

Dear FBI, IRS and Sedona & Scottsdale Police Departments.

In 1995, just four years after Patton West formed a cult around her delusions that she was a god on a mission to lead humanity, Devra Patton West was chased out of that state by one victim wielding a loaded gun. According to Patton West's ex-husband, those who opposed his wife had a habit of dying suddenly. Fearing the police were helpless to protect him against Patton West's [Secret Weapon](#), the victim in question clearly decided to act in self-defense as was his right. In 2010, after operating her cult / criminal racketeering gang for 15 years in Montana, Patton West was forced to leave that state after one victim of fraud decided to turn whistleblower and went public about the scores of victims of theft, fraud, extortion and mental abuse at Patton West's hands.

Patton West's criminal business model relies on the public swallowing the lies and propaganda that she is a guru. Patton West's response to the truth going public was to plot to murder the whistleblower. On August 9 2007 she got senior cult member [Geoffrey Reynolds](#) to announce the whistle-blower's impending murder to the press. When the murder plot failed Dr. Julio Williams MD, another senior member of her cult who had previously threatened the whistleblower [via email](#), stepped in and gave Patton West \$2,000,000 so she could fund multiple frivolous lawsuits whose objective was to bankrupt the whistleblower into silence. In spite of multiple arrest warrants in Montana, a conviction for assault, being the subject of a Sheriff's Sale to force her to pay past victims of crime \$2,000,000 in court fines and interest. In spite of several visits to court in fraud related lawsuits Dr. Julio Williams, a 20 year member of her cult, continues to provide Patton West with testimonials and even his home as a venue so she can sell fake miracle cures for cancer.

Above from left to right: The idiot grin 'like the cat who got the cream' (28 plus years of racketeering without being successfully prosecuted in a criminal court). A narcissist arsehole who believes she is a god on a mission to lead humanity. A photo from one of two arrest warrants in Montana. Dr. Julio E Williams a pathological liar and a willing accomplice in organized crime. Geoffrey Reynolds CPA a totally corrupt individual who, for \$300,000, agreed to be complicit in a murder plot and criminal conspiracy.

For nearly 30 years, Patton West has masqueraded as a guru taking full advantage of religious freedom laws to get away with lies and propaganda so obviously motivated by fraud. This bulletin focuses on some of those lies. In Montana, she stated that she was [single handedly holding open the gates of time](#) and, although records show her education ended with a high school diploma she insists that the [Christ gave her two doctorates in person](#). Upon arriving in Arizona, she declared herself to have been [planning to lead humanity for thousands of years](#) and that she was a '[Planetary Regent](#)' and the '[Mother of Ten Thousand Suns](#).' She has also recently stated on her Facebook pages that, as an instrument of mercy, she is able to offer the phenomena of '[divine grace healing](#)' and '[dispensation of karma](#).' She charged one victim \$500,000 in 2002!

As the following [bulletin](#) shows. You know when she is lying, her lips are moving. Taking her lies, the scores of victims of financial and violent crimes and several suspected murders into account is it not time to act? We have provided a mountain of evidence all you have to do is follow the dots.

Note this bulletin should be read in conjunction with these other pages on this website i.e. [The Fake Bio](#), [The Secret Weapon](#), [The Lies](#), [The Crimes](#), [The Narcissist](#), [Evidence of Insanity](#), [Fake Miracle Cures](#), [Fake Career Opportunities](#) and [Fake Testimonials](#).

While we are certain that Patton West is the mother of ten thousand lies sharing thirty or so should give the reader conclusive evidence that she either criminally insane or a pathological liar who believes no one is going to call her out on her lies.

Narcissist Master Criminal Patton West leaning against a statue that she swore under oath in 2009 did not exist. It was part of a \$4,000,000 collection of artwork and valuables stolen from a Montana charity in 2004. See 'The Crimes' page for details.

Con artist and violent convicted criminal Patton West has provided us with so much material it is difficult to know where to start. In the end we decided to start with one of the most well documented of her victims Dr. Pat Cole MD who went from being her business partner, to being on the receiving end of a campaign of violent assaults to having her entire net worth extorted from her estimated at \$1.3 million. We will number the lies to keep track of how many we are posting.

1. CONSCIOUS FISCAL MASTERY – Wisdom and Integrity in Service. If one travels to the [‘Benefactors Fellowship’](#) page on Patton West’s latest website one sees a number of images. We have made a composite of them below.

Of particular interest is this statement below.

Above: Make the lie big, make it simple and keep repeating it and eventually people will believe it!

CONSCIOUS FISCAL MASTERY? ‘Wisdom and Integrity in Service?’ These huge lies would be funny if they were not so serious and part of a massive fraud scam. There can only be two possible explanations for lies this huge. Either Patton West believes her often spouted mantra that, “the truth does not matter if she can convince the public that her lies are their truth.” You can hear her say this in her own voice by going [here](#). Or she is so confident in her ability to crush all dissent with her occult [secret weapon](#) that she has thrown all caution to the winds.

Above: Patton West has been telling the same lies for 28 plus years. She was chased out of New Mexico by one victim in 1995 and forced to leave Montana in 2010 after it became obvious that her ‘world service’ bullshit was a front for racketeering.

CONSCIOUS FISCAL MASTERY? ‘Wisdom and Integrity in Service?’ What about the multiple arrest warrants in Montana, one for [criminal check fraud](#) and one for [felony theft](#)? What about the [conviction for assaulting](#) her business partner Dr. Pat Cole MD while extorting \$1.3 million from her? What about the countless acts of theft, fraud and extortion perpetrated against employees and students of her unaccredited school for occult studies many of which are detailed on [‘The Crimes’](#) page on this website?

Above from left to right: Notice of a Sheriff's Sale at which Patton West was forced to sell her assets to pay post victims of crime \$2,000,000 in court fines and interest. An arrest warrant for criminal check fraud. Top right an arrest warrant for Felony Theft. Bottom right news article published 24 April 2008 announcing Patton West's conviction for assault.

Below here are some written and audio statements from her ex-employees and ex-students; these would be the ones she referred to in court as being fictitious and fabricated.

1. [AJ White](#) statements refers to an \$80,000 donation she stole from her charity.
2. This harrowing email, entitled [‘Help Me’](#) from her ex-office manager Rebecca West (no relation to Devra West) refers to the fact that Patton West spends money like water. The email also explains how Patton West has extorted \$700,000 from Dr. Pat Cole MD her business partner, received a ‘donation’ of \$100,000 from senior cult member Julio Williams and how she had duped Geoffrey Reynolds into loaning her \$300,000. More on the manipulation of Geoffrey Reynolds in a [second email](#) from Rebecca West. Finally in the ‘Help Me’ email Rebecca details how the son of a wealthy benefactor, Corinne Coffin, had demanded all the money that Patton West had received from his mother be returned.

3. Here are some excerpts from four audio interviews given by ex-employees and students of Patton West's.

This is too much for me, lost John, lost my Mom if she did not buy the land with the money I want my money back. If she has done something wrong she should pay the consequences.

The ‘Teacher’ and The ‘Mataji’ and The ‘Regent’ are all accolades and titles given to Patton West by herself. They are just as false as the [‘Fake Testimonials.’](#)

Her entirely false persona does not exist in reality, except in her own delusional mind and the minds of those she can brainwash and condition into accepting her fantasy as a reality. Minds like these below, who were all put to work to fund raise for her latest greatest 'save the planet' project. None of the millions raised went anywhere except into her own pocket.
