

Devra Patton West AKA The Rishi – 29 years of Racketeering & Murder in Three Western States Marketed to the Public as ‘World Service.’

Above: Master Criminal Devra Patton West. From pot grower, drug dealer, con artist and bankrupt pre 1990 to self appointed Planetary Regent, Mother of Ten Thousand Suns, And Divine Mother. A self declared ‘instrument of mercy’ able to deliver the phenomena of ‘divine grace healings’ and dispensation of karma (for a price). In short a criminally insane narcissist who wants us all to believe that she has been planning to lead humanity for thousands of years.

Patton West was chased out of New Mexico in 1995 by one victim at the point of a gun. After operating for 15 years in Montana, she was forced to leave that state in 2010. During her stay in Montana, Patton West was the recipient of:-

1. Two arrest warrants one for [criminal check fraud](#) and one for [felony theft](#).
2. Was forced to sell all her assets at a [Sherif’s Sale](#) to pay past victims of organized crime \$2,000,000 in court fines and interest.
3. She was convicted of assaulting her business partner by repeatedly hitting her over the head with the heel of her shoe until blood ran down the victim’s blouse. She admitted the assault in [an email](#) to her entire cult mailing list but a year later [denied it](#) when news of the assault went public. No mention of the \$1.3 million she [successfully extorted](#) from the victim Dr. Pat Cole MD.
4. Made several visits to court as [the defendant in fraud related lawsuits](#) being convicted in every case.
5. Routinely assaulted the female members of her cult, including an employ she partially scalped ([Susannah Felder](#)) and a student ([Beatrice McGuire](#)) who needed plastic surgery after having part of her ear ripped away.
6. Was the recipient of three newspaper articles by the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#), detailing some of her crimes in Montana (the tip of the iceberg).

This is the tip of the proverbial iceberg.

Rishi Regent of the Great Masters

As the light that stands behind leaders and world servers from across the globe, the Rishi's mission is to guide the influential endeavors that will change and uplift world conditions. As a destiny soul and Surya Rishi of the Sacred Knowledge of the Universal Halls of Illumination, she has been prepared for thousands of years to guide humanity through the coming times of upheaval and turmoil, that will take place side by side with unprecedented surges of spiritual awakening on a global basis.

Above: Who in their right mind is going to believe that a con artist and violent convicted criminal with multiple arrest warrants, a conviction for assault, forced to pay past victims of crime \$2,000,000 by the sale of her assets at a Sheriff's Sale, who appeared in court as the defendant in multiple fraud related lawsuits has been planning for thousands of years to lead humanity?

As well as violence and the threat of murder, Patton West uses members of her cult to defame, vilify and intimidate victims and witnesses of world-service organized crime. This is done in an attempt to stop them going public, going to the police and to force them into remaining silent about their experiences. After one victim of organized crime John Watson decided to sue Patton West for fraud in 2003 and put up a website about her criminal activities in 2006. She mobilized two senior members of her cult (both strangers to Watson) in a conspiracy to silence him. Both [Geoffrey Reynolds CPA](#) & [Dr. Julio E Williams MD](#) were both strangers to Watson but both agreed to be willing accomplices in a conspiracy to murder him and when that failed tried, to bankrupt him into silence. Watson won his lawsuit in 2008 when Patton West was convicted of defrauding him out of pay and shares.

Geoffrey Reynolds CPA was / is totally aware of Devra West's criminality and though he had never met the whistleblower plotted with her to murder the him in 2007. When the murder plot failed he jointly conspired with her to extort \$10,000,000 from the whistleblower by making false statements to a Montana court.

Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.

Geoffrey Reynolds CPA 2014

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."

Julio Williams MD 2017.

Julio Williams MD a member of west's cult / criminal gang since 2000. Williams posted a defamatory statement about the whistleblower in 2005, sent him a threatening letter in 2007 promising to fund West's legal fees to the tune of \$2,00,000. Williams promotes and supports her claims to be able to deliver 'divine grace healings' and pays for venues for her to interview those prepared to pay \$500,000 for a fake cure!

After the 2007 [plot to murder](#), John Watson, turned whistleblower, failed senior cult member Dr. Julio E Williams gave Patton West, the leader of his cult, \$2,000,000 of his own money so that she could fund multiple frivolous lawsuits against Watson with a view to bankrupting him into silence. This [email from Williams](#) makes it very clear that he is a willing accomplice in Patton West's cult / criminal racketeering gang. Once Watson was 'outspent' in court Patton West, with the help of her two accomplices, moved to Arizona and reincarnated with a new name and new fake bio / life history. Patton West AKA The Rishi is currently targeting the spiritual communities in Sedona & Scottsdale. The message is the same as it was in New Mexico and Montana, although the method of delivery gets more sophisticated as her wealth from organized crime grows.

Above: Make the lie big, make it simple, and keep saying it, and eventually they will believe it. Her own website funded by money from organized crime full of lies and propaganda all apparently allowed under 'religious freedom' laws even though the motive is fraud. Anyone telling the truth becomes a target for violence and murder.

We invite the public and law enforcement agencies to compare the lies and propaganda on her current website therishi.com with the FACTS as displayed on these two websites therishi.info and omniawakening.net which are dedicated to having Patton West and her two accomplices jailed for racketeering and attempted murder. Below are some FACTS we have compiled about her past which you might like to compare with the lies and propaganda to be found on her website. There are only two possible reasons for the gulf between her lies and the FACTS. Mental illness or deliberate fraud.

SPIRITUAL NAME

Mataji Rishi

Devra Surya Sai Adi Maa Durga Devi

REGENT OF THE MASTERS

The Unity of Souls & Nations

After many years of quietude and seclusion, the Rishi has stepped forward to accept sincere applicants into her auspices in the spiritual mecca of Sedona. She welcomes those who are compelled by the inner imperative to serve as awakened instruments of the divine. She is sanctified to embody the role of Regent of the New Americas, foretelling a time when North, South, and Central America will be unified in the common welfare of all souls. As a revered executor of the Divine Plan, she is assigned the "Great Work" of guiding humanity through an extraordinary time of global upheaval and profound transformation that charts a new course for a thriving, peaceable fellowship amongst souls, peoples and nations.

Above: Under the protection of 'Religious Freedom' laws Devra Patton West is free to manufacture as many lies as she wishes. Any other 'product' described in a way purposefully intended to defraud the public would result in prosecution.

Right: Scores of victims of theft, fraud, extortion, violent assault, at least one murder (perhaps many more), and attempt on the life of the whistleblower and several threatened with murder. None of it prosecuted. No wonder she is so pleased.

All part of the propaganda and lies that she is a god on a mission to lead humanity. Remember, 'the truth does not actually matter' (if she can persuade the public her lies are their truth).

Follow the above link to read about the drugs, the pornography and the violence. According to court documents, Patton West regularly got into physical fights with her son, Chris Haywood, who has a criminal record for forgery, substance abuse and traffic violations. When Patton West's son Chris Haywood split from both of his wives in quick succession, Patton West targeted both daughter-in-laws with her [occult weapon](#) in an attempt to [subvert](#) both child custody court cases. The objective in both cases was to force both mothers to give up their infant daughters to Patton West's son.

MODERN ENLIGHTENMENT

The Mother and Grandmother

Mataji Rishi's life expression is a living legacy of enlightened house-holding. Integrated and engaged, yet free of ego and attachment, the Rishi has pioneered not only feminine enlightenment in the West but also enlightened family life.

Above: We suspect that Chris Haywood's behavior is as a direct result of 'Divine Mother's' enlightened house holding. To put it another way the apple does not fall far from the tree.

Go here to read the [harrowing email](#) Jamie Haywood sent the whistleblower the day before she attended the child custody hearing on July 12 2007. Above: Con artist and violent convicted criminal Patton West in classic 'prayer' position, which coming from a card carrying Satanist and suspected serial killer is a bit rich. As you can see from below, a large number of Patton West's so called testimonials come from senior cult / gang member Dr. Julio E Williams MD who, directly below, here can be seen prostrating himself at her feet.

★★★★★ dangerous physician!!

Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011

This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Above: two images of Dr. Julio E Williams MD kneeling at the feet of the leader of his cult / criminal racketeering gang. The testimonial above entitled 'dangerous physician' is about him and yet in spite of the mountain of evidence which clearly shows that Williams lacks discernment and integrity he is still allowed to practice medicine at Essentia Health's clinic at Fargo ND

A 'testimonial' given by Dr. Julio E Williams MD to criminally insane narcissist Patton West.

Julio Williams So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet.

Above: "My humble salutations to thy lotus feet." Dr. Julio E Williams MD is either mentally ill or a willing participant in racketeering and murder. This question is for a judge and jury to decide after weighing all the evidence collected against him.

And below here another.

Julio Williams Om Shri Rishi Ma Addi Ma Mataji! Forever grateful to the living Rishi of the Solar lineage. You who are the embodiment of that light May you continue to be the beacon of light for the destiny souls that are called to world service. No words will ever describe the gratitude I feel for your selfless sacrifices to open the way to those us who would take thy hand as we learn to embrace ourselves through service to humanity.

Above: Dr. Julio E Williams MD a 20 year member of Patton West's cult / criminal racketeering gang. A Pathological liar who attests to Patton West's "selfless sacrifices" while ignoring the scores of victims of theft, fraud, extortion and some of violent assaults. Then there are the alleged murders of those who opposed her this according to her ex-husband Jack West.

Williams does not stop at providing the leader of his criminal gang with testimonials. He also made his home available as a venue for her to market miracle cures for cancer etc. These meetings at his home were headlined as 'Sacred Sundays with Rishi.' Having her own tame physician present, made her 'miracle cure' claims all the more believable. Below is an excerpt from a lengthy 'sales pitch' that appeared on Patton West's website. You can view the entire missive by going [here](#).

~ Our June 12th ~
Sacred Sunday with Rishi
 will be hosted at the home of Dr. Julio Williams
 7390 East Stagecoach Pass Carefree, Arizona 85377
 ~ 10 am to 12 pm ~

Above: Probably nothing to worry about that Dr. Julio E Williams MD, himself a pathological liar, is hosting a 'Sacred Sunday with Rishi' AKA Patton West. Though Williams has been a student and disciple of this con artist for 20 years surely he would not provide a venue for her and endorse her ability to deliver miracle cures for a large fee? Would he?

Why else would Patton West need a 'Pay Portal' that could handle single contributions of \$500,000? Does anyone believe that a member of the public would donate \$500,000 to Patton West? No of course not.

The 'Pay Portal' is set up to receive payment of huge sums of money from victims of extortion and Dr. Julio E Williams MD is right at the heart of these crimes.

- Golden Flame Endowing Member

Above: Make the lie big, make it simple, keep saying it (in New Mexico, Montana and now Arizona) and eventually they will believe it. Public donations elicited on the basis of lies and propaganda is called fraud. Making people ill then forcing them to pay for cure to release them from a condition you induced in them is called extortion. That is what the 'Pay Portal' is for.

Williams has been 'marketing' Patton West to the public as a minor deity for 15 years and has provided her with numerous testimonials, in spite of the many [crimes](#) listed above which are the tip of the iceberg. However, no amount of lies from Williams and other gang members are going to change Patton West's past or the fact that she is a criminally insane narcissist.

No matter how much lipstick you put on this pig it is still a pig.

Above: Patton West's lies and propaganda appear to be 'protected' under religious freedom laws even though the obvious motive for the deception is organized crime. None of what she says on her website is based in truth. Her life story / bio is a total fiction and fails to mention the scores of victims left behind in New Mexico and Montana over the past three decades.

When fraud victim turned whistleblower Watson went public about the cult's criminal activities in 2006, Williams sent Watson (a stranger to him) a threatening letter; a clumsy attempt at witness tampering. When that failed to result in Watson dropping his fraud lawsuit against Patton West, Dr. J E Williams [put up \\$2,000,000 of his money](#) to fund a criminal conspiracy to bankrupt Watson into silence. All this after Patton West's earlier attempt to [murder](#) Watson failed.

So sure were Patton West and Julio Williams that Watson would be murdered, that they had senior cult member [Geoffrey Reynolds CPA](#) announced his impending murder to the press a week before she made her failed attempt on Watson's life. What Reynolds told the reporter, in what he thought was an 'off the record' conversation was that Watson would be dead within 12 months or in jail for what Patton West was going to do to him and his family.

The campaign of intimidation that Geoffrey Reynolds announced in August 2007 continues to this day. Dr. Julio E Williams MD, a willing accomplice with Geoffrey Reynolds CPA in attempted murder and criminal conspiracy, is totally aware of the ongoing campaign of intimidation against Watson and his family. Watson has sent him some 500 emails about this over the past 4 plus years. For some reason, Williams is not too keen on sharing them with the FBI and law enforcement which Watson is in the process of doing.

You can read a blow by blow account of Williams' & Reynolds' role in trying to silence Watson by reviewing an earlier bulletin on this subject entitled '[Gang Members.](#)' More recently, Williams has been providing Patton West with a series of [fraudulent testimonials](#) to entrap more victims and even allowed her to use his home in Carefree AZ as a venue for organized crime (see above).

When news of Patton West's past crimes began to appear on the internet recently, Dr. Julio E Williams, in his role as 'liar for hire' posted a statement on the web in early 2018. The statement full of lies and propaganda, sought to portray the 'injunction,' (that he bought for her with his \$2,000,000) as something it was not. Instead of portraying it for what it was i.e. something acquired as part of the undefended default judgment because Watson could not afford to travel to the US to defend Patton West's lies. Patton West sought to obtain the moral high ground by taking the focus away from the message (Patton West's criminal activities in New Mexico and Montana) and sought instead to portray Watson as a cyber-criminal (for telling the truth about Patton West). Below is an image of a statement taken from Patton West's current website.

LEGAL VICTORY

In-The-World Mastery

Our beloved Rishi relentlessly persevered during her early years of pioneering female mastery in the West, an endeavor that paved the way for feminine empowerment. Like many emerging spiritual masters, she endured the obstruction of the patriarchal power structure that actively sought to deny her sovereign right to exist as a modern, deeply-spiritual woman who was free of patriarchal religious and societal controls. She prevailed with grace and dignity, winning a precedent-setting legal case and ten-million-dollar settlement, a balancing of power which she courageously engaged in on behalf of all women of every culture and creed. Her dedication to the divine feminine is born of the unwavering dedication that she demonstrated in the midst of both subtle and oppressive misogyny by surmounting societal inequality with the unstoppable light of feminine mastery. She has risen to her role as a western regent with her feet on the ground and her clarity of purpose impeccably sustained throughout the past four decades, forging a path beyond the power structures of the past as a spiritual emissary of the divine feminine.

Above: Pathological liar and criminally insane narcissist again posing holding a bouquet of flowers as part of the propaganda intended to convince the public she is a victim when in reality the FACTS show she is responsible for countless acts of theft, fraud, extortion, mental and physical abuse and if her ex-husband is to be believed several murders.

Patton West went further by asserting that the injunction was granted by a judge carrying out an independent investigation into cyber-crime which of course is a total lie. Additionally, she accuses the whistleblower of mounting a 'cyber extortion scam' against her, when in reality she was found guilty of [defrauding](#) Watson. And, as you can see from her current website, it is she who is using the internet to defraud and extort money from the public. What other motive could there be for all the lies and propaganda?

Of course the truth about her criminal activities could adversely affect her ~~'world-service'~~ criminal racketeering business model. Which is why after Patton West was found guilty of defrauding Watson in 2008, she immediately issued [this statement](#) of denial. Similarly, after she was found guilty of assaulting her business partner in 2008, she immediately issued [this statement](#) of denial. Because.....

Above: Devra West is not a doctor of anything unless you count the two doctorates that were given to her in person by the Christ. When the whistleblower's lawyer asked for copies of her degree certificates Patton West said they were lost in a flood.

We however will set the record straight.

In 1991 Devra Patton West, a criminally insane narcissist, declared herself to be an Ascended Master. Since that time she has used the occult knowledge she gained at the '[Robert Jaffe School for Energy Mastery](#)' to feather her own financial nest at the expense of everyone she has met since.

Patton West has robbed, defrauded and extorted money from both employees and students to her unaccredited school for occult studies. Patton West has threatened violence and murder on those who would go public or seek restitution via the courts or the police. According to her ex-husband, those who opposed his wife had a habit of dying suddenly. In 2005 Lisa Swidler, a student who witnessed two serious crimes that Patton West had committed against other students, died suddenly and mysteriously. The manner of her sudden death became crystal clear to the whistleblower when a credible attempt was made on his life by Patton West in 2007. Had Patton West been successful in murdering him his death, like Lisa's before, would have been classified as a death by natural causes. How many extra judicial killings has Patton West got away with over the past 30 years?

There are two theories to explain Patton West's behaviour. Either she is criminally insane, or she just does not care about the consequences of her actions because she believes she cannot be successfully prosecuted. To be prosecuted there need to be witnesses to testify against her. If she can intimidate or murder witnesses with plausible deniability, as she has been doing for 30 years, the threat goes away. The statement below taken from a lengthy missive she sent to her cult mailing list shows just how confident she is that her law is the only law that matters. Go [here](#) to read that missive.

“It will be your privilege to financially seed my transition. It is not my need but rather your need.”

A quote from Patton West when she was masquerading as the Ascended Master Devra Ji. Circa 2004 / 2005.

Above: The narcissist occult thief Patton West. Is she criminally insane believing she is a god on a mission to lead humanity? Or just a very clever and resourceful criminal whose unique criminal racketeering business model has allowed her to operate for 28 years right under the authorities noses? Either way the victims of organized crime are real as are her lies and propaganda.

Patton West can currently be found selling miracle cures to cancer patients in Sedona AZ, aided and abetted by her own tame physician Dr. Julio E Williams MD, a 20 year member of her cult / criminal racketeering gang and a sponsor of ~~her work~~ organized crime to the tune of at least \$2,000,000.

In closing, we believe that **the truth does actually matter** especially when connected to organized crime. The purpose of these bulletins is to warn the communities that this parasite is currently embedded within about the dangers of associating with Patton West. Someone we believe is a violent and resourceful criminal and who may be a serial killer. We also want to present evidence of racketeering, over the past three decades, to the authorities to aid them in their investigations.

Above: Patton West's idea of 'World Service' lots of bullshit words that mean nothing while raising millions of dollars that ends up funding her luxurious lifestyle and or ends up in offshore bank accounts or converted into jewels and precious metals.

Compare her lies, propaganda and delusions with the FACTS which can be found on the following web pages.
