

Meet Rishi Devra AKA Con Artist Devra Patton West. Three decades of Lies, Propaganda, Racketeering and, if her ex-husband is to be believed, multiple Murders.

Above: Patton West a criminally insane narcissist who has given herself more titles and accolades than most people have had hot dinners! She believes her ability to intimidate and murder those who oppose her justifies her claim to divinity!

This criminally insane narcissist's business model is based on a foundation of lies. Lies that she believes are 'protected' by religious freedom laws, even though the obvious motive is fraud. From the cash donations she invites from the public based on lies, up to the extortion of millions of dollars a year for fake miracle cures. Scores of victims of theft, fraud, extortion and numerous victims of violent assault while operating in three western states with most victims too afraid to go to the police because they know the police cannot help or protect them.

Let us review some of her biggest lies that she believes are 'protected' under religious freedom laws even though the obvious motive for the lies is fraud and extortion.

Above: Criminally insane narcissist Patton West is not shy about telling her victims that, and I quote, “the truth is not important if I can convince the public that my lies are their truth.” Lies that she believes are ‘protected’ by religious freedom laws.

The following are at the forefront of pathological liar Patton West’s propaganda onslaught currently directed at the spiritual / metaphysical communities in Sedona AZ:-

1. She was called to ‘serve’ the world at age 7. Fact. Prior to declaring herself an Ascended Master in 1991, Patton West was, according to witnesses, a pot grower, drug dealer, con artist and ex-bankrupt. Read what victims [Jeremy Samuelson](#) and [Satya](#) had to say about Patton West’s “service.” Patton West is a ‘service to self entity’ as any review of her actions clearly shows.

An obvious lie but apparently ‘protected’ under religious freedom laws. Even though three decades of activity show the clear motive to be fraud.

2. She has been prepared for thousands of years to guide humanity. Fact. As indicated above, Patton West is either criminally insane or so sure no one is going to challenge her lies that she goes for broke. Any study of the following web pages makes clear that most every life she has touched, has been ‘guided’ to ruin. [The Lies](#). [The Crimes](#). [The Fake Bio](#). [Evidence of Insanity](#).

An obvious lie but apparently 'protected' under religious freedom laws. Even though three decades of activity show the clear motive to be fraud.

3. [As the light that stands behind leaders and world servers across the globe.](#) Fact. Patton West is a pariah amongst real service to other entities. If she were involved with any 'leaders' or 'world servers' you can bet that she would shamelessly use their names images on her website. The fact is, that like her other claims that she was "[holding open the gates of time](#)" and that "[the Christ gave her two doctorates in person](#)" it is all lies and propaganda.

An obvious lie but apparently 'protected' under religious freedom laws. Even though three decades of activity show the clear motive to be fraud.

4. [As a planetary regent her auspicious presence offers the rare opportunity for private mentoring and audiences for initiates world servers and spiritual protégées.](#) Fact. This is all bullshit. In reality, these lies and the accompanying propaganda are used by Patton West to attract potential victims into the 'kill zone.' Once the wealthy amongst attendees to her 'private sessions' have been identified, they are targeted for fraud and or extortion. Review this posting made by Patton West of '[Sacred Sundays](#)' to be held at the home of senior cult member, Dr. Julio E Williams MD. Victims are made ill by Patton West using her [secret weapon](#) and then asked to pay six figure sums to be cured. Patton West was charging \$500,000 for this 'service' in 2002. Listen what Patton West's [personal assistant](#) had to say about this.

An obvious lie but apparently 'protected' under religious freedom laws. Even though three decades of activity show the clear motive to be fraud.

5. [As an instrument of mercy she offers the phenomena of divine grace healing \(and dispensation of karma\).](#) Fact. There is nothing divine or graceful about Patton West. On the contrary. Patton West is a vicious and cruel psychopath and quite possibly a serial killer. Here are four examples of Patton West's violent assaults upon members of her cult or cult member's children. Dr. Pat Cole MD repeatedly hit over the head with the heel of Patton West's shoe until blood ran down the victim's blouse. The [Whitefish Pilot](#) newspaper has details. Susannah Felder partially scalped by Patton West after Susannah questioned Patton West about an \$80,000 donation Patton West stole from the charity she later bankrupted. Read what witness / charity board member [AJ White](#) had to say. Beatrice McGuire had part of her ear ripped off after calling out one of Patton West's lies in front of an audience of scores of attendees to one of Patton West's gatherings. As witness [Debra Coffey](#) points out, the victim needed plastic surgery for her injuries. Then there is [Ingrid Smith's](#) six year old son who was assaulted by Patton West.

Then there is the murder of student [Lisa Swidler](#), who was silenced to stop her going to the police about crimes she witnessed against other cult members.

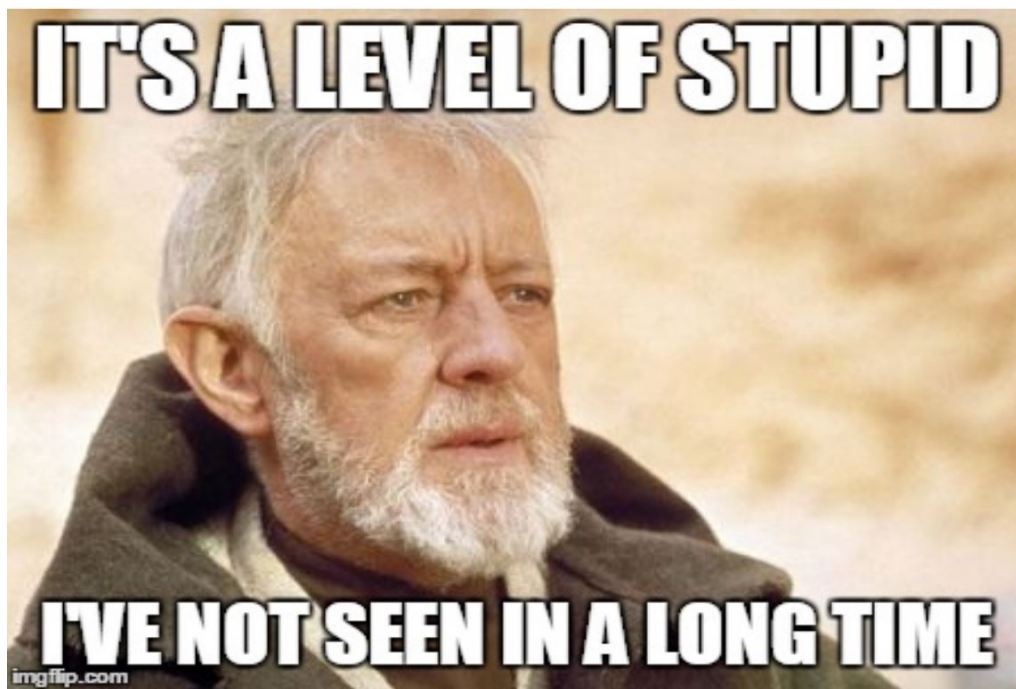

An obvious lie but apparently 'protected' under religious freedom laws. Even though three decades of activity show the clear motive to be fraud.

6. The Rishi Collection. Fine Art, Sacred Heirlooms and Antiquities. Fact. After Patton West's charity was [struck off](#) for fraud in January 2004, and with several lawsuits against her, she defrauded the charity out of its largest single asset; a property worth \$1,250,000 (as valued in 2002). This assets ownership was transferred to a private trust fund she had set up for herself and her eldest son, Rob Meador. The purpose of the trust fund was to hide the asset from her creditors which did not work, as in 2008, a judge arranged for the sale of the property at a [Sheriff's Sale](#) to force Patton West to pay for \$2,000,000 worth of court fines and interest that she owed her creditors. Also in 2004, Patton West stole \$4,000,000 in art work and valuables owned by the charity, which like the property, were largely funded by public donation. When questioned about the art work and valuables in court under oath in 2009, Patton West denied their existence stating that they were lost or stolen or carted away. Read the court transcript of [her statement](#) given while being deposed by the whistleblower's lawyer. In 2014, after the expiration of the statute of limitations on theft, the items magically appeared being offered as part of a [moving sale](#). [Many of these items](#) were featured on her website.

An obvious lie but apparently 'protected' under religious freedom laws. Even though three decades of activity show the clear motive to be fraud.

Is Patton West criminally insane? If so, she should be taken off the streets for her own protection and the public's protection. We suspect that Patton West knows what she is doing and like her accomplices, Julio Williams, Geoffrey Reynolds and Jack West, she relies upon the fact that her obvious lies are 'protected.'

Patton West was / is aided and abetted by the senior members of her cult, who act as 'liars for hire.' These are all willing accomplices in what is obviously a criminal racketeering business model, disguised as a quasi-religious organization. They all actively promote Patton West to the public as a minor deity and, when things go wrong, which is often, they publicly deny any wrongdoing on her part, however compelling the evidence against her might be.

Above left: Devra Patton West the photo taken from a 2009 arrest warrant. Second left: Her ex-husband Jack West. Third left: senior cult member and 'liar for hire' Dr. Julio E Williams MD. Right senior cult member and 'liar for hire' Geoffrey Reynolds CPA.

The above photo of Patton West is from a 2009 [arrest warrant](#) issued in Montana for Felony Theft. The arrest warrant issued just one year before she left Montana for Arizona, and just two years before, she announced that she had been elevated to the status of Planetary Regent and Mother of Ten Thousand Suns

The attempted murder of John Watson AKA the whistleblower. John Watson, a business consultant working for Patton West between January 2002 and August 2002, was defrauded out of pay and shares by Patton West. After researching his fraud lawsuit against Patton West, he found out that he was one of scores of victims of theft, fraud, extortion and violence at Patton West's hands. In 2006, in order to counter the lies and propaganda being posted by Patton West on her website, Watson put up his own website posting details of Patton West's many crimes in Montana & New Mexico. Because this was a direct threat to Patton West's multi-million dollar a year criminal business model, Patton West decided to silence Watson by any means.

In that regard, she recruited two senior members of her cult, Dr. Julio E Williams MD and Geoffrey Reynolds CPA to threaten Watson, announce Watson's impending murder to the press ahead of Patton West's attempt on his life and, when the murder plot failed, participate in a criminal conspiracy orchestrated by Patton West to bankrupt Watson into silence. Both Williams and Reynolds were total strangers to Watson, but both clearly under Patton West's control.

Dr. Julio Williams MD & Geoffrey Reynolds CPA's role in Patton West's past, present and ongoing conspiracy to silence / murder John Watson.

	<p>1. January 2007. Dr. Julio E Williams MD, prompted by Patton West, writes a lengthy expletive laden email to Watson telling him, and I quote, "not to f*ck with him or else." An obvious clumsy attempt to intimidate Watson into dropping his lawsuit against Williams' cult leader Patton West. The 2007 email followed an earlier defamatory statement made about Watson that Williams posted on Patton West's website in 2005 immediately after Watson announced his decision to sue Patton West for fraud.</p>
---	---

1. Above: [Here is a link](#) to Williams' expletive laden threatening email to Watson sent in January 2007. [Here is a link](#) to the defamatory statement that Williams (and other cult members) posted on Patton West's website immediately after Watson announced his intention to sue Patton West for fraud; a lawsuit [he won](#) in 2008.

	<p>2. August 2007. After it was clear that John Watson was not going to be intimidated into dropping his lawsuit against Patton West senior cult member Geoffrey Reynolds CPA announced Patton West's plan to murder Watson to the press. While being interviewed by the Bigfork Eagle newspaper Reynolds announced, in what he thought was an 'off the record' conversation, that Watson would be dead within 12 months or jailed for reacting to what Patton West was going to do to his family.</p>
---	---

2. Above: Geoffrey Reynolds announced in what he thought was an ‘off the record’ conversation, that Watson would be dead within 12 months or in jail for what Patton West was going to do to him and his family. Reynolds made these comments while being interviewed by Constance See the reporter for the Bigfork Eagle newspaper. She took the threat seriously and passed it on to a federal agent investigating patton West at the time. A full review of Reynolds’ ‘on the record’ comment made on behalf of his cult leader, Patton West, can be reviewed by following [this link](#) to the Bigfork Eagle newspaper article. It is worth pointing out that in his interview, Reynolds basically admits ‘money laundering’ \$463,700 of the \$1.3 million that was [extorted from Dr. Pat Cole](#) by Patton West through West’s business as normal business receipts. Reynolds told the reporter that this money was owed by Cole for ‘therapy’ and an ‘internship.’ What Reynolds did not know was that [his predecessor resigned](#) rather than be forced to ‘manufacture’ false invoices for ‘therapy’ and an ‘internship?’ No problem for bottom feeder Reynolds.

	<p>3. October 2007. The 2007 murder plot failed and Watson’s websites remain up on the internet warning the public about the dangers of associating with Patton West. Dr. Julio E Williams puts up \$2,000,000 of his own money so that his cult leader Patton West can fund multiple frivolous lawsuits against Watson. The motive being to bankrupt Watson into silence where intimidation and murder failed. This is exactly what Dr. Julio E Williams threatened to do in his January 2007 email to Watson.</p>
---	--

3. Above: Williams followed through on his promise to fund Patton West’s legal costs, just as he indicated he would in his January 2007 [threatening email](#) to Watson. Below is a short quote from Williams’ email:-

I have personally allocated Two million dollars for Dr. West defense and legal expenses.
 If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. **You fuck with me and you will meet your match.**
 Julio E. Williams, MD

Quite by coincidence (or not) this is exactly what Patton West said would happen at a meeting she had with Watson in March 2003. A meeting called by her to see if she could threaten / intimidate Watson into not suing her for fraud. Patton West told Watson at the meeting that if he sued her, she would get so f*cking down and dirty, huge expenses coming out of his pocket but not hers. Not hers, because members of her cult would pay her legal expenses. You can hear Patton West say this in her own voice by following [this link](#), as Watson recorded the entire exchange between him and Patton West on a digital tape recorder. I guess this officially makes Dr. Julio E Williams a member of her cult. You heard it from the horse’s mouth.

	<p>4. October 2010. Watson journeys to the USA from abroad to see what the Montana court is going to award him for winning his fraud lawsuit against Patton West. Upon arrival at the court Patton West and her accomplice Geoffrey Reynolds had Watson served with multiple frivolous lawsuits. As Watson could not afford to travel to and from the USA to defend against their lies Patton West and Geoffrey Reynolds were awarded \$5,000,000 each even though Reynolds’ pleadings to the court were 100% false.</p>
---	---

4. Above: Geoffrey Reynolds CPA left his employment in California to take up the position of ‘Finance Controller’ with Patton West’s corporation in September 2006. Watson’s tenure of employment ended over four years before Reynolds’ tenure of employment began in 2006. This is made clear by the resume posted on Reynolds’ own personal [website](#).

However, after the murder plot (that Reynolds announced to the press in August 2007) failed, Geoffrey Reynolds agreed to be part of a criminal conspiracy to bankrupt Watson into silence. Geoffrey Reynolds' role in the conspiracy was to make totally false pleadings to a Montana court, which he did by submitting a carbon copy of Patton West's pleadings. Reynolds could not have been 'defamed' by Watson because Reynolds was working in California between 2002 & 2006 and did not know that Watson existed until Patton West briefed him post September 2006. Reynolds' treachery is spelt out in these three webpages. (1), (2) & (3).

	<p>5. The loss of millions of dollars a year from organized crime (theft, fraud and extortion) is motive enough for murder. The legal outcome that Dr. Julio E Williams MD 'bought' for Patton West enabled her to relocate her criminal business model to Arizona where she is now targeting the spiritual community in Sedona. Dr. Julio E Williams was complicit in Watson's murder, Dr. Julio E Williams funded the conspiracy to bankrupt Watson into silence and Dr. Julio E Williams is fully aware of the ongoing campaign of intimidation against Watson and family.</p>
---	--

5. Above: Dr. Julio Williams MD remains central to Patton West's criminal business model to this day. Williams, a 20 year member of her cult, and right at the forefront of her criminal activities for 15 years. Williams continues to provide Patton West with a series of 'fake' testimonials whose clear objective is to lure more victims into the 'kill zone.' Rather more serious, is his role in marketing Patton West to the public and to cancer patients as being able to deliver miracle cures for six figure sums. Below, is a recent posting from Patton West's Facebook pages, wherein Patton West is inviting people to attend 'Sacred Sundays with Rishi.' These gathering to be held at the home of Dr. Julio E Williams MD. We have no doubt that Williams, her brainwashed and conditioned Physician, is on hand to persuade victims to part with their money.

~ Our June 12th ~
Sacred Sunday with Rishi
 will be hosted at the home of Dr. Julio Williams MD
 7390 East Stagecoach Pass carefree, Arizona 85377
 ~ 10 am to 12 pm ~

Comments from Students:

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!"

Julio Williams MD, heart surgeon and devoted seeker.

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a 'virtual wellspring of living divinity,' but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such experience justice."

Julio Williams MD ..cardiologist and thoracic surgeon, avid seeker.

Above left: Hosted at the home of Dr. Julio Williams MD 'Sacred Sundays with Rishi.' Above right: Dr. Julio Williams in spite of knowing about all the criminal activity we have laid out in this bulletin describes Devra Patton West as a "virtual wellspring of living divinity." This makes it very clear that Dr. Julio Williams is a willing accomplice in racketeering.

In another Facebook posting, con artist Patton West is seen to be advertising 'miracle cures' though she is careful not to actually say 'miracle cures but instead refers to 'divine grace healings.' As for Dr. Julio E Williams' involvement, once again we have Patton West to thank for joining the dots. In her 2007 interview with the [Whitefish Pilot](#) newspaper, Patton West makes the following statement:-

She also claims her "gifts" can heal people with various illnesses including leukemia (cancer), and plans to teach what she knows to cardiologists and other physicians etc...

Well, quite by coincidence (or not) Dr. Julio E Williams is a cardiologist and a physician. He is also a 20 year student of her cult. Which probably explains why, against all norms and medical standards, Williams is aiding and abetting a con artist and violent convicted criminal to sell her wares to the public.

★★★★ dangerous physician!!

Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011

This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Finally, and most serious of all, is the fact that over the past 4 to 5 years Dr. Julio E Williams MD has received some 400 to 500 emails from the whistleblower complaining about the ongoing campaign of intimidation being directed at him and his family by Patton West. This is the very same campaign of intimidation (along with Watson's impending murder) that Geoffrey Reynolds announced to the press on August 9 2007. So far, Dr. Julio E Williams MD has failed to share any of these emails with the police or the FBI, in spite of being asked to do so repeatedly by Watson. This, along with several other examples, clearly show Williams' complicity in racketeering and murder. Of course neither Williams or Reynolds can go to the police because to do so, would immediately make them complicit in Patton West's past and ongoing attempts to intimidate / murder Watson.

'WITCH DOCTOR' WILLIAMS

'GANGSTER' GEOFF

Bad news for Dr. Julio E Williams MD & Geoffrey Reynolds CPA who may be relying on a 'statute of limitations' to escape jail, if they and Patton West are called to account. Since the campaign of intimidation against Watson and his family / attempts to murder Watson that Reynolds announced on August 9 2007 never stopped, and are ongoing, the statute of limitations does not apply.

However Watson and his family are just one set of victims. There are scores, maybe hundreds of victims and if Patton West's ex-husband is to be believed, several murders passed off as death by 'natural causes.' And this is going on NOW in Arizona, right under the authorities noses. Below, is just a very small sample of crimes that were committed in Montana by Patton West. Crimes committed on an industrial basis by a criminally insane narcissist, who believes she is totally beyond the reach of the law.

Treating the image below as a 'clock face', let's review some of the crimes committed in Montana by Patton West between 1995 & 2010.

This is the tip of the iceberg. There are many more listed towards the end of this document.

At 1.00 Patton West arrives in Montana in 1995. After being chased out of New Mexico by a gun wielding victim who knew the police were unable or unwilling to help. Upon arrival in Montana, Patton West calls herself the Ascended Master [Devra Ji](#) and sets about building a cult around herself.

At 2.00 business consultant John Watson is defrauded out of pay and shares (see above). In 2008, Watson was [granted judgment](#) against Patton West and was [awarded](#) over \$700,000 in costs and damages by a Montana court.

"She remains as utterly free of wrongdoing and as ethically virtuous as any human being can be."

Ex-husband and senior cult member Jack West. 2007

At 3.00 Kendall Haywood lost her daughter. A child custody court case was totally subverted by Patton West, who mounted a campaign of violent intimidation against a clean living, decent honest mother, so that Patton West's porn loving, wife beating son, could get custody of an infant female child from its mother. How do you persuade the court that a porn loving, wife beating parent, Chris Haywood (Patton West's son), who had an [FBI record](#) for forgery, substance abuse and traffic violations should be given custody over the mother who was decent and honest? How do you persuade the court that the father, who just before the court hearing forced his underage girl friend to have an abortion because it would look bad when he was attending the child custody hearing, to give the father custody. See [court transcript](#) Haywood V Haywood for details. The answer. Patton West turns the mother into a basket case by targeting her for months on end before the court hearing with a campaign of occult 'under the radar' violence, that has the poor girl thinking she is mentally ill. See [secret weapon](#) for details.

In addition to the relentless violence, Patton West puts up as a witness for her son, a physician, who just happens to be a senior member of her cult. Not surprisingly, the physician Dr. Pat Cole MD, tells the court exactly what Patton West wants the court to hear. Result? Patton West's son gets custody. Kendall Haywood loses her daughter. Patton West tries the same strategy a few short years later, when wife number two, Jamie Haywood sues for divorce. Only this time, Jamie Haywood escapes with her infant daughter. For a lengthy review of how Patton West totally subverted the child custody court case go [here](#).

"Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."

Geoffrey Reynolds CPA 2014

At 4.00 Mike Hendrickson victim of Fraud. Mike signed a note guaranteeing a \$200,000 overdraft for the charity Patton West ran with her husband, Jack West. Patton West empties the bank account into a personal trust fund for her and her eldest son, Rob Meador, with the result that Mike Hendrickson has to pay the bank \$200,000 to cover his guarantee. This is mentioned briefly in the [Whitefish Pilot](#) news article. Mike, like many victims of fraud / extortion had a choice to make walk away and write it off to experience or become a victim of intimidation, violence and or murder.

At 5.00 Dave Kushner victim of Fraud. Dave agreed to loan Patton West \$30,000 for two weeks and even got a signature on a loan agreement from Patton West, agreeing to repay the loan within the stated time period. Once Patton West got the money, she refused all contact with Dave Kushner and refused to repay the loan to him. Dave, like many victims of fraud / extortion, had a choice to make; walk away and write it off to experience or become a victim of intimidation, violence and or murder. You can hear Dave describe what happened by going [here](#).

At 6.00 Marion Cantwell victim of kidnap, beatings and extortion. Marion was kidnapped, falsely imprisoned, beaten until she agreed to give up tens of thousands of dollars from the sale of her home. Upon release, Marion was told if she went to the police she would be killed. You can hear Dave Kushner describe what happened to his friend Marion by going [here](#). John Watson got confirmation that the events described above happened, when after moving to Texas, Marion's new employer contacted John Watson via his website to confirm Marion's story.

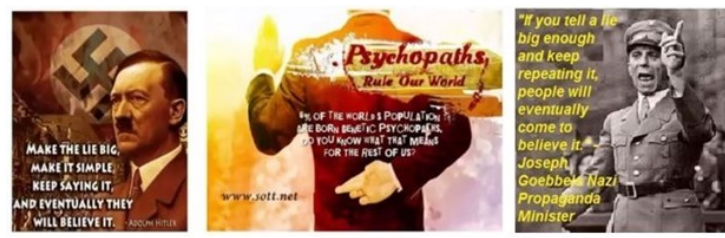

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber. She is a virtual wellspring of living divinity."

Julio Williams MD 2017.

At 7.00 Lisa Swidler murdered to keep her quiet. Lisa was murdered by Patton West after attempting to leave the cult. Lisa was a witness to the crimes committed against Dave Kushner and Marion Cantwell. Because the weapon used to murder Lisa (and others) is not regarded as a weapon under legal statute, the murder was treated as a death resulting from 'natural causes.' Though why the sudden mysterious death of a young healthy mother of two, resulting from internal bleeding, should occur is a mystery. A mystery, unless you know of someone who has also been the recipient of similar occurrences while being at odds with Patton West.

At 8.00 Patton West defrauds Montana charity out of \$7 to10 million dollars. After Patton West's charity is struck off for fraud in January 2004, she orchestrates a massive fraud that sees the charity's main asset, a property worth \$1,250,000, stolen from the charity and put in a personal trust fund for her and her eldest son, Rob Meador. The theft is achieved by calling in fake non-existent loans she says she granted to the charity. That property was later sold at auction to pay \$2,000,000 to past victims of crime. At the same time \$4,000,000 worth of art work and valuables paid for by cash donations from the public went missing. Ten years later, art work and valuables all turned up after the statute of limitations on theft expired and were featured on her website as part of a '[moving sale](#).' The items all matched a list Watson had compiled in 2002, as part of calculating the value of the charity's assets. While being interviewed in court in 2009, Patton West declared that the artwork and valuables were either lost or stolen. Go here to read her [statement](#) given under oath.

9.00 Patton West changes her name to the Ascended Master Surya Ma. After her charity was struck off for fraud, Patton West announces that due to the fact she is moving from the [5th to the 7th dimension](#), she needs to move to a location with higher vibrations. Accordingly, Patton West moves her cult from Victor Mt to Flathead Lake MT. She also announces that she can only take 12 disciples with her and only those willing to commit [66% of their net worth to her!](#)

10.00 Patton West viciously assaults her business partner Dr. Pat Cole MD. The [Whitefish Pilot](#) newspaper gave an account of the victim's ordeal. What follows is an excerpt from that article.

Cole claims West threw a lamp at her and hit her with a briefcase, cell phone and her hand. "She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself." Photos taken after the alleged beating were submitted to the sheriff's office.

Cult members, **Dr. Julio Williams** ([1](#) & [2](#)), **Geoffrey Reynolds CPA** ([1](#), [2](#), [3](#) & [4](#)) & **Jack West** ([1](#)) all deny assault on Dr. Pat Cole knowing about [Devra's West's email](#) to her cult mailing list wherein she admitted the assault. Reynolds made several [desperate attempts](#) on behalf of Patton West to have a copy of Patton West's written admission of guilt removed from Watson's website.

11.00 Patton West is forced to leave Montana. After being forced to leave Montana because of all the negative press and her multiple appearances in court as the defendant, she relocates to Arizona changing her name to the Ascended Master 'Rishi Devra.' Here are three examples of the negative press as published by the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#) newspapers. See the '[Crimes](#)' page on our website or review above for a list of multiple court appearances as the defendant in mainly fraud related lawsuits. Bear in mind 90% of victims walked away empty handed rather than become murder victims.

12.00 It is all about the money. As Patton West states in the image near the top of this bulletin, “It will be the privilege of everyone she meets to seed her financial transition.” Read this [letter](#) from a student who relates a conversation with Patton West where she is boasting about her wealth and how she does not need bank accounts. It is mostly converted to diamonds and precious metals and hidden from creditors. And another [email](#) from a European student who relates how Patton West told one student that the more money they gave, the closer to God they would be.

Countless acts of theft, fraud, extortion, violent assaults and one well documented attempted murder with several suspected murders. Nearly thirty years of racketeering. Where are the FBI? Surely Racketeering, Serial Killers across multiple states fall within their remit?

In Montana, Patton West had what could be described as a ‘conveyor belt’ of victims that were recruited as employees or consultants for non-existent jobs. Those not agreeing to join her cult, were summarily dismissed before she had to start paying employment insurance. Go [here](#) for one employee’s harrowing account of what it was like being an employee of Patton West’s. And here for another employee’s [‘Statement of Fact’](#) to the authorities after she was given the choice to join Patton West’s cult or be fired. Given that this employee had overheard Patton West talking about murdering her business partner, Dr. Pat Cole MD, the employee decided to leave. Patton West’s ignoring of State & Federal employment laws, all done right under the authorities noses.

Patton West is not shy about telling the ‘sheeple’ in her cult what their role is.

Dr. Julio Williams MD, Geoffrey Reynolds CPA and ex-husband Jack West, were all aware of the crimes being committed on an ‘industrial’ basis against employees and students in Montana by Patton West. Saying nothing makes them a party to those crimes.

Above left: Devra Patton West the photo taken from a 2009 arrest warrant. Second left: Her ex-husband Jack West. Third left: senior cult member and 'liar for hire' Dr. Julio E Williams MD. Right senior cult member and 'liar for hire' Geoffrey Reynolds CPA.

Every single one of the well documented crimes listed below this paragraph, occurred during Dr. Julio E Williams' membership of Patton West's cult / criminal racketeering gang between the year 2000 and the present day. Most of the well-documented crimes listed below, would have occurred during Geoffrey Reynolds' membership of Patton West's cult between 2006 & 2014. It goes without saying, that her ex-husband Jack West, has been an accomplice in all the crimes committed since he married Patton West. Below is a list of some of the crimes committed during Williams', Reynolds' and Jack West's tenure. The links below the images, take one to documents that affirm what we are saying is 100% true.

Arrest Warrant for [Criminal Check Fraud](#)

Arrest Warrant for [Felony Theft](#)

[Conviction for Assaulting Dr. Pat Cole MD](#)

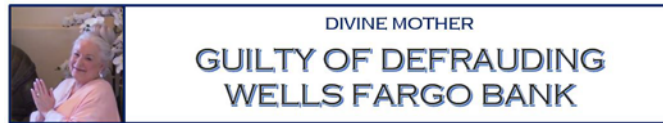

[Conviction for Defrauding John Watson](#)

[Conviction for Defrauding Top to Bottom Construction](#)

[Conviction for Defrauding Brazda Life](#)

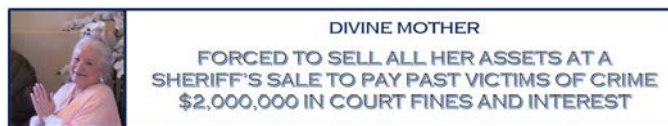

[Conviction for Defrauding Wells Fargo Bank](#)

Montana Charity [Struck Off for Fraud](#)

Montana Businesses [Involuntarily Dissolved or Revoked](#)

[Sheriff's Sale to Pay Past Victims of Crime \\$2,000,000](#)

Compare the above FACTS with the lies and propaganda, you will find on Patton West's current website at therishi.com.

Patton West has two advantages that most other criminals and serial killers do not have.

1. Her lies, deceit and propaganda are all apparently 'protected' under religious freedom laws. Even though the obvious motive is fraud. This includes her claim to be able to deliver [miracle cures](#) to cancer patients.

2. The [weapon](#) she uses to intimidate and murder those who oppose her, is not recognized as a weapon under legal statute, so Patton West's 'extra judicial' killings (murders) are not investigated because the deaths appear to be as a result of natural causes. Patton West, Williams & Reynolds are relying on this continuing to be the case.

In addition to the above advantages, Patton West, like most criminal kingpins, works with low life scum like Reynolds & Williams. These two miscreants are both perfectly happy to be accomplices to multiple murders and countless acts of organized crime.

Introducing Geoffrey Reynolds CPA

Currently, Geoffrey Reynolds is working at McSwain & Co accountants based in Olympia WA. When we made this information available to McSwain & Co. their first response was to sanitize Reynolds' online resume to remove all mention of his 'employment' with the cult / criminal gang between 2006 & 2014 and then later to remove Reynolds' photograph from their website. The current entry is what you see near the top of this website. It is not for us to impugn McSwain & Co.'s motives for sanitizing Reynolds' resume entry on their website, but the result is to hide Reynolds' criminal past from the public and existing clients.

Above left: At first all mention of Reynolds' involvement with the cult / criminal gang between 2006 & 2014 was removed from his on-line resume. Above right: Then his resume was reduced still further and his photograph removed.

As you will see, Geoffrey Reynolds CPA, in addition to being totally corrupt, is not the brightest bulb on the Christmas tree; witness the fact that his actual, factual, resume is still posted on his [personal website](#) which clearly shows the information that he and McSwain and Co. appear to be hiding from the public and their existing clients.

Currently, Julio Williams is working as a physician / surgeon for Essentia Health in Fargo ND. The following image contains an excerpt from an article published in welcoming Dr. Julio E Williams to Essentia Health.

Introducing Dr. Julio E Williams MD....

Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

Remember, this totally corrupt physician, posted the following statement about Patton West in 2005, in an attempt to discredit Watson's fraud lawsuit against Patton West, the leader of his cult / criminal racketeering gang.

"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."

Dr. Julio E Williams should not be trusted with patients' lives and should certainly not be standing over an unconscious patient wielding a scalpel.

A proven pathological liar, Williams is a huge financial liability to any employer should things go wrong. Who is going to believe any statements Williams might give about a patient's death? What insurance company would pay out compensation when his employer knew about his criminal past and present?

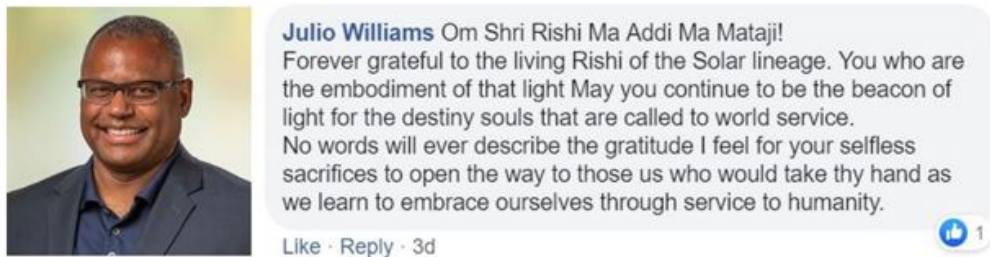

In closing, none of what we are saying about Dr. Julio E Williams is ancient history. He is still very much involved in marketing Patton West to the public as a minor deity who can dispense miracle cures (for a six figure sum). Go [here](#) for an in depth analysis. Dr. Julio E Williams is front and center; not just in providing Patton West with an endless series of 'testimonials', but also provided his home recently as a venue for fraud / extortion. The very same knowledge Patton West uses to make ill, injure or murder those who oppose her, is also used to target wealthy victims, who once identified are made ill and then forced to pay for a cure. What follows are some of the recent 'testimonials given to Patton West by Williams.

Below are a series of images that make it abundantly clear that Dr. Julio E Williams MD is either mentally ill or a willing accomplice in Patton West's criminal racketeering gang.

Above: Two recent 'Sacred Sunday's with Rishi' at which Dr. Julio Williams is on hand to verify that the leader of his Satanist cult is able to deliver 'divine grace healings' if the price is right. What better testimonial could a con artist have than to have her own well trained and brainwashed physician / thoracic surgeon on hand to oil the wheels of commerce!

Julio Williams MD continues to make a complete fool of himself and is an utter disgrace to the medical profession. He had this to say about Devra Patton West in two recent Facebook postings...

Above: In Montana Patton West was a con artist and a violent convicted criminal. Now Dr. Julio Williams describes her as "The living Rishi of the Solar lineage." And, "Your selfless sacrifices open the way to those of us who would take thy hand as we learn to embrace ourselves through service to humanity." End quote. Is Dr. Williams mentally ill or a willing accomplice?

And this.....

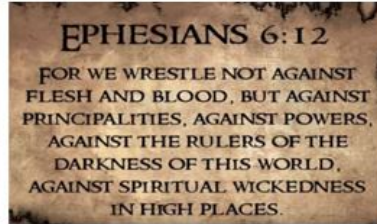

Julio Williams So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet.

Above: And I quote, "Thank you Rishi Mother for your divine grace and for having the patience (?) of ten thousand saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet." As I try to overcome my reflex action to vomit I ask the question again Is Julio Williams mentally ill or does he just not care about his career or his future?

For more 'testimonials' that Williams gave to Patton West follow [this link](#).

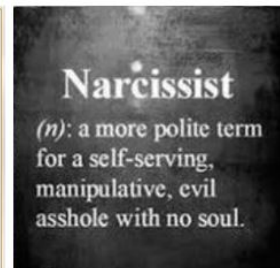

Above: For thirty years Patton West has used an occult (means hidden) weapon to feather her financial nest at the expense of nearly everyone she has met. Countless acts of theft, fraud and extortion with most victims too afraid to go to the police. For 20 years Dr. Julio E Williams MD has been a student of Patton West's which explains is deep involvement with her crimes.

In summary, both [Geoffrey Reynolds](#) and [Julio Williams](#) have known that Patton West intended to murder Watson since the time Reynolds announced her plans to do so to the public on August 9 2007. Unfortunately for accomplices [Geoffrey Reynolds](#) and [Julio Williams](#), the continuous and ongoing attempts by Patton West over the past 13 years to 'silence Watson' mean that the statute of limitations they may be relying on never got started.

We have repeatedly suggested to both [Geoffrey Reynolds](#) and [Julio Williams](#) that it is in their best interest to turn state's evidence against Patton West. However, both continue to rely on the fact that a prosecution might be difficult because the '[weapon](#)' she uses is not recognized as a weapon under legal statute. We believe that there is so much evidence of racketeering from so many victims, over so many years, that a prosecution is not only possible but very likely to be successful.

This campaign will continue until Patton West, Williams & Reynolds are indicted for their crimes.

Thanks to the efforts cult / gang members Geoffrey Reynolds and Julio Williams, Patton West was able to leave Montana in 2010 and reincarnate herself anew in Arizona. Complete with a new fake life story / bio and even more accolades and titles, she is currently targeting the spiritual community in Sedona AZ. Here some images taken from her current [website](#). Do we think that this leopard has changed its spots? No not at all.

In the absence of a criminal investigation into a 30 year career involving racketeering and several suspected murders, Patton West's behaviour gets crazier and crazier as witnessed by the images below.

Above: Patton West a criminally insane narcissist whose knowledge of the occult has been used to line her financial nest at the expense of everyone she meets. Her obvious lies and propaganda, when matched to her history in New Mexico and Montana, are obviously part of a massive fraud scam. And, as her ex-husband commented, those who oppose her die suddenly.

The information in this document should be read in conjunction with thousands of documents that can be found on two websites dedicated to bringing Patton West, Williams & Reynolds to justice for racketeering and murder. The websites are:- <http://omniawakening.net/> & <http://www.therishi.info/> Please check out these websites and, as a suggestion to get started review the contents on these web pages.

SEARCH ENGINES LIKE GOOGLE, BING, ETC. SHOULD REVIEW PATTON WEST'S [THERISHI.COM](http://www.therishi.com) AND CONSIDER BLOCKING TRAFFIC TO IT AS THE ONLY MOTIVE FOR SO MANY LIES, APART FROM INSANITY, IS FRAUD.
