego renounced my credibility as a result, rather than be willing to face his fear that perhaps he was unworthy. Remember that fear is illusion and emotions are not logical. However, from a child-like point of view, which is the unheard voice of the emotions, ..."MOTHER GAVE CAKE TO EVERYONE BUT ME." This can be very painful and more so when an emotional response gets stuffed into an adult's over blown ego. In truth, his "idea" of himself as being supreme to all others including me, has now developed into a delusional shadow of mental anguish and the hatred that may very well swallow him whole in this life time. But it remains my hope that he will eventually feel the depth of his aloneness and cry out... "Lord why have you forsaken me?" And then salvation can begin.

Meanwhile, Mr. Watson continues to spin like a ship in a whirlpool that has lost its rudder, caring not about the harm and pain he causes others. But the bottom line of his attacks screams like a child that has been left hungry on the side of the road "If I can't have Mother's cake, no one will... I will teach all to despise Mother's cake," thereby depriving everyone of its sweetness." Proclaim and profane though he may, the cake remains sweet and its inner honey delectable. The Universal Teachings of Wisdom cannot be profaned. Only the minds of mortals can be profaned. And so the teachings live on undisturbed by his delusions. And the longing of the earnest initiate for the Light of the Divine remains strong. The light will forever draw the seeker to the lighthouse. The day will come when the dark side of Mr. Watson's inner child will be brought out from under its hiding place. Then the transformation from ego to soul can begin. Sadly, Watson sees himself as the savior and delusional though this may be, he is dependant on it for his identity and to a large degree for his purpose for existence. It a very empty substitute for the real thing. And so my prayers for him continue.

Even so, one must learn to say "No" to the defilement of the sacred, as part of saying "Yes" to the sacred. Those who witness the attack of darkness upon the innocent must stand and be counted. All over the world people are saying No to the beast and are taking action to nurture the innocent babes whose light is as yet still tender. The more you care and love and commit your heart, the more your "Will factor" surges upward to seek the resolution of divine intervention. Through this holy demand, and the invocation for the protection of the sacred, so the light descends and envelops its own, its likeness and is thus sustained.

In Love's Sacred Grace,

Summary:

Devra Surya Ma's incredible generosity and purity of altruism is a noble example to us all. That there are those here in America that saw her only as a cash cow to be drained and manipulated at whim, is a sad testament to the poverty consciousness prevalent in the West and else where in the world. John Watson and Pat Cole have done a gross disservice to the reputation and higher purpose of all women healers and master teachers by disparaging, attacking and discrediting the Master Teacher Devra West - Surya Ma. Watson's perverse use of the Internet as a stage for his profanity of greed and self-aggrandizement are also a great abuse of power and will stand forever as an unconscionable disservice to humanity at large.

*To her credit, Surya Ma remains committed to the universal teachings and endeavors for enlightenment and in no way has been deterred from her service to humanity by the vices of misguided souls. Her compassion and dignity throughout this period of slander and extortion has been exemplary.
We remain grateful to her in all ways possible.*

Setting the Financial Record Straight

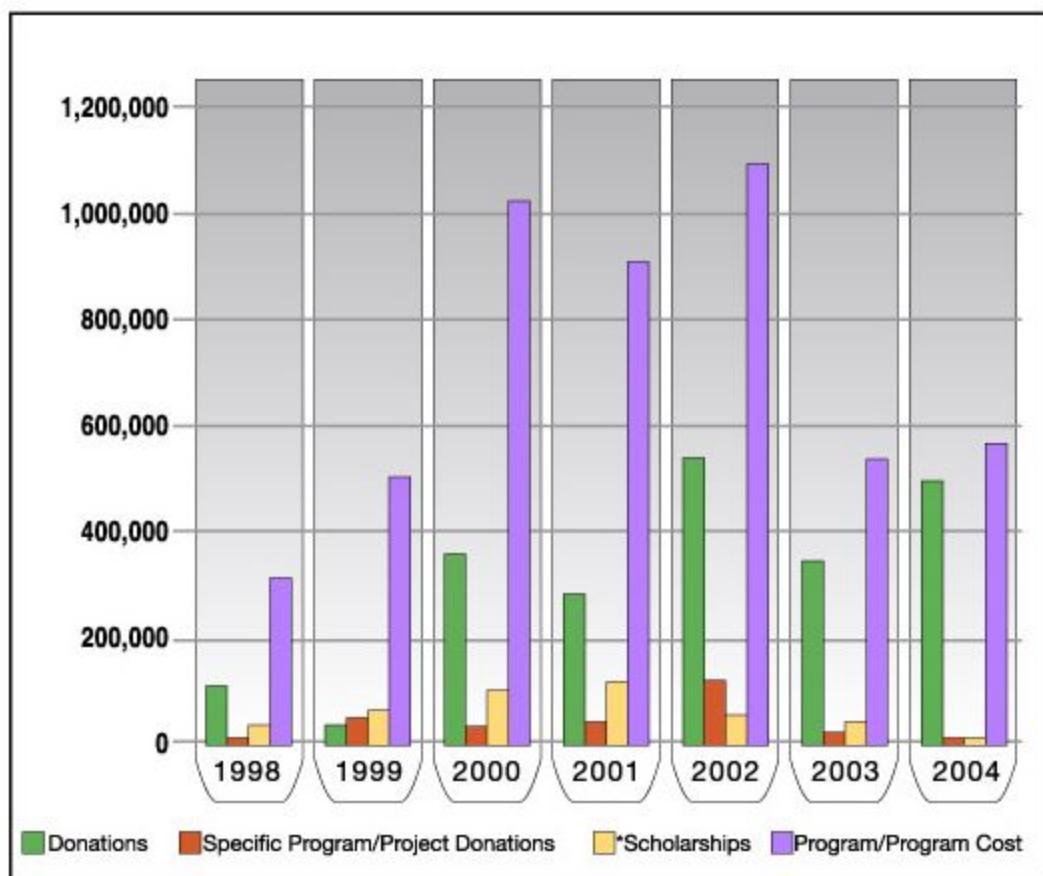

The Master Teacher's Abundance in Action

Dr. Devra Patton West's Financial Support of the Non-Profit Divine Unity and Sacred Arts Institute

The truth is in black and white. Contrary to John Watson's accusations and deliberate orchestration of malicious gossip and slander, Dr. West funded SAI and its programs with over \$12M from her teaching revenue during her 10-year tenure. She resigned from the non-profit in January of 2003 with \$6.5M being owned to her in unpaid wages, loans and reimbursements. This amount has been acknowledged by Board of Directors to be correct and valid.

Ratio of Donations to Program Costs

*Includes Scholarship Awards from Dr. West

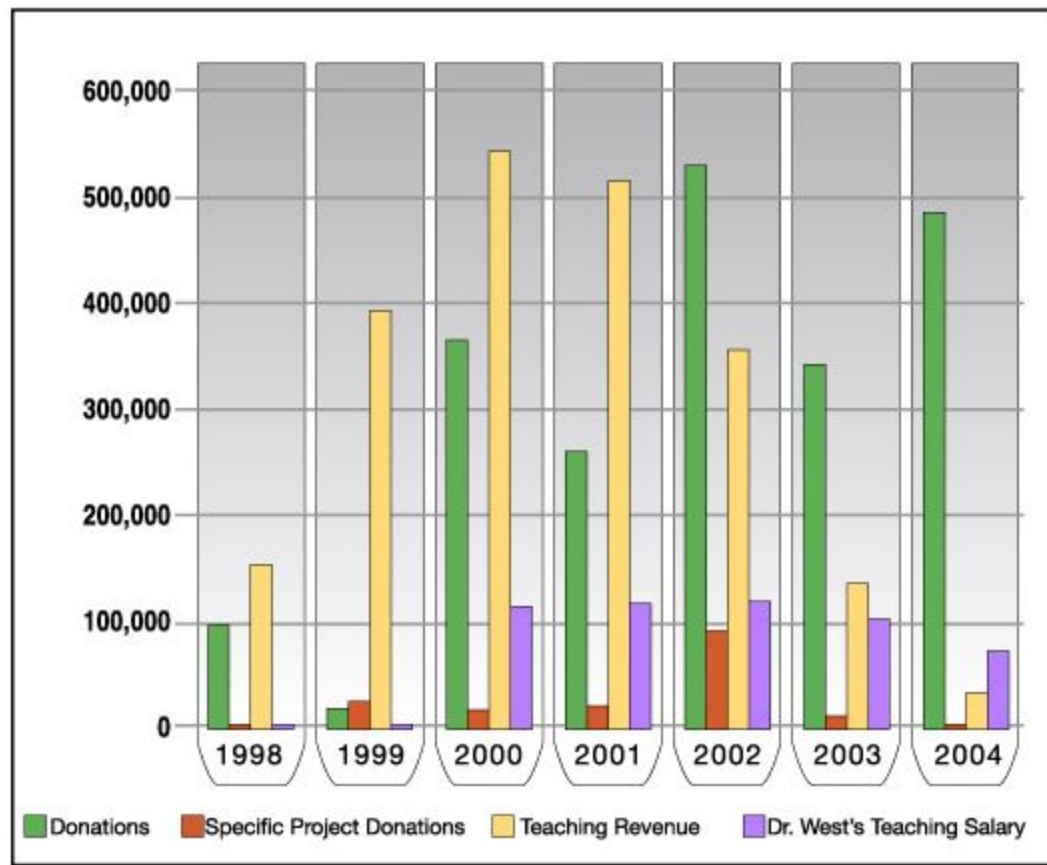

This chart tracks overhead costs of the SAI/DU programs, in relation to donations ear-marked for specific programs and those given for general use. Earmarked donations were minimal, with program overhead far exceeding the donations. Overhead was in every instance offset by not paying Dr. West's agreed upon salary or by her personally subsidizing the programs through loans, pro-bono and donations from herself and her family members to the nonprofit.

On a positive note, the overhead costs fell well below typical standards for non-profits and at no time exceeded federal regulations for nonprofit operations.

Additionally, as a householder with three children, Dr. West supplied and outfitted the Montana Retreat Center with an estimated \$800,000.00 in personal furnishing, fixtures and office equipment on a pro-bono basis.

Allegations that Dr. West misappropriated SAI/DU funds and diverted them to her personal use are totally false and are a deliberate ploy of character assassination as leverage for Watson's financial extortion scam.

SAI Teaching Revenue vs. Dr. West's Salary

This chart shows that the entirety of revenues generated for SAI/DU came directly from Dr. West's teaching activities. Dr. West was directly and primarily instrumental in the generation of all donations. The agreed upon salary of \$120,000 per year to be paid to Dr. West was minimal in ratio to her actual earnings, and often was not paid at all. Additionally sales from Dr. West's books, cassettes and CDs went in full to the non-profit and at no time did she receive remuneration for her intellectual material during her entire tenure.

At no time did the non-profit generate income from self-generated projects, programs or enterprises or in any way engage operation of the Montana Retreat Center to achieve fiscal solvency. To expect Dr. West's teaching proceeds to finance the entirety of the non-profits projects was short-sighted and implausible.

Dr. West gave over 80% of her income and prolific earning ability directly to the non-profit. Both she and her family members donated large sums, in addition to often forfeiting her salary and loaning the non-profit in excess of \$1.3M to meet shortfalls. All accusations to the contrary made by John Watson or any one else are false, mean spirited and criminal in intent.

Update Exposing Recent Press Misprint

- Case Against Surya Ma is Dismissed
- Ground and Merit do not warrant further litigation
- Claims made by Pat Cole against Surya Ma do not hold ground

Please be assured that recent attempts to discredit, slander and threaten Dr. Devra Patton West, "Surya Ma" and her family members are rapidly being exposed and duly brought to the attention of authorities. Petition filed by Pat Cole against Surya Ma has been dismissed. At no time, has Dr. Devra West, Surya Ma has been found guilty of assault, nor has she been sentenced to 6 months probation for any wrong doing, as claimed by John Watson in recent e-mails and postings on his websites.

The misprint in the Montana local newspaper "The Whitefish Pilot," has been corrected to restate that the legal petition filed by Pat Cole has been dismissed and will not be dignified by being heard by the courts. The dismissal was granted in line with an utter lack of supporting evidence for the implausible claims that she made, and the overwhelming evidence which exposes what is believed to be a financial fraud and conspiracy attempt on the part of Pat Cole. It is also believed that this mean-spirited ploy was authored by John Watson, who transparently colluded with Cole as a cover up for Cole's financial mismanagement and fraud of over \$1.3 million dollars. It appears that he sought to use Pat Cole's ploy, to further his own extortion scam to extract a fraudulent financial windfall from what he believes to be Surya Ma's ample coffers, due to his assumption of an inheritance received by Surya Ma from her father's passing last winter.

The amateur smokescreen that sought to portray Cole as a victim, when in reality Cole heartlessly abused Surya Ma's enormous generosity and trust, was perpetrated during a time period when Surya Ma was unable to supervise her affairs due to her devotion to her father John Patton, who suffered a year-long battle with cancer and subsequently passed away, as well as her attendance to the needs of her son who was severely injured in auto accident and has required ongoing rehab. Those of us who have witnessed the extensive evidence of Cole's irregularities, are appalled at Cole's shocking scope of deception and are more than willing to lend any support needed, to see that Surya Ma is fully vindicated, All religious prejudice stirring up local sentiment by Cole's scam that brands Surya Ma as a cult leader, is being vigorously rebutted.

The ongoing harassment that Surya Ma has endured, has become more than transparent to authorities, as being evident of an extortion scam on the part of John Watson and a handful of sordid supporters, who have used the sensationalist tactic of calling her a cult leader, even though no cult, no compound, no religious group and no questionable organization of any kind has ever existed. Surya Ma has no interest in anything of this nature and lives a very quiet life in relative seclusion. Those who have been a part of the financial fraud perpetrated against Surya Ma or in any way have mislead state and federal agencies will be held accountable for their actions and severe error in judgment.

It is beyond despicable that John Watson's escalations have now extended to making threats on Surya Ma's life, as well as launching an unwarranted, and abusive campaign of harassment and slander upon her children and young grandchildren. There is no doubt on the part of witnesses and observers of this travesty, that his obsession has now reached fully psychotic proportions and warnings have been issued on the part of healthcare professionals that he is delusional and very likely dangerous. Rest assured however, that the truth will rise, justice will be done, and those who have master minded this attack on Devra Surya Ma and her family will each be prosecuted, putting the entire matter to rest.

We thank your for your support and trust that your discernment will be withstanding in knowing the difference between the truth of Surya Ma's inability to participate in the profane claims that have been made and the scams and ranting of those whose greed and self-aggrandizement have led them to not only disregard common decency, but also desecrate themselves in the process.

To her enormous credit, Devra Surya Ma has not responded to the attacks with any manner of commentary to either Cole or Watson and maintains her entire focus on her service work and positive endeavors.

Sincerely,
Dr. Julio Williams, MD
Geoff Reynolds,
Surya Enterprises Unlimited Inc.

Fall 2008 Updates

Watson Extortion Conspiracy Unravels

In short, truth has prevailed. Legal officials have determined that the onslaught of fabricated allegations made by John Watson about Dr. West have no basis. The extortion scam stands exposed and the scheme, fanned into flame by small town religious prejudice, has failed. Each and every false accusation and entrapment ploy is being dismissed by legal officials.

Labor Board Rules in Dr. Devra West's Favor:

Even though the state of Montana is a pro-employee state on employment issues, the board ruled against the disgruntled employee's claim of workplace harassment, finding no such claims to be valid. The conspiracy scam to fraud state officials with false claims against Dr. West was duly exposed.

TRUTH: Devra Surya Ma's company Surya Enterprises operates at the highest levels that would be expected of a Master Teacher. A beautiful and harmonious office environment is operative without exception, as personally stated and supported by all of our employees.

Court Rules to Dismiss Bogus Assault Case:

All allegations have been expunged from court records. Irregularities perpetrated by Cole to court officials, more than indicated Cole's direct involvement in the conspiracy to entrap and discredit Dr. West. The allegations were dismissed as implausible.

TRUTH: Cole's misguided attempt to entrap Dr. West was a ploy motivated by Cole's need to cover-up her own in-depth financial fraud, as well as to hide her medical malpractice issues that had been divulged to Dr. West. Cole, a medical doctor, resented Dr. West's refusal to allow her to attend a healing training program, due to Cole's lack of morality and professional integrity.

IRS finds no irregularities in Dr. West's Tax Returns:

After over a year of a painstaking IRS review of Dr. West finances, officials have informed us that no irregularities of any kind have been found. Incriminating claims to the IRS made by John Watson and Pat Cole are determined to be without merit.

TRUTH: Dr. West has never been involved with any financial irregularity and maintains the highest standards of personal and professional integrity. Dr. West's tax returns have been reviewed by the IRS going back to 1994, and are determined to be in good order. Her purely altruistic and philanthropic record speaks for itself and more than substantiates her enormous generosity.

Millennia Mind Dispute with John Watson:

Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam.** Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

Financial Records Refute all Accusations:

[CLICK HERE](#) to review the graphs, which track Dr. West's financial records and altruistic giving. Please also note, that compliance to federal laws regarding the ratio of monies going to the non-profit mission statement rather than to overhead, was met with flying colors, substantially above typical standards for non-profits.

TRUTH: Dr. West gave over 80% of her teaching income to the non-profit sponsoring her work, whose over-head far exceeded its fundraising efforts. Dr. West personally covered shortfalls for over ten years. As a result, ownership of the Montana retreat property was transferred to Dr. West, due to a lack of financial follow-through by the non-profit. The transaction was approved by the state of Montana.

Summary: The non-profit Divine Unity and the Sacred Arts Institute enjoyed many years of financial abundance due to Dr. West's profound generosity, but failed to execute its mission statement to administrate, finance and further Dr. West's work, in line with the mission of their sponsorship. Dr. West resigned in 2002 and has since restructured her personal and professional endeavors to reflect her teachings for enlightened living, as well as the extraordinary nature of her profound life example.

Court Rules to Dismiss Bogus Assault Case:

All allegations have been expunged from court records. Irregularities perpetrated by Cole to court officials, more than indicated Cole's direct involvement in the conspiracy to entrap and discredit Dr. West. The allegations were dismissed as implausible.

TRUTH: Cole's misguided attempt to entrap Dr. West was a ploy motivated by Cole's need to cover-up her own in-depth financial fraud, as well as to hide her medical malpractice issues that had been divulged to Dr. West. Cole, a medical doctor, resented Dr. West's refusal to allow her to attend a healing training program, due to Cole's lack of morality and professional integrity.

Millennia Mind Dispute with John Watson:

Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. The legal dispute was fabricated by Watson to leverage an extortion scam. Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

Be Informed ~ Know the Truth

We welcome you to our website. Please read the rebuttals. There is another side to the profane stories authored by John Watson, that seek to slander and disparage DEVRA WEST - SURYA MA. The following information has been posted to protect and inform any one who has had the misfortune of being influenced by his malicious vengeance and slander campaign.

We have received virtually hundreds of complaints from people who report that Mr. Watson has threatened them, falsified their comments or entirely conjectured statements without their knowledge. Watson refuses to return their calls and emails when asking to be purged from his website. Most people reading even a small sampling of his ranting, which contradicts itself at every turn, can see for themselves that Mr. Watson is a deeply troubled individual and they do not put stock in his apparent lunacy. His personal website is www.reikijohn.com if you need verification of his shallow but true orientation.

Please be cautioned that health care professionals have profiled Mr. Watson as being mentally unstable and at risk of complete psychosis. When in a manic phase, he is known to send numerous hate e-mails to our office in a single day, apparently thriving on the theatrics of his self-aggrandizement. His vicious threats and implausible accusations are the product of a very sick mind that uses Sir John, Sir Watson, Lord Watson, Lord Ballymore, Lord Esquire, Financial Manager, General Manager, Prime Director, Grand Convener, to name a few of his delusional self assigned titles and AKA's. Several lawsuits have been filed against him, both criminal and civil.

Our rebuttals are offered to bring light to the foul profanity that has he has conjectured and spewed to anyone that offers him a stage for his obsession. We have been at the brunt of ongoing illegal harassment from Mr. Watson for several years. He has used every devious ploy imaginable to conjure unfounded and non-existent conflict and controversy. His extortion tactics to line his pockets with a financial settlement are now legendary. However, his delusion that he can author a perverse reality that defines Surya Ma's existence is far more profane. To this end, he has routinely conspired to defame and entrap Surya Ma by grossly misrepresenting both people and circumstances, to include fraudulently portraying students, neighbors, family members and employees by writing false letters and statements without their knowledge. He also routinely creates fictitious people and circumstances that do not exist at all, spinning story upon story wherein he is the sole author. Therefore, we ask that you be so kind as to verify your intentions by sending us an [email](#). We are happy to respond to any request for information that you might have after reading this response.

Unfortunately, he has used the tactic of postponing trial dates five times over several years to avoid being prosecuted and to also prolong his platform for spinning his web of tabloid-trash. However, ten thousand untruths no matter how cunningly conspired, can never achieve the enduring value of a single truth. We assure you that the mean-spirited gossip that he has circulated is untrue and unjustified or grossly inaccurate and deliberately taken out of context. This includes the newspaper article featured on Goggle that was authored by John Watson, who managed to convince a novice, small town reporter that his sordid tabloid story had legitimacy. The preposterous slant of the article was falsely fabricated from start to finish. The publisher has since profusely apologized for being misled, and has printed our rebuttals in several issues. Agreements are also in progress to rectify false/misleading statements and withdraw the articles from the paper's archives.

As an update and contrary to Mr. Watson's slander agenda, Surya Ma is far from being a cult leader and has no interest in followers or being show cased by any organization. Her Universal Teachings of Wisdom are offered through her on-line class room, www.Surya-Source.com. She works privately with influential philanthropists and her training internships are offered solely on an invitational basis. Surya Ma has never been evicted as per Mr. Watson's fabrication, but rather she lives peaceably in her lovely home on Flathead Lake. The ex-employee, who conspired with Mr. Watson, has a history of filing bogus complaints against employers. State officials have denied her claim, to include demanding repayment of all monies resultant from false accusations. The sensationalist photos touted as abuse were actually taken to submit to an insurance company for a personal injury claim and were later retrofitted as an entrapment attempt to cover up the theft and misappropriation of Surya Ma's finances. We also assure you that although Mr. Watson's website professes a host of implausible accusations, this unethical use of the internet in no way represents the her life or that of her family members.

We kindly ask that you please take the time to read the rebuttals, as we trust that you would not want to be a party to his unwarranted attacks on Surya Ma that have no purpose other than to appease his envy and jealousy. To her credit, Surya Ma does not dignify Mr. Watson's antics with a response and has never replied back to him in any fashion what so ever. His attempts to pit Surya Ma's family and supporters against one another are grossly transparent and have failed. Her community members, employees, supporters, and family members have stood by her side unflinchingly.

We apologize for any concern this matter may have caused you. We trust that light will prevail on all fronts and that our legal system will rout out the venomous plot woven by Mr. Watson, that has used every possible tactic to pass itself off as credible. Surya Ma's ongoing good works, beautiful teachings, and tireless service say all that she chooses to say. We stand united as witnesses of Surya Ma's grace and wisdom over the years, as she has continued to serve humanity with much love and joy. Her projects are brilliant expressions of service and creativity for all who choose a path of contemporary sacred living. You are welcome to peruse her website www.Surya-Source.com, which continues to offer the Universal Teachings of Wisdom on a monthly basis.
